BABE RUTH HITS 31ST HOMER BUT SENATORS WIN

(By the Associated Press)

Philadelphia's bid for some other National league berth than the [illegible] has been staved off by [illegible] and company.

The first two games of a "crucial cellar series" yesterday found the Boston Braves twice victorious over the Quakers.

The Phils put up a gallant battle for both games in yesterday's double-header, carrying each to extra innings. [illegible] Bell's scratch single with the bases filled in the 14th gave Boston the opener, 4 to 3.

The Braves won the nightcap, 5 to 4, in 10 innings.

The Chicago Cubs returned to third place and dropped the Cincinnati Reds to fifth when [illegible] Nehf left-handed his way to an easy 5-to-2 victory over Kolp and [illegible].

Babe Ruth's 31st home run of the year failed to save the New York Giants from a reverse with Washington's Senators.

The Philadelphia Athletics reduced the Yank lead to a matter of 12 games by breaking even in a double-header with the Boston Red Sox. Lefty Grove had no trouble in beating the Sox in the first game, 5 to 2. Rube Walberg failed in the second and the A's went down, 7 to 4. Six home runs were smashed out in the double bill.

The Chicago White Sox surprised themselves and the St. Louis Browns by taking both games of a double-header, 7 to 1 and 5 to 3.

The Detroit Tigers took many liberties with George Uhle's pitching and walked off with a 7-to-3 triumph over the Indians.

DUNSMUIR QUITS LEAGUE; LOCALS TO PLAY WEED

The Dunsmuir team of the Oregon-California league dropped out of the race yesterday on account of [illegible] players and high expenses, and the Medford and Weed teams will continue with a seven-game series for the championship of northern California, according to an announcement today by Manager "Court" Hall. The first game will be played in this city next Sunday. After the conclusion of these games, contests will be arranged with upstate nines.

The collapse of Dunsmuir came just when it looked like the league would survive the quitting of Klamath Falls. James H. Owen, manager of the Owen-Oregon Lumber company, saw the lumbermen Sunday, and in mid-contest informed the manager to get some ball players and he would back them, as the showing was entirely too weak. Before any hiring was done, Dunsmuir collapsed. Next year, however, the Owen-Oregon team probably will be a full-fledged member of the league.

Manager Hall, who has put up a desperate struggle to keep baseball going here, said today, "I am going to grab every ball player of any strength that comes along. The Weed series will be bitterly contested, and I will guarantee good games." He has a new second baseman for the Sunday tilt.

SUPPOSED HOBO KILLED IN CAR IS A MILLIONAIRE

PORTLAND, Ore., July 3.—(AP)—Mining stock certificates with a [illegible] value of [illegible] were in possession of a man identified as W. J. Connelly, 68, whose crushed body was found under a shipment of steel pipe in a railroad gondola freight car here last night. The stock was in the Connelly [illegible] Quartz Mining company of Nome, Alaska.

The certificates were turned over to stock brokers today for them to determine whether they had any value. Connelly's name was signed as president of the company. The secretary's name also signed was [illegible].

In a pocket of the man's clothes was found a safety deposit box receipt from the Bank of Italy of Oakland, Cal., dated December 13, 1927, and signed "[illegible]."

The stock certificates found were in the following denominations: [illegible].

The coroner, who investigated the man's death, believed he had been killed by the shifting load of pipe. The possibility that he had been in the car when the pipe was loaded was said to be remote.

The car was loaded at Oakland, Cal., and consigned to Silverton, [illegible].

Hobo Killed in Car

PORTLAND, Ore., July 2.—(AP)—A man tentatively identified as W. J. Connelly, about 68, was found dead at the bottom of a carload of steel pipe in the railroad yards here today. He had been crushed to death by the shifting load. The car was loaded at Oakland, Cal.

PORTLAND EGGS DROP HALF CENT, BUTTER STEADY

PORTLAND, July 3.—(AP)—Eggs were easier on local wholesale markets today. Standard firsts were a half cent lower at [illegible] cents, [illegible] and medium firsts were down a cent [illegible] cents. Other grades were unchanged.

