

OLYMPIC STARS SAIL FROM N. Y. ON ROOSEVELT

Charlie Paddock, Contested Sprinter, Given Big Hand as Liner Sails for Amsterdam—Bands Play, Crowds Cheer, Wave Farewells.

NEW YORK, July 11.—(By the Associated Press.)—The Olympic team sailed for Amsterdam today aboard the President Roosevelt for the 11th time.

The big liner, bedecked with the flags of all nations and with "American Olympic Team" painted on it in letters five feet high, was accompanied down the bay by the municipal tug Macon. Its departure was the occasion of a tremendous ovation. Thousands massed on the pier and other places of vantage and cheered the athletes to the echo as they sailed, waving farewell.

Johnny Gibson, 400-meter hurdler, had his own personal band. It was provided by his home club, the Bloomfield (N. J.) Catholic Lyceum, in the colors of which he won his place on the team.

Charlie Paddock, storm center of an eleventh hour controversy which threatened to disqualify him on grounds of professionalism because of his appearance in a motion picture, was aboard just before sailing time and was given a big hand.

FOUR TEAMS ARE NOW TIED FOR 1ST PLACE ON COAST

(By the Associated Press.)—Behind fourth pitching by Jack Knight, Portland stepped out for a 5-to-3 win over the Mission, Harry Krause, veteran southpaw, had a wild streak and the Beavers got to him for six hits and five runs in five innings. Batteries: Krause, Davenport and Baldwin; Whitney; Knight and Ainsmith.

A double of runs in four innings gave Seattle a 4-to-2 victory over Hollywood. Led by Ruble with a double and a single, the Indians pounded the star twirler for a dozen hits while Cole held Hollywood to seven scattered bingles. Batteries: McCabe, Milcay and Agnew; Cole and Schmidt.

A long, eighth-inning home run drive by Speed Jolley carried the Seals to a 6-to-5 win over Sacramento and placed them in a four-way tie for first place in the Coast league. Pinelli gave "Dutch" Reuther a lead in the sixth when he lamed with one on, but the Seals came back and evened the count in the seventh when Sheely crashed a four-bagger with the bases loaded.

Another home busting ovation was staged by Oakland and Los Angeles, the Angels winning, 7 to 3, after Hood had clouted two homers, one with the bases full. Cunningham held the Oaks to four hits, but all were for extra bases, including homers by Lombardi and Arlett. Batteries: Wetzel and Lombardi; Cunningham and Haunah.

GIANTS DROP TO THIRD PLACE AS SENATORS GAIN

(By the Associated Press.)—The Giants, with its name still full of the glory of its recent triumph in the New York Series, after taking three straight on the chin at Pittsburgh, the Giants moved into the even more dangerous territory of St. Louis yesterday and encountered a storm of home runs that gave the league-leading St. Louis Cardinals an easy 5 to 1 victory. In the first game of the series, their defeat dropped the Giants into third place, Cincinnati moving up into the runners-up position by its 12 to 4 defeat of the Brooklyn Dodgers.

Hornett's single with the bases loaded in the ninth gave the Chicago Cubs a 7 to 6 decision over the Boston Braves in a wild battle at Wrigley field.

The Yankees drove in the tying and winning runs in the Pittsburgh Pirates' 6 to 5 victory over the Phillies.

The Washington Senators moved up to a tie for fourth place in the American league by beating the Cleveland Indians in both ends of a double-header, 9 to 5 and 9 to 4.

Lon Hobe and Frank O'Rourke led the St. Louis Browns to a 4 to 2 triumph over the Houston Red Sox in the opening game of the series.

GETTING READY FOR SPAIN YACHT RACE

SANTANDER, Spain, July 11.—(By the Associated Press.)—Extensive celebrations are being prepared for the arrival of the fleet of yachts now participating in the Spanish ocean race between the United States and Spain.

King Alfonso, donor of one of the cups to be presented to the winner, will preside over the festivities in honor of the competitors and the royal family will witness the arrival of the yachts from the Magdalena palace.

British, French and Italian warships will participate in the festivities.

At a school meeting held Saturday evening, Bill Roberts was elected director to complete the term of Nick Carter.

Mr. and Mrs. E. R. Stoddard and children and Mr. and Mrs. J. J. Simerville spent Sunday picnicking in Sams Valley.

Mrs. Colton of Ashland spent several days last week visiting with her family, who are spending the summer at Butte Falls.

Mr. and Mrs. Mark Baker spent Saturday and Sunday in Butte Falls.

N. T. Stoddard transacted business in Medford Saturday.

Mr. and Mrs. Eugene Richmond and Mr. and Mrs. Everett Moore spent Sunday at Lake of the Woods.

