## C. POINT PICNIC PROVES TO BE A GREAT SUCCESS

CENTRAL POINT, July 17.—(Special)—The annual Sunday school picnic was held Friday at the beautiful Lake Creek camp and proved to be one of the most enjoyable picnics that the Sunday school has ever held, mostly on account of the fine swimming facilities, which furnished a good place for the young people, and older ones, to enjoy the water and also a shallow place lower down the creek for the little ones to paddle in the water with no fear to parents.

The camp is on Butte creek and is supplied with plenty of tables, benches and places to build fires for coffee, etc., and furnishes an ideal place for a picnic.

Owing to the rush in farm and orchard work, several of the regular attendants of the Sunday school were unable to attend, but about 100 people met at the church at 9 o'clock and went in a body. Mr. Richmond furnished a large truck in which benches were placed, and he transported one of the jolliest bunches of the day—that was the children.

A beautiful picnic dinner was spread just at the edge of the water, which every one enjoyed. Various games were played, but the main feature of the day was the swimming. Ice cream in abundance was served.

Several of the young people were invited to the Charles Hezmalbach home Friday evening to enjoy an evening of table games and a general good time. Those present were the Misses Amy Johnson, Ruth Webster, Grace Merritt, Wynette Boswell, Lynette Hezmalbach; Messrs. Bob Merritt, Carl and Clifford Boswell, Philip and Everett Hezmalbach, Mr. and Mrs. Davis and Mr. Chas. Hezmalbach.

Mr. and Mrs. Arthur Webster, daughters, Ruth and Ruby, and son, Lorne, arrived home Thursday from their summer's vacation which was spent in taking an auto trip to their old home in Canada, and visiting their relatives and old friends.

They enjoyed their trip immensely, but claim their time was too short, as they weren't able to avail themselves of all the good things offered them. They recalled that the five years they have been gone from Canada has caused quite a change.

Mrs. Roy Nichols and small son and Mrs. Earl Heft and daughter Evelyn, are enjoying a camping trip at Crescent City this week. They left for that city Wednesday.

Mr. and Mrs. W. C. Nicholson and Mrs. Marie Slagle were Sunday visitors at the J. E. Boswell home. Mrs. Slagle was with a party of friends from Los Angeles, where she resides and they have been to Crater lake and Lake of the Woods and continued their way Sunday to the coast at Bandon and will return by the Redwood highway to Los Angeles.

Johnnie Bohmert and Louis Bohmert took their cousins, Mrs. and Miss Rawlinson for a slight sojourn trip to Crater lake Wednesday, returning to Central Point Thursday. Mrs. Rawlinson and daughter are making the Bohmert family of this place a few weeks' visit, and are spending the summer in an extended pleasure trip, having left their home in New York in May, and expect to continue it until September.

Mr. and Mrs. Bob Duncan and daughter, Elizabeth, enjoyed a picnic dinner in the Lathia park Sunday.

Mr. and Mrs. L. H. Hatfield were Ashland visitors Sunday.

Mr. and Mrs. Ayres and family were in town Sunday from the Wellen district, attending services at the Union church of Medford.

Mrs. Clark McDowell of Medford was in town Saturday visiting Mrs. Dora Bristol.

The music at the Union church was especially good last Sunday and is deserving of mention. During the morning services the ladies' quartet, consisting of the Mesdames Louise Griner, Francis Wyatt, Della Tex and Lulu Strohmeler rendered a beautiful song, "The Shepherd's Care." Clifford Boswell sang the solo, "The Way-side Cross" and the young men's quartet sang the chorus. In the evening Miss Lynette Hezmalbach sang a solo and James Harris sang the solo part in a song and was joined in the chorus by the young people's choir.

Mrs. Archie Parker and children, Marjory and Ernest, are spending the week with Mrs. Parker's mother, Mrs. Elliot. Mrs. Griner, Sr., who has been ill for several weeks, is improving and was able to be at the Sunday school picnic Friday.

Mrs. Kearney Robinson and daughter, Iva, of Etna, Cal., were callers in our city Saturday.

Miss Florence Hamrick and Miss Alice Soubrook have just closed a week's daily Bible school at Fairlie Hook.

Mr. Paul Martin and Mrs. Joe Dowell drove up to Ashland Sunday afternoon for a few hours in Lathia park.

at Little River, 25 miles from Roseburg, where she went as a delegate from this district and with several others represented the Medford Epworth League.

On Monday evening Miss Edith was decaying down to the Boswell home, where she found the surprise of her life awaiting her, which had been planned by her mother in honor of her birthday anniversary. She came in unsuspecting of foul play and after a few minutes' conversation with the family, she was surrounded by a room full of her closest intimate friends. The room had been tastefully decorated with English ivy and flowers by Dorothy Inman and Wynette Boswell. The evening was spent in various games and music, and at 10 o'clock the guests were invited out to the dining room, where a table loaded with ice cream and cookies awaited them, and a beautiful birthday cake had the place of honor, decorated in white and pink, and surrounded by presents. After the candles on the cake were blown out, refreshments were served and the merry time continued.

Those present were the Misses Mildred Burger, Lynette Hezmalbach, Ruth Webster, Wilma Shelley, Alice, Beatrice and Jessie Soubrook, Wynette Boswell, Grace Merritt, Dorothy and Edith Inman, Messrs. They went over the Redwood highway, down by Crescent City and spent a week at the home of Mrs. Love's niece, Mrs. Bernice Johnson at Field's Landing a few miles south of Eureka and also a week at Willow creek with Mr. and Mrs. Tyson Deak and family.

# Years of Service in MODEL T FORDS

Expenditure of few dollars may enable you to get thousands of miles from your old car

THE Model T Ford is still a great car. It led the motor industry for twenty years and it is used today by more people than any other automobile. More than eight million Model T Fords are in active service in city, town and country, and many of them can be driven for two, three and five more years and even longer at very small up-keep expense.

The cost of Model T parts and of necessary labor is unusually low because of established Ford policies.

The labor charge for tuning up the motor is only \$1. This includes replacement of commutator case, brush and vibrator points if necessary. Grinding valves and cleaning carbon runs from \$3 to \$4. Overhauling carburetor, \$1.50. Installing new pistons or connecting rods, \$6. Tightening main bearings, \$6. For a labor charge of \$20 to \$25 you can have the motor and transmission completely overhauled.

The labor charge for replacing rear axle shaft, drive shaft pinion or drive gear is \$5. All sockets and joints of front end can be tightened for \$1.50.

The steering gear can be completely overhauled for a labor charge of \$3.50. Muffler repaired for \$1.

The labor charge for repainting the Coupe is \$25. Sedan, \$25. Touring Car, \$20. Top deck of Coupe or Sedan can be replaced for a labor charge of \$4.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

See the nearest Ford dealer, therefore, and have him estimate on the cost of reconditioning your Model T Ford. He will tell you, in advance, exactly how much the complete job will cost.
