AMELIA EARHART WILL BROADCAST FOR CHRYSLER

NEW YORK. — Announcement was made in New York today that Amelia Earhart, the noted flier, who arrived on the President Roosevelt, will tell her first personal story of the flight to the public in Madison Square Garden here on the night of Wednesday, July 11th.

Her companions in her famous flight, Wilmer Stultz and Lou Gordon—will appear on the platform with her.

Miss Earhart's story will be broadcast over a nation-wide hookup covering all red network stations, as well as supplementary stations, including the Pacific coast.

Miss Earhart's first public appearance on any lecture platform in New York, and her first exclusive radio story of her flight, are made possible then the courtesy of the Chrysler Corporation of Detroit, Michigan, manufacturers of motor cars. It is announced that the broadcasting of Miss Earhart's talk will start at 8 p. m. eastern daylight saving time.

Incidental to the appearance of Miss Earhart in Madison Square Garden, there will be an exhibition there of a complete line of the new Chrysler "75" and "65" cars, which have just been announced, as well as the new Chrysler Plymouth, built by Walter P. Chrysler, to compete in the low-priced fields.

A coincidence in connection with the showing of the new Plymouth car at the Garden when Miss Earhart appears there, is the New England characteristic attached both to the car and to Miss Earhart.

Mr. Chrysler gave the car its name, he says, because it so accurately typifies the endurance and strength, the rugged honesty, the enterprise, the determination and achievement, and the freedom from imitations of the Pilgrim band who were the first American colonists—all of which in effect have been said about Miss Earhart since she started her memorable flight over the Atlantic.

Wall Street Report

NEW YORK, July 11. — (AP) — Stiffening money rates brought about another sharp reaction in the stock market today.

An opening decline of one to seven and a half points was followed by a rally when the call money renewal rate was unchanged at six per cent. The subsequent calling of $20,000,000 in bank loans, accompanied by a tightening of time money and bankers' acceptances brought about another sinking spell after midday.

The closing was weak. Stocks were unloaded more freely when the bulls began to revise calculations as to plentitude of money supplies. Pools seemingly let their favorites seek their own levels with the result that some early declines were extended. Radio and Wright Aero were down about ten points and Montgomery Ward, Boston Oil and Adams Express around seven. Total sales approximated 2,500,000 shares.

Total Fire Loss Small.

SALEM, Ore., July 11.—(AP) The total fire loss in Oregon for June, outside the city of Portland, was today by Clare A. Lee, state insurance commissioner. Lane and Yamhill counties were the heaviest losers, each having a fire causing damage of $10,000.