John Calkins and son Robert visited in Ashland Monday and Tuesday.

Mrs. Hunt and children, Lucille and Dorcas, were in Butte Falls, Ore., last night.

DROPS OF IODIN CURE COOLIDGE'S TROUT OF GOITER

SUPERIOR, Wis., July 11.—(By the Associated Press.)—Good health is so general at the summer White House that President Coolidge has turned his physician over to the treatment and care of the Cedar Island trout.

The fish in the famous hatcheries on the lodge estate developed a strange goiter-like ailment that deformed them and sapped their vitality. The hatchery attendants were helpless and watched with dismay the growths swell on the trout's necks.

Colonel James P. Connel, White House physician, to diagnosis and cure the evil.

Colonel Connel noticed that the small trout in one of the vats in which fish of various sizes are segregated in the hatchery had apparently hardly enough energy to move to get their food.

Nothing appeared to help the fish and there seemed nothing more to do but wait and hope for something to happen, when Colonel Connel became interested in the trout's state.

He dropped five drops into a bottle of iodine solution. He dropped three drops of it into the vat containing the small fish. Within five minutes the little trout, which previously had not had enough energy to fetch their food, were darting lithely and thither and thence.

He repeated the treatment daily. Within five days the goiters had virtually disappeared. Colonel Connel explained this by saying that the addition of iodine to the water relieved the thyroid glands from the necessity of producing much iodine. The glands therefore decreased in size and the goiters disappeared.

The hatchery attendants still regard the whole performance as nothing short of a miracle.

TOD MORGAN IS 6 TO 5 FAVORITE TO WHIP MARTIN

NEW YORK, July 11.—(By the Associated Press.)—If the rain holds off, Tod Morgan and Campbell Eddie Martin will get together for their much delayed junior lightweight championship battle at Ebbets field tonight.

Humbert J. Finney, who is promoting the 15-round bout, had a whole lot of luck with the weather so far in the outdoor season. The Morgan-Martin affair alone has suffered three postponements, twice because of rain and once because Finney figured July 4 was no time to hold a fight.

The Seattle 140-pound champion is favorite at odds of six to five to retain his crown. It will be no sensational upset, however, if Martin, former lightweight champion, succeeds in dethroning the Pacific coast titleholder. Martin gave Morgan many an uneasy minute in their recent 15-round championship battle at Madison Square Garden when the champion just managed to point out a decision on points.

RACE SCHOONER SINKS AT SEA; NO LIVES LOST

NEW YORK, July 11.—(By the Associated Press.)—The schooner Eola, smallest of the craft that started on June 28 from Annapolis harbor for Santander, Spain, in the race for the Queen Victoria cup, has been lost at sea. Her crew, including Mrs. William Dean of Williamstown, N. Y., wife of the captain and owner, have been picked up by the steamer Thetys, en route for New York.

The captain of the Thetys and a cabin steward that the Eola's crew was safe aboard and well. No details were given of how the yacht, 55 feet over all, was lost.

NO RELIEF FOR A WEEK FROM THE EAST HEAT WAVE

WASHINGTON, July 11.—(By the Associated Press.)—The heat wave which for a week has gripped the eastern section of the country, originated in the western Gulf of Mexico, moved in head as the hot air rolled north and east over the sizzling plains of Texas and other states, and may not end for a week or more, Dr. C. I. Mitchell, United States weather forecaster, said today.

The relief from the heat enjoyed by the east yesterday was due to cloudy skies and showers which prevented the sun from adding heat to the breezes that blow gently along the seaboard, but it is only temporary, the forecaster said. The heat wave, he added, will not be broken until the cool breezes from the north or northwest sweep the country and bring down the temperature of the hot winds from the Gulf. He said, however, there was no indication yet of the coming of the north winds.

Dr. Mitchell, in explaining the origin of the heat waves, said it was not unusual. Winds over the Gulf of Mexico, he said, moved northward over the hot Texas plains, raising in heat each day. The rain, he said, was due to the fact that short nights did not allow sufficient darkness to cool the winds and as they moved across

the country it brought a "heat down and lowering" of the temperature.

The duration of the heat wave, the forecaster said, would be from two to three days to a week longer, depending entirely upon the cool winds from the north sweeping

Use of Fly-Tox Reduces Disease

Scientists say that these early signs of typhoid fever, infantile paralysis, summer disorders and other filthy diseases, flies should be killed. Fly-Tox is harmless to people but sure death to mosquitoes, flies, ticks, fleas, and bedbugs as well as flies. Fly-Tox is fragrant, stainless, sure.
