We have something choice in tree props. Do not fail to see them. Big Pines Lbr. Co.

Sweating in the heat of the eastern Oregon sun, Dan Hooverman, local newspaperman, has been pitching hay for the past week at his uncle's ranch near Possil, according to reports which reached Medford yesterday. The reports indicated that he has developed a queer mania for hay pitching and can hardly be held back from handling a pitchfork. He is expected to return to the city next and friends are hoping he will again become accustomed to the routine of the copy desk.

We have something choice in tree props. Do not fail to see them. Big Pines Lbr. Co.

After having spent the past year with relatives in Salem, Vernon Schulz arrived yesterday to spend the summer here and probably make his home with his father, William Schulz.

A special type of tree props at Big Pines Lbr. Co.

Homegrown watermelons will soon be ripe at least in our field that is owned by Otto Bohner near Central Point, according to late reports, which indicate that the melons are growing fast. The vines are transplanted after having received an early start in the hot house Mr. Bohner operates on Portland avenue. He also transplanted cantaloupe vines and will probably have an early supply of these also.

Swim in drinking water. Merrick's chlorinated pool.
