ROBIE LEADING LOCAL BATTERS; INFIELD SHIFTED

The Medford Merchants are all ready for the game Sunday in this city with Weed, and will present the strongest lineup of the year in the opening game of the seven-game championship series. The game will be played at the fair grounds and will start at 2:30 o'clock.

Manager Hall has shifted his infield to strengthen second base, the weak spot all season. Horry Dunn will play the keystone sack and Dolly Gray will hold down third. Gray is fast and a good hitter and was a member of the Boss last year.

The batting average of members of the team since May 20 is as follows:

HILLSBORO DERBY BLOCKS HIGHWAY

HILLSBORO, Ore., July 6.—(AP)—Walking contests, bunion derbies and broken arch parades are a menace to highway traffic.

Thus condemnation was voiced by hundreds of motorists who on July 4 were forced to thread their way along the Tualatin Valley highway behind a field of hikers competing in a Portland-Hillsboro walking contest.

Traffic officers say they expect to appear before the state highway commission as soon as possible and ask for restriction or strict regulation of fallen-arch parades.

RENE LA COSTE IS TENNIS CHAMPION

WIMBLEDON, England, July 6.—(AP) Rene Lacoste, France, won the Wimbledon tennis championship today, defeating his countryman, Henri Cochet, defending champion, 6-1, 4-6, 6-4, 6-2.

The crowds attending the match became excited when the two Frenchmen fought for the final five points that meant victory or defeat. When LaCoste won the last point on a drive that Cochet smashed over the base line, he threw his racquet into the air. Gusty winds bothered the players throughout the match.

MULTNOMAH MATMEN WIN TWO AND LOSE ONE

GRAND RAPIDS, Mich., July 6.—(AP) Cyril Mitchell of the Multnomah A. C., of Portland, Ore., lost by quarter final bout in the 125.5 pound class of the Olympic wrestling tryouts here last night after going into two overtime periods with Cecil Paxton of the University of Kansas. Ted Buttry of Havre, Mont., unattached, lost the decision in his 145 pound bout with Clarence Berryman of Oklahoma A. C. and Ben Simon, also of Multnomah A. C., won a decision over Ensign H. J. Dyson of the Naval academy in their 145 pound quarter final.

Erwin Forbes of Los Angeles A. C. defeated Mario Mamell of the Boston Y. M. C. A. by a decision in the 158 pound class.

Frank H. Kean of the Multnomah contingent, defeated Carl Dougavito of the University of Missouri in the 158 pound class by a fall in eight minutes 20 seconds.

PRINK CALLISON BEING BOOMED FOR U. O. COACH

Alumni of the University of Oregon in southern Oregon have launched a boom for the inauguration of Prince G. (Prink) Callison, athletic coach of the Medford high school, to the position of football coach of the University of Oregon, if and when the present varsity gridiron mentor, Captain John J. McEwan, retires.

According to a report circulating locally, for several weeks Captain McEwan plans to resign, owing to illness, and the university athletic directors are quietly angling for a new coach. McEwan's contract has several years to run.

Callison is a graduate of the University of Oregon, and was an outstanding football player, winning all-coast berth as a center. He afterwards played with the Olympic club of San Francisco, and for the last five years has been coach of the Medford high school. In that period his football squad suffered only one defeat, and he is now recognized as one of the leading high school coaches of the northwest. Callison is now on a honeymoon trip in Canada.

Medford members of the University alumni are torn between two loves. They would like to see Callison continue to bring victories for their home town, and they would like to see him at the helm of football at their alma mater. They believe that his success would be continued in a larger field, and that he would chop a way through the maze of campus politics with his genius for organization, teamwork and discipline, and give Oregon students and alumni something to read besides a sad story, after a football game.

Callison signed a contract to coach the Medford teams the coming year with an optional clause that gives him the right to accept a higher position. It is understood that Callison was offered the position of freshman football coach at the university a couple of years ago, but declined. He has a large following at Eugene, who have been mentioning him as head coach for several months, and is opposed by a group against a graduate coach under any circumstances.

