Indian Refining preferred soared 11 points, Midland Steel Products preferred five and a half, and Atlantic Refining, Kroger Stores, American Radiator, Shubert Theaters and Cudahy sold two to three points higher.

The closing was irregular. Total sales approximated 500,000 shares.

And He Deserves It.

SUBURBAN HOMES

STRAIGHT AND TO THE POINT

In this lovely valley are always desirable. At this time we have some very charming places listed at prices which should prove attractive. One of 3 acres with all extras, for $2750, only one mile from city limits, the best of land and with irrigation available. Any reasonable terms. Owners non-residents and say SELL! One with paid up water right on main highway for $1000 less than I was offered a year ago, impresses us. Thoroughly modern house and as fine a permanent green pasture as you can find. Good outbuildings, and for convenience and as a small dairy proposition, or for running a milk route, there is nothing better in the county.

THE COWS ALWAYS PROVE GOOD FRIENDS

And the time is ripe for installing small dairies close to the population centers, for the big profits come from the sale of whole milk. Then, don't forget that 30-acre tract with good buildings, free from water complications and possibilities for pumping; 15 acres seeded to alfalfa; good farm buildings, modern compression tank pumping plant for domestic use, lovely homesite, and all for $7500.
