BUILDING AND LOAN INVESTORS GET DIVIDENDS

Again the time has rolled around for the distribution of semi-annual dividend checks to stockholders in the Jackson County Building & Loan association, and the directors of this organization have taken that opportunity to review an unusually successful season. There is considerable building and improving of property in Medford and all Jackson county as evidenced by the loans issued by the association.

During the past 12 months, the books of the Jackson County Building & Loan association show that 244 people in this county secured loans, totaling $208,400. During this time, this association has paid to investors in their stock, the sum of $56,989.24 in dividends and have added to their surplus fund $9,666.04, bring the total of that fund to $36,276.51. The June 30th statement also shows a substantial gain in business over last year.

A constantly increasing number of southern Oregon people are purchasing the preferred and installment stock of the Jackson County Building & Loan association, according to O. C. Boggs, secretary and attorney for that organization. A new booklet, "How Shall I Invest My Money," is just off the presses and is being distributed to those interested in investments offered by the Jackson County Building & Loan association. The directors of the association are: O. C. Boggs, John C. Mann, J. J. Emmens, A. L. Hill, C. M. Kidd, T. W. Miles, W. J. Hartzell, Emil Mohr and R. E. Green. C. M. Kidd is president of the association. John C. Mann and J. J. Emmens are vice-presidents. T. W. Miles is treasurer. O. C. Boggs is secretary and attorney and A. P. Butler is assistant secretary.

A record of nineteen years of business in Medford without a penny lost to a stockholder is claimed by the Jackson County Building & Loan association. During that nineteen years, it is estimated that over two and one-million dollars have been loaned to people in this county for the building of homes and improvement of property.

FISK WILL HAVE RADIO PROGRAM MONDAY NIGHT

Fisk Tires are growing in popularity with southern Oregon motorists, according to the sales report of the Jennings Tire company, Medford dealers. Constantly increasing sales indicate a growing number of motorists here who are availing themselves of the tire quality offered this year by the Fisk Tire company.

"The introduction of the new Super-Fisk balloon has given a great impetus to the popularity of Fisks here," Sam Jennings said yesterday afternoon. "So confident are we that the Super Fisk will give completely satisfactory service that we offer buyers of this tire a year's guarantee against cuts, bruises, blowouts, defects and accidents—something unusual in the retail tire business," he stated.

The many thousands of radio fans have not been overlooked by the Fisk Tire company, according to Mr. Jennings. Regular Monday night programs are offered through stations KGO, San Francisco; KFI, Los Angeles; KGW, Portland; Komo, Seattle, and KHQ, Spokane, associated with the National Broadcasting company. Tomorrow evening at 9:30 o'clock the Fisk Time-to-Retire Boys will feature the famous Chauve Souris number, "Parade of the Wooden Soldiers," as one of their orchestral selections.

The old time number, "I'm Always Chasing Rainbows," will be rendered as a vocal solo in keeping with the ever-popular revival of some old time numbers on these summer day programs.

"The Spanish Shawl," a Schobel-Melrose orchestra novelty; "Mary Ann," "I'd Rather Cry Over You," "She's the Sweetheart of Sir Other Guys," for two voices, and "Grieving," for orchestra and vocal duet, indicate a wide spread of selection.

The opening number will be "My Pet," for orchestra and vocal chorus, and a second orchestra novelty will be "Persian Rug."

SUBURBAN HOMES

STRAIGHT AND TO THE POINT

in this lovely valley are always desirable. At this time we have some very charming places listed at prices which should prove attractive. One of 3 acres with all extras, for $2750, only one mile from city limits, the best of land and with irrigation available. Any reasonable terms. Owners non-residents and say SELL! One with paid up water right on main highway for $1000 less than it was offered a year ago, impresses us. Thoroughly modern house and as fine a permanent green pasture as you can find. Good outbuildings, and for convenience and as a small dairy proposition, or for running a milk route, there is nothing better in the county.

THE COWS ALWAYS PROVE GOOD FRIENDS

And the time is ripe for installing small dairies close to the population centers, for the big profits come from the sale of whole milk. Then, don't forget that 30-acre tract with good buildings, free from water complications and possibilities for pumping; 15 acres seeded to alfalfa; good farm buildings, modern compression tank pumping plant for domestic use, lovely homesite, and all for $7500.