GENE TUNNEY IS INDIGNANT OVER BOUT KNOCKERS

(By Alan J. Gould, Associated Press Sports Editor.)

BOSTON, July 6.—(AP) It may be gathered that the situation has become a trifle serious when the heavyweight champion of the world personally takes up the cudgels for Tex Rickard in the best interests of the title affair in which Tom Heeney is to be the party of the second part.

Taking cognizance, as the boys say, of the widely circulated reports that developments might occur to halt or postpone the championship bout, Gene Tunney advises by telegraph he is "surprised that anyone would lend credence to pernicious rumor started by enemies of Rickard with the purpose to belittle the contest of the 26th and discredit Rickard.

"Can assure you," he concludes, "contest will be fought on July 26th regardless of what rumor creators and detractors say."

There is no side-stepping or gulling of vocal punches here. Champion's spokesman, Steve Hannagan, takes an even stiffer wallop at "Rickard's enemies."

"Palpable plot," is the way Hannagan brands the rumors, apathy and skepticism that have seemed to surround the big bout. He adds: "Regardless of what rumors say you can rest assured that contest will take place and with no other opponent than Tom Heeney who has proved his right to match by his record of victories since his arrival in this country eighteen months ago. Story he is to be replaced by Sharkey ridiculous as Sharkey is, by virtue of his defeat at the hands of Risko, eliminated."

This appears to make it unanimous. Rickard and Tunney both have made it clear there will be a fight at the Yankee stadium for the title on the night of July 26, top price $40, including the tax of 25 per cent. Since each has a somewhat strong personal interest in the affair, their emphatic rebuttal ought to discourage the doubters and skeptics even if it does not give them entirely to cover.

Whether or not any "plot" is involved is something else. There is a chance for the fistic sleuths here. It is not clear to observers, however, just how the plotters, if any, have managed to influence the indifference that is manifestly widespread. Tunney blames it on "detractors"; Rickard on just plain "knockers."

Wall Street Report

NEW YORK, July 6.—(AP)—Selling of certain pivotal shares in late dealings in the stock market today, particularly General Motors and Radio, toned down substantial gains built up earlier on the strength of the demand for the rails, oils, metals and specialty issues.

The closing was steady. Trading in the final hour was featured by a series of up and down movements in which individual shares touched either the highest or lowest of the day. Bullish enthusiasm flared again in Indiana refining preferred, which got as high as 207. Radio dipped to 184 before it started on a new upward climb. General Motors also displayed strong recuperative power after an interval of selling. Total sales approximated 1,800,000 shares.

Radicals gathered in Wall street before Morgan & Co.'s office, carrying banners demanding "freedom for our black brothers in Haiti." They bit one policeman's thumb, sixteen were locked up.

Wall street is too busy to receive radicals cordially. It is not exactly a radical moment in the nation's history. To talk about giving liberty to somebody else.

Linfield College Professor Injured In Motor Accident

SEATTLE, July 6.—(AP) William Jerome, 60, professor of English at Linfield college, McMinnville, Ore., and his wife, Mrs. Marian Jerome, were in a local hospital last night as the result of a collision between their automobile and a municipal railway bus.

With the Jeromes in the car were their son, Vincent, and his wife. The younger Jerome is principal of the Arlington (Wash.) high school. Father and son were attending summer sessions at the University of Washington.

"I am so happy that the last pimple is gone—"

WITHOUT this handicap, there returns the very natural confidence, joy and cherished pride of possessing a clear skin.

Men and women both justly covet admiration, and you can expect such satisfaction only if you are happy in a clear, unblemished skin.

The sure way to reach this state is through the blood.

Red blood cells are Nature's elements for building and sustaining the body.

Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women.

You know a clear skin comes from within. Correct the cause—through the blood—and pimples, boils, eczema and that sallow complexion will disappear.

Thousands have regained their strength and charm by taking a few bottles of S.S.S.—Nature's own tonic for restoring the appetite—building strength—and clearing the body of so-called skin troubles.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.
