BULL MONTANA TO REFEREE MATCH HERE ON MONDAY

In addition to seeing George Duranent, the 240-pound Russian in action against Russian Mohammed, the Perrille Park wrestling mat fans next Monday night will also see Bull Montana, the movie actor and wrestler, who will referee the bout. Montana is coming to southern Oregon with the Russian and may spend several days in Medford, according to present plans.

Montana has been appearing this week in a comedy with Charley Chase at the Rialto theatre in the role of a prizefighter, pleasing all movie fans who have seen it. Mohammed is expected to arrive at the end of this week to make last minute preparations for the husky Russian, who has a long string of victories behind him. The Turk has been training in San Francisco and will be in perfect condition, ready to tackle any human on two feet. Local interest is high in Eddie Demmer's debut as a wrestler in the semi-weekly match with Ray Ritter, 270-pound Gold Hill boy, who has ambitions of throwing Ed (Strangler) Lewis at some future date. Demmer has been working out with Wood at the gym and is reported to be an adept wrestling pugilist.

Monday night's match will be given under the auspices of the Eagles Lodge as a benefit for its new band, which will play several selections before the card begins. The Dynges Brothers orchestra will also furnish music during intermissions.

TOMMY ARMOUR LEADS GOLFERS

WESTFIELD, N. J., July 18.—(AP)—Scoring seven holes in a 42-26-55, six under par, Tommy Armour of the Congressional Country Club of Washington took the lead at Schuylkill County club today in the first round of the metropolitan open championship. Leo Diegel took second place with a 32-35-67.

RICKARD HOPES TUNNEY WILL BE BEATEN BY TOM

SPECULATOR, N. Y., July 18.—(AP)—If Gene Tunney is visited today by Commander Richard E. Byrd, trans-Atlantic and polar flyer, the heavyweight champion will take a workout to fit himself for the defense of his title against Tom Heenev. Otherwise it will be a day of rest in the Tunney camp.

Gene is now down to 190½ pounds, almost the weight he will carry on the ring against the New Zealand. Therefore, he cannot afford to take off any more pounds in the training ring, but he is willing to risk this loss to entertain Commander Byrd, one of his intimate friends.

Another guest expected today was James J. Corbett, former heavyweight champion, who sent word that he was coming up to this Astorland beauty spot to look over the current ruler of Flottiana. Tunney today was dangerously near the fighting edge, and his handlers intend to give him just enough work to keep him from going stale. He is stronger than he has ever been in his career, and his punching, according to his training partners, has been speedier and more vicious than ever before. Both Harold Mayo and Billy Nichols, who swap blows with the champion during the training bouts, have worked with him ever since he became prominent in the heavyweight ranks.

Tunney was greatly annoyed by a report, accredited to Tex Rickard, promoter of the titular bout, that he intended to retire from the ring after his fight with Heenev. "I have never discussed that subject with Rickard," Tunney said. When Rickard visited Tunney over the week-end, the promoter frankly admitted that he hoped the challenger would be the victor. Rickard figures that if Heenev wins, he can immediately match the New Zealand for a battle with Jack Dempsey in September and, if he overcomes the man Tunney twice defeated, put on a title bout in London.

HEENEY WORKING ON SPEED FOR THE TITLE BOUT

FAIRHAVEN, N. J., July 18.—(AP)—With new sparring mates in camp and others on the way, the process of developing Tom Heenev's speed started today. From now on Heenev's trainers plan to send him against lighter, faster boxers, ranging from welterweights to light heavies.

Mickey Walker, world's middleweight title holder, lives in the nearby village of Rumson and has promised to aid the challenger in return for the courtesy "Squire" Mortimer displayed to him while he was in England for his fight with Tommy Milligan. Heenev starts his intensive training period showing traces of nervousness and irritability, signs accepted by the old timers as unfailing evidence that he is getting on edge. Little things are beginning to upset him. Before starting work yesterday he was besieged by photographers and while responding to their demands for poses he displayed evidences of crankiness that gave much satisfaction to his trainer, Jimmy Hennessy.

The challenger faced two new sparring partners yesterday and, while they hit the old hard rock with everything they had, he kept charging in until he got within range and then let punches fly from all sides. The new mates were James J. Braddock, a 170-pounder from Jersey City, and James J. Lawless, weighing 150 pounds and hailing from Harrison, N. J. As Heenev is preparing to fight a gentleman named James J. Tunney, nicknamed Gene, the new additions seemed to be quite in style.

Both Braddock and Lawless had no apparent trouble in hitting Heenev, but he never broke ground, never once changed his charming pace through the barrage they laid down all around him. Getting in close, he whaled away with his powerful arms, one jabbing Braddock with a left hook to the body and a short right cross to the chin. Braddock, rated as a hard puncher, said it was almost impossible to slow Heenev up.

CUBS AND BUGS GOING STRONG IN NATIONAL FIGHT

(By the Associated Press.)
Sensational sports by the Cubs and Pirates have added spice to the National league pennant race just when it began to appear as though the St. Louis Cardinals were going to make it a one-club affair somewhat similar to the situation in the American league, where the New York Yankees have distanced the field.

