## NEIGHBORS OF WOODCRAFT TO HOLD A PICNIC

(By Mary O. Carey.)  
EDEN PRECINCT, July 6.—On Saturday evening, July 14th, the neighbors of Woodcraft of Phoenix are to hold a picnic in the evening at the Eveready auto park just south of Phoenix. The members and their families are all to attend. Each member is expected to bring a basket lunch and all will be seated at table together. The dance platform and good music will be at the disposal of the parties gathered for the evening's social time.

Miss Marie Miller and her sister, Miss Ruth, went over to the Oregon Caves to camp over the Fourth of July.

R. P. Barnburg and son Fred went out to Dead Indian to look after their cattle on Thursday of this week.

Miss Mabelle Hearn of Los Angeles came up to visit her father, A. H. Hearn, and step-mother and other relatives living in Phoenix, and to spend her summer vacation.

It did not intend to give the impression in my last week's items that the fine new fire truck which the town of Phoenix has recently purchased was a chemical truck only. It is not, but has two large chemical tanks in addition to the fine line of water hose to be used on the city's good force of city water also.

Some kind of an error made my item about R. E. Dale's visit read visited his daughter. I hope no one was offended.

Linn Hughes came over from Fern valley last week and got a few hundred late cabbage plants to set for winter use. Mr. Hughes said he had one of the finest crops of fruit of all varieties that he has had in years.

Mrs. Bayman returned to Fern valley from California last week. Her daughter, Miss Bertha, will remain until fall.

Mrs. Mark Fern and her two children have been making her husband's mother, Mrs. A. J. Ferns and her family a visit for a couple of weeks. Lovell Ferns went back to Clear Lake with them the day after the Fourth.

Harry Morrison is threshing wheat over in the territory east of Talent and will soon be in the fields near Phoenix.

Miss Leah Parker is spending the week as the guest of her sister and husband, Mr. and Mrs. R. C. Brophy at Pine Blidge, Ore.

Mr. Lammner of Medford, who is demonstrating cooking utensils, has held a number of very interesting dinners in this vicinity. The first was at the DuBoque home, and the following week at the Bonney and Martin homes. These were very much enjoyed by those fortunate enough to receive an invitation.

## FORMER SARDINE CREEK GIRL IS A JUNE BRIDE

SARDINE CREEK, July 6.—The many friends of Florence Miller, formerly of this place, were much surprised to hear of her marriage Thursday evening, June 28, at Grants Pass, to Robert Starns, formerly of that place but now of Pacific Grove, Calif., where he is employed by the American Can company. Florence, who is the adopted daughter of Mr. and Mrs. Curtis Miller, was reunited last October with her own brother and sisters, from whom she had been separated since childhood, and has been making her home with them since at Newport and Toledo.
