STIMSON URGES LAND REVISION IN PHILIPPINES

MANILA, July 20—(AP)—A thorough going revision of the land and corporation laws of the Philippine islands "to bring them up to a parity with modern legislation," was urged today by Governor General Stimson at the opening of the new session of the insular legislature.

With regard to this modernization of corporation law, Mr. Stimson said it was necessary "so as to insure the people who are willing to lend money to you that the enterprise in which they invest will be thoroughly, justly and equitably treated."

As to the land law revision, the governor general said:

"At the present rate with which the agricultural land of these islands is being distributed among their people, it will be 400 years before that great asset, that great guardian of the people's stability is fully put to use. This is not conservation; this is waste."

Colonel Stimson said "certain thoughtless critics" had sought to arouse suspicion and enmity with the argument that to invite the help of American capital "would be to institute economic serfdom to America."

"It would be hard to conceive a more serious error," he said. "By exciting an unfounded fear these critics would block the only avenue toward economic and therefore political independence of these islands."

Wall Street Report

NEW YORK, July 20.—(AP)—The stock market displayed a complete reversal of form today, selling off sharply at the opening and then rallying briskly. Early heaviness undoubtedly was due to speculative disappointment over the relatively small decrease of $48,000,000 in brokers' loans, but the marking down of the call money renewal rate to 5 per cent, the lowest since May 1, revived bullish enthusiasm.

Wall Street apparently was pleased at the sharp decrease in federal reserve rediscounts in the New York district. Importation of $1,000,000 in Canadian gold was more than offset by the withdrawal of $14,000,000 in earmarked gold for shipment to France. Fears of a stiffening of money rates later in the month still persist, and have a restrictive effect on trading.

The closing was firm. High-grade industrials were in demand in final dealings. American International, Allied Chemical and Union Carbide gained 3 to 5½ points. Warner Bros. Pictures extended its rise to more than 4 points. Wright Aero moved up 5¼ and Montgomery Ward 4. Total sales approximated 1,200,000 shares.

Sounds Like Home.

SMOLENSK, Russia, July 20.—(AP)—Several persons were killed, the crops down on 25,000 acres were wiped out and much livestock was destroyed by a fierce tornado, which hit the counties of Assuisk, Artemovsk and Tressevsk last night. First reports did not give any definite number of casualties.

Deny Murder Paroles.

SACRAMENTO—The state board of prison directors, meeting at Folsom prison, denied petitions of three life term murderers for parole. The petitioners were: Lewis Renand of Napa county; Peter Garbering, of Amador county, and Harry Dale, of Alameda county.

Death Was Accidental.

VALLEJO, Cal. — A coroner's jury decided Mrs. Ray Brandon, drowned in Carquinez straits last month, met her death accidentally after a skiff upset while she and three other persons were going from shore to a yacht. Her body was found recently near Sonoma.

Some Fruit Trees—Some Alfalfa

STRAIGHT AND TO THE POINT

Diversified farming may not always pay best, but the fact remains that fruit and alfalfa make a powerful combination in this valley. Water is essential to success with both. The ideal combination is one where sufficient fruit is grown to "cover the overhead" and enough cows and pigs kept to give the monthly income.

WE HAVE THAT IDEAL TRACT FOR SALE, CLOSE IN and at a reasonable price. It will prove both productive and profitable to the right man, one who knows farming. There's no maybe about it, for the man who works to win out with such a tract as this back of his efforts.
