Chick Kennedy of this city is again in the toils of the law, having been arrested near the Jackson Hot Springs dancing pavilion last Saturday night with Eddie Welsh, also of Medford on charges of moonshine sale, possession and transportation and breaking glass on the Pacific highway. The arrests were made by Federal officer Terry Talent, City Officer Sam Prescott of Ashland and state officers.

### FREE ICE STORAGE FOR EXHIBITORS AT COUNTY FAIR

The Jackson county fair board has completed arrangements whereby all exhibitors of fruit can take some of the Medford Ice Storage plant and the exhibit will be kept free of charge until ready to be placed. The only requirement is for the exhibitor to place his name upon the exhibit.

The fair board is also furnishing free hay for stock exhibitors. Under the directions of Secretary Dan Herring, the fair premises books are being distributed this week to all the fairgoers members of the county. The premium books can also be obtained at this office, the Chamber of Commerce, or the fair board. The books will be placed in practically every rural home in the county by the end of the week.

The construction work on the new buildings at the fairgrounds is well under way and they will be completed and ready for occupancy three weeks before the opening of the fair.

### LEGION BOX SEATS ARE GOING FAST

Box seats for the all circus Thursday afternoon, August 2, and the drum corps contest, Thursday night, are selling fast, according to a report today from the committee in charge of preparations for the state American Legion convention here next week. In order to avoid disappointment, local residents are urged to make purchases at once, as only a limited number of seats are left. The general admission tickets will be put on sale later this week and will be available at the chamber of commerce and other places in the city, to be announced later. The purchase of these tickets are also urged to be made early in order to avoid confusion at the main entrance gates at the fairgrounds. The ticket problem there is expected to be greatly reduced.

### TWO BOYS' DRUM AND BUGLE CORPS FORMED

Announcement was made this morning by Clayton Isaacs, organizer of the junior drum and bugle corps, that because of the large number of boys coming out for practice, instead of 20 as first planned, the group will include at least 10 members. After the American Legion convention, there will probably be two corps formed.

Ten boys are signed up to try out for the place of drum major tonight at the rehearsal, which will take place at the playgrounds off East Main street at 7 o'clock.

This week the directors plan to concentrate on drummers, with Mr. Isaacs directing. High fees in the charge of the buglers. Uniforms have been ordered for the musicians, the nature of the outfits being kept secret.

### WAR TROPHY FOR CITY ARRIVES, PORTLAND

A French "73" cannon destined as a war trophy for Medford, arrived in Portland last Friday, and is expected to arrive in Medford early this week. Before being sent to Medford, the cannon was made unfit for future use by destroying the bore of the large weapon.

### KIWANIANS EAT WATERMELON AND ENJOY FRANK CO.

Shiny sleeves and watermelon were the order of the day at the luncheon meeting of Kiwanians at the Hotel Medford at which members of the J. E. Frank Comedy company, playing on Sixth street next to the telephone office, entertained with a snappy vocal and instrumental program.

Half an hour of comedy sketches and jazz numbers and the children and guests forgot weather, long and lonely they applauded each performance.

A four-piece orchestra, composed of Lee Moody, drums; Miss Bonnie Weller, piano; Miss Sylvia Weller, violin, and John Karle, saxophone, played "Annabelle Lee" and "My Home." J. E. Frank sang "Salvation" "Sweetheart" and "Waiting for Ships." "That Never Come In," "Rollin' Along" and "After My Laughter Came Tears," sung by the vivacious Miss Anna Karle, were especially well received. A comic tale of a female out, by Jimmy Craig, and "In the Ozarks," written by Chick Sales and featured in "Gay Parade" were two clever numbers.

Carl Lathrey sang "Hard Hearted Hannah" and "There'll Always Be Room in My Heart for You." Last on the program was a cheery little Chinese ditty by J. Frank, C. Lathier and Jimmy Craig.

Guests at the meeting today besides the comedians were the following: E. E. McKinney of Portland, who is spending several days in the city decorating several windows with Old Gold Cigarettes using American Legion emblems and the national colors. Mr. McKinney is a member of Portland Post No. 1, and will attend the convention here in August; K. M. McDonald, St. Helens, Ore., Kiwanian, and W. D. Hostetter, recently of Bend, Ore., and a member of the club in that city, who is now connected with the Standard Oil company in Medford.

It was announced that the Chamber of Commerce forum luncheon will be an event of Wednesday, July 25, at the Hotel Medford jointly with members of the Lions club. Today's prize, an automobile, was donated by C. J. Gates, was drawn by C. N. Cady.

Roland Busch was chairman of the program.

### ALBURTUS TO BE BIG FEATURE AT RIALTO TONIGHT

A week of mystery is scheduled for the Rialto, beginning tonight when Alburto, probably the most popular performer that visits this city, begins his second engagement here. Since his appearance two years ago, Alburto has perfected many new stunts in science and added several illusions, including "Mother India" which has created a big sensation everywhere it has been presented.

Another India is a reproduction of Hindu cities, of the burning of the widow on the funeral pyre of the husband. While this might appear rather gruesome, it is said to be the opposite and a most impressive and beautiful act. Alburto, who was born and raised in India, is said to be one of a very few of the Caucasian race that has ever seen the actual sunset and is therefore in a position to present this amazing act in a faithful manner. Alburto will appear every night this week and at business Friday, Saturday and Sunday.
