EX-MEDFORDITE AGAIN ON STAND **GRAIN HEARING** 

PORTLAND, Ore., July, 15. Bates of grain shipped from to northwest coust port should be lower than on shipments east because the coast porticial closer, Arthur Geory, attorney re-The resenting the Idaho State Granze said today in his testimony at th interstate commerce commission interstate confinences commission grain rate bearing. The Grange he represents has 5000 members. Geary's testimony was introduced to combat objections of Walter Scott, Kansas City representative, to lower rates on Idaho grain ship-and in the original former shipped to the to the coast. Idaho grain should flow south and east to Mississippi river and gulf port

The daho Grange is for lower rates to any port. Geary added, but it believes the best transportation policy calls for shipment to

tion policy calls for shipment to the nearest port. Hugh A. Martin, grain buyer for Keer, Gifford & Company, Port-land, corrobrated testimony favor-ing the Columbia river port differ-ential offered yesterday by A. M. Chrystall, grain buyer for Balfour, furthele & Co.
