

# U. OF ILLINOIS PROFESSOR AND SON ARE SHOT

Mystery Surrounds Strange  
Crime at Estes Park in  
Colorado—Father's Con-  
dition Serious—Unidenti-  
fied Assailant Gets Away.

ESTES PARK, Colo., July 6.—  
(AP) Dr. George N. Sleight, 59, of  
Lake Forest, Ill., head of the de-  
partment of education at University  
of Illinois, and his son, Virgil,  
25, of Clinton, N. Y., assistant  
professor in the School of Theology  
of Hamilton university, were  
shot and seriously wounded today  
as they slept in a tent in the Estes  
Park camp grounds.

The unidentified assailant  
escaped.  
Virgil, awakened by the shot  
which wounded him in the temple,  
ran outside of the tent unaware of  
his wounds until he felt blood  
trickling down his face, he said.  
His father, also was shot twice in  
the temple and is more seriously  
injured. The bullets were fired  
from a small caliber revolver.

No money or personal effects  
were taken from the tent and  
neither of the men was able to  
assign a motive for the shooting.  
They came here only three days  
ago.

Physicians attending a Y. M. C.  
A. conference a few miles distant  
were summoned and Sleight and  
his son were taken to a private  
hospital where doctors refused ad-  
mittance to newspaper men.

Other rumors arose by the  
shooting, hastened from their tent  
and national park rangers began  
a search for the assailant.  
The shooting occurred shortly  
after daybreak.

## PERSONALS

Mrs. Pearl James left this morning  
for Riverside, Calif., where she  
will visit her son and daughter-in-  
law, Mr. and Mrs. Edward James.  
During the summer they expect to  
take several trips including a vacation  
at the ocean. Mrs. James is  
looking forward to this for she  
has never seen the Pacific.

Many local radio fans will tune  
in on the weekly radio frolic of  
the American Legion, which is set  
for 8 p. m. tonight. These novel  
programs have been growing in  
popularity each week and a large  
audience is already assured for  
this evening's frolic.

Next Monday's meeting of the  
American Legion will be of keen  
interest in every local Legionnaire,  
as the state convention will be the  
chief topic of discussion. Only a  
few short weeks remain until the  
Medford convention opens on August  
2, and every legion member  
will want to hear the details of  
the three-day program which is  
planned. Any ex-service men who  
have not yet joined the American  
Legion are urged to do so at once  
and to take an active part in the  
convention August 2, 3 and 4.

A party of Medford folks climbed  
Mt. Pitt Wooded-day, leaving their  
camp at Fish Lake about 7 o'clock  
in the morning and arriving at the  
summit at 5:30 in the afternoon.  
In the group were Mr. and Mrs.  
Clyde Smith of Eugene Falls, Miss  
Jean Lynch and Miss Vera Lynch,  
Dob Day and Lawrence Duff. They  
report that it was extremely cold  
on the mountain with a strong  
wind blowing.

Miss Joan Maciver returned to  
Medford this morning after spend-  
ing a few weeks in Portland where  
she visited relatives and friends.

Mr. and Mrs. Ralph Lenox left

Falls to spend several days with  
relatives.

Mr. and Mrs. A. D. O'Leary of  
Coquille City, where he is chief  
of police, are the guests of Mr.  
and Mrs. John Darrow for a week.

P. J. Holway of Los Angeles,  
Calif., arrived here this morning  
on his way to Water Lake on a  
business trip. He is connected  
with the landscape architecture  
department of the national park  
service at San Francisco. Mr. Hol-  
way said today that this was  
about the first sunshine day he  
had seen for a month, having spent  
some time recently at Rainier park.

Members of the national air tour  
committee will hold an important  
meeting tonight at 7:30 at the  
Chamber of Commerce for the  
purpose of outlining the reception  
of the 26 planes to arrive here  
July 16. Stanley Hall, general  
chairman of plans will preside.

Joe Hornberger, rancher at the  
head of Cow Creek canyon in  
Douglas county, spent today here  
transacting business. He is inter-  
ested in hunting and spends all of  
his spare time trapping or fishing.  
Deer are plentiful near his cabin,  
he said this morning.