Butter prices were quoted steady but the tone of the market was firm and several local creameries were offering 41 cents for butterfat delivered here. Yesterday's receipts were: Butter, [illegible] pounds; eggs, [illegible] cases.

Country dressed meats and poultry were [illegible] steady today, and trading was active in all classes except lambs, which were in over-supply and dragged. Best [illegible] were going at 22 cents, [illegible] of choice offerings moved around 20 cents, while less desirable kinds went as low as 15 cents.

Trading was somewhat more active in wholesale fruit and vegetable markets and prices showed few changes from yesterday's quotations.

Willamette valley peaches were coming in fairly liberally and sold [illegible] for the best. Other [illegible] fruits were also plentiful at steady prices.

Wholesale markets here will be closed tomorrow in observance of the Fourth.

CHARLIE HALL DENIES NORBLAD IS LEADING

PORTLAND, Ore., July 3.—(AP)—The announcement of Senator Norblad of Astoria that he now has [illegible] votes for the presidency of the state senate—two more than necessary—is premature, in the opinion of Senator Charles Hall, who is also an aspirant for the position.

The Norblad candidacy came to the front the first of the week when Senator B. L. Eddy of Douglas county withdrew in Norblad's favor.

Senator Hall declared today he is still campaigning for the office and is confident of winning.

Salvation Army headquarters issued a call today for cast-off clothing. Anyone who has articles to donate is requested to call [illegible].

STATE TENNIS STARS OF OREGON COMPETE FOR THE 1928 TITLE

PORTLAND, Ore., July 3.—(AP)—Doubles matches, with the ultimate aim of determining state champions, started here today in the Oregon state tennis championship tournament.

Yesterday saw the first round in the singles matches completed. Bradshaw Harrison, San Francisco 1927 singles champion, slid through all opposition with ease yesterday. He was awarded his match against Eddie McBride by default and then met Allen Goss, Portland, allowing one courtesy game and taking the match, 6-1, 6-0. Fifteen minutes later he defeated W. D. Green, Portland, 6-1, 6-1.

Howard Langlie, University of Washington, seeded at No. 2, won from Harry Krause, Portland, 6-0, 6-5.

John Rosso defeated Ralph Alle, 6-1, 6-1, and Jimmy Johnson 6-1, 6-0.

Josephine Cruickshank, Berkeley national junior doubles champion, defeated Roberta Pittock in straight love sets. She is seeded at No. 1.

U. S. A. DECATHLON CHAMPION IS OUT OF THE OLYMPICS

MUNICIPAL STADIUM, PHILADELPHIA, Pa., July 3.—(AP)—Fair ("Chief") Elkins, national decathlon champion and leading United States hope in that event for the Olympic games, pulled a tendon in the first heat of the 100-meter event of the national decathlon and final Olympic tryout today.

Elkins won the national 10-event championship last year. He formerly attended the University of Nebraska and is now wearing the colors of the New York Athletic club.

Head Coach Lawson Robertson said that the mishap undoubtedly means Elkins will be lost to the Olympic team.

The misfortune to Elkins came with startling suddenness. He started in a three-man heat and was leading at 60 yards when he suddenly pulled up lame and was able only to stagger across the finish line.

"Elkins' injury is a bad case of a pulled tendon," said Coach Robertson after an examination.

As to whether Elkins has thus lost his chance for a place on the United States Olympic team, Coach Robertson said he could not be sure.

"It is a very unfortunate occurrence," Robertson declared. "Elkins was probably our best bet in the decathlon."

Elkins definitely withdrew from the trials after he had tried to participate in the broad jump with a rubber bandage and brace on his injured left leg.

TILDEN PLAYING BEST TENNIS OF HIS LONG CAREER

WIMBLEDON, Eng., July 3.—(AP)—Big Bill Tilden and Francis Hunter, American and Irish doubles champions, overcame a poor start today to conquer the English pair, Cyril Eames and George Crole-Rees, in the Wimbledon tournament. The scores were 4-6, 6-3, 6-2.