The Cubs and Pirates each recorded their eighth successive victory yesterday, with the Phils and the Boston Braves as their victims. Joe McCarthy's Chicago hopefuls upset the Phils, 4 to 3, only because Clyde Beck, usually weak with the stick, clubbed a home run with bases filled in the fifth. The Pirates needed to be on top of the Braves before they eked out a 7 to 6 decision.

Meanwhile the Cardinals gained an even break with the Brooklyn Dodgers by taking the last game of a four-game series, 7 to 1. Dazzy Vance was removed from the box after the Cards had scored five runs on nine hits in the first five innings. Jess Haines pitched a strange game for the league leaders, whose margin over their closest rivals, the Cubs, now stands at four games.

Southpaw Bill Walker was knocked out of the box in the first inning as the Cincinnati Reds salvaged one game out of the series with the New York Giants, 5 to 1. The Boston Red Sox came out of a slump that had carried them into the American league cellar, by stopping the Chicago White Sox's streak, 9 to 6.

POOR FARM HEAD SHOT BY INMATE; LATTER IS JAILED

ALBANY, Ore., July 18.—(AP)—Robert Andrews, manager of the Linn county poor farm, was in a hospital today with two bullet wounds in his lungs, and S. E. Frost, an aged poor farm inmate, was in jail on an open charge, accused of having fired the shots in an altercation at the farm last night. Another inmate named Jake was wounded in the forearm by a stray bullet.

Frost received a deep scalp wound from a cuspidor which Andrews wielded. Frost said he fired in self-defense, but other inmates declared Andrews hit Frost after being shot, and in an attempt to bring down the inmates.

Frost recently appealed to County Judge Payne asking to be allowed a subsistence fund so that he could leave the poor farm, where he said he was dissatisfied with conditions.

MARSHFIELD, Ore., July 18.—(AP)—John Robbins, a truck driver, was injured fatally Tuesday evening when he fell from a logging truck he was driving up a hill from Bennett creek near Myrtle Point. The truck backed down the hill and turned over, pinning Robbins underneath. Elmer Bell, who was in the cab with Robbins, was thrown clear. He extricated the driver in 15 minutes by jacking up the truck. Robbins died shortly after being taken to the Myrtle Point hospital. His back and chest were crushed.

BEAVERS BEATEN BY HOLLYWOOD HERO OF WORLD WAR FINDS KIN IN DEATH HOUSE

(By the Associated Press.)
Oakland hammered the offerings of Orman and took the Portland Beavers into camp, 8 to 3. Up to the fourth inning the game was fairly even, but from then on the Oaks dominated. Batteries: Orman, Couch and Roger Cronhead and Lombardi.

Hollywood's stars downed the San Francisco Seals in a hectic struggle that was anybody's best game until the last one was out. The score was: Stars, 5; Seals, 4. A triple play that stopped a Seal rally in the fifth inning featured the game. Batteries: Kinney, Folger and Bassler; Jacobs and Sprung.

With the score tied at six all in the seventh inning, Earl Sheehey knocked out a home-run that gave Sacramento a win over Seattle, 7 to 6. The Senators scored six of their runs in the second, sending Wilson from the box. Teachout

relieved him and kept the Oaks well in hand except for Sheehey's fatal home-run. Batteries: Wilson, Teachout and Rosehart; Kallio, Kinn, Keating and Beaswell.

HERO OF WORLD WAR FINDS KIN IN DEATH HOUSE

NEW YORK, July 18.—(AP)—Mrs. Anna O'Ryan and her daughter, Mrs. James Croke McLeer, were found asphyxiated today in their Dutchess home by the former's son, Major General John P. O'Ryan, commander of the 27th division in the World War.

The two women had been invited to visit the general at his Westchester estate several days ago. When they failed to arrive, General O'Ryan attempted to telephone them without success. He went to their home in Brooklyn today, accompanied by Major Lawrence L. DeLong.

The doors were locked and the

bell was unanswered. Forcing their way into the apartment, they found the bodies in the kitchen. The women had been dead four days, a medical examiner said. The bodies in the kitchen stove were open and the kitchen table set for dinner. The windows were closed.

PURE MILK IS THE PERFECT FOOD—and Seal-Kaps

Milk is your cheapest and most complete food. It carries the necessary protein to build muscle. It contains all of the five vitamins, those strange substances that help children grow, that create energy and increase resistance to disease.

Yet milk is the most easily spoiled of all foods. It must be protected in spotless dairies and bottling rooms. It must be guarded until the very moment you drink it. For this reason, we have adopted Seal-Kaps for our bottles.

Seal-Kaps completely cover the mouth of the milk-bottle. They protect it from contamination by flies, cats, dogs or germ-laden fingers. They are the most convenient milk-bottle cover. No prying with picks or knives. No splashing of milk on your clothes. Seal-Kaps can be taken off by a twist of the hand. And they make a handy bottle cover afterwards.

We are the only dealers in town that offer this safe and convenient bottle top to protect your milk supply. Telephone for your first bottle tomorrow morning.
