

ICE CREAM SOCIAL GIVEN AT TALENT BY COMMUNITY C.

TALENT, July 12.—Mr. and Mrs. Charley Lewis and Mrs. Lewis' mother, Mrs. Hill, were callers on their old friend, Marion Tyeer, the latter part of last week. Mr. Lewis is a son of Charles P. Lewis, one of Jacksonville's pioneer citizens who ran the engine on the Jacksonville railroad when the road was owned by Houghton, Lockhart & Co., who later sold the road to W. S. Harman. Old-timers will doubtless remember Mr. Lewis, who was engineer for about two years with Mr. Tyeer, who was fireman at that time.

The Community club met Wednesday afternoon at the club room. It was decided to give a sale and ice cream lawn social next Friday evening at the Community hall. There will also be dancing for those who wish to dance. Come and have a good time.

The Community club will meet again next Wednesday afternoon, it being the regular club day.

SHADY COVE HAS FOREST FIRE AND HOUSE IS BURNED

By MRS. JOHN LADEN
SHADY COVE, July 12.—Mrs. Dean Wheatman was brought here from the Community Hospital Sunday quite a lot improved.

Mrs. Ripley, who is still in the hospital, is getting better and is able to sit in a wheel chair.

This neighborhood was thronged into a fire Monday by the report of a fire on the west side of Rogue river and it had gained considerable headway before help arrived. At 9 p. m. it was badly centered but had burned the house occupied by Mr. Sutherland's people. The contents of the house were destroyed.

E. T. Griffin and wife and son of Oakland were visiting Mr. Laden while on their way to Crater Lake the Fourth. Mrs. Laden accompanied them and they found lots of snow and very cold weather at the lake.

There were several picnic parties in this place over the Fourth. Jack Zimmerman is very sick again and was taken to Medford Tuesday to receive treatment by a specialist.

Mrs. Laden is visiting with the Charles Humphries family for a time.

Mrs. Violet Todd has moved to Trail.

Some people talk about horses being more reliable than autos, but Moss Johnson has found out that horses, like autos, don't always work when you say "When" for last Saturday his team left him as he was about to start to drive in some hay, and after quite a run the team was stopped, but most of the harness was in pieces. No one was hurt.