WIMBLEDON, Eng., July 3.—(AP)—If tennis critics thought that Big Bill Tilden's game had slowed up when he was carried to five sets by Pierre Landry on Saturday they have revised their opinions in view of the big Philadelphian's great victory over Jean Borotra yesterday.

While paying full tribute to the Basque's brilliant game, experts writing in the morning newspapers conceded that Tilden never had played finer tennis here. Samples of their comments follow:

"Tilden dictated the game, compelled his opponent to play it and wore him down at it."

"Tilden was really awesome."

"Tilden played majestic tennis; he was the complete player."

"It was an altogether different Tilden from the shadow that hovered on the court against Landry."

Mr. and Mrs. William Lyman returned the first of the week from a month's visit at the home of their son, William junior, at Emmett, Idaho.

WOUNDED YEGG GETS 7 YEARS AT M'NEILS

PORTLAND, Ore., July 3.—(AP)—William "Scoop" Johnson, who last month was wounded in a gun battle with police who captured him on a downtown street, late today was sentenced to McNeil Island federal prison for seven years for robbing three rural postoffices near Portland.

Johnson recently recovered from three wounds received when he attempted to escape the police net. He pleaded guilty to robbery of the postoffices at Aloha, Roy and Columbia City, Ore.

Amos E. Jones, Johnson's companion in the Roy and Columbia City robberies, was given a seven-year sentence when he entered a similar plea.

TERRIBLE TURK TO WRESTLE JACK ROLLER ASHLAND TOMORROW

The main athletic feature of the Fourth of July celebration at Ashland will be the return wrestling match between Hassen Mohamed and Jack Roller, under the auspices of the Lithians. In a semi-final bout Sailor Jack Woods will grapple with Bill Sandahl, and there will be other preliminaries.

The Terrible Turk and Roller met at the Armory here last Friday and put up a hectic struggle, which ended when the Turk clipped Roller back of the ear and rendered him unfit for further wrestling for the balance of the evening.

Both the contestants have put up forfeits that they will do nothing unethical at Ashland, and will confine their bone-crushing to arms, legs, the torso and the top and back of the head. Each will leave his opponent's eyes, ears and nose alone.

The first meeting of the pair was exciting, and the second clash promises to be more so. The bout has aroused considerable local interest.

WORLD'S RECORDS GO A-GLIMMERING

PHILADELPHIA, Pa., July 3.—(AP)—The world's record for the 400-meter hurdles was broken twice in successive heats in the national championships and final Olympic trials today, first by F. Morgan Taylor of the Illinois A. C., Olympic champion, and then by Frank Cuhel of the University of Iowa, National Collegiate A. A. champion.

Taylor, who had equaled the world record time in the first heat, beat the mark by one-fifth of a second in the first of the semi-final heats when he topped the barriers in 53 3-5 seconds, beating his rival, Johnny Gibson, of the Bloomfield, N. J., Catholic Lyceum by three yards. Cuhel then went Taylor one-fifth of a second better by winning the second semi-final in 53 2-5 seconds.

5,000,000 WOMEN IN ENGLAND GET VOTE FOR FIRST TIME

LONDON, July 3.—(AP)—Some five million women in Great Britain now are entitled to vote for the first time.

The flapper vote bill, which extends the franchise to women between the ages of 21 and 30 on the same terms as men, was given royal assent in the house of lords, with prominent suffragists viewing the procedure from the stranger's gallery.

Two noted figures in the women's suffrage cause were absent. One, Mrs. Emmaline Pankhurst, died a few weeks ago after the bill had passed the legislative stages and awaited only royal assent. The other, Dame Millicent Fawcett, arrived at the house of lords one minute too late, since the time of the final procedure had been advanced half an hour. She had been present in the house of commons 61 years ago when the woman suffrage fight was inaugurated by John Stuart Mill, economist, who moved the first woman suffrage amendment.
