

# TILDEN COMES FROM BEHIND TO BEAT LA COSTE

Big Bill, Playing Best Tennis of Long Career, Defeats French Star for First Time in Five Tries — Finish Is Dramatic.

ROLAND GARROS STADIUM, Antoul, France, July 27. —(AP)—Henri Cochet defeated John Hennessey by scores of 7-9, 9-7, 6-3 and 6-0 today in a challenge round, putting France and the United States even up with one match apiece today.

ROLAND GARROS STADIUM, ANTUL, France, July 27.—(AP) Big Bill Tilden today defeated his old rival, Rene LaCoste of France, in the first match of the Davis cup challenge round, by scores of 1-8, 6-4, 7-4, 6-3.

The American veteran came from behind after dropping the first set and outlasted the French master of machine-like strokes in one of the most grueling five-set struggles these tennis giants have ever waged.

By winning, Tilden gave his team a flying start in its drive

William Tilden

to regain the Davis cup from the French, who captured it a year ago in the United States.

Tilden's victory was his first over LaCoste in the last five times they have met, and it can be set down as an upset.

The Bill won in a manner as dramatic as were the events of the past week in which he was dropped from the team for alleged violation of the amateur rule—and then reinstated at the eleventh hour at the urgent request of the French people.

From the start the match was a duel for individual supremacy, as it always has been when LaCoste has met Tilden, and this time both had a great added incentive in the Davis cup.

Instead of making a great fight for the opening set, as he usually does, the lanky American today lost it at 8-3 and carried his sport in the next two sets. He carried them both at 4-1 and after the intermission was able to hold his own, winning the last of the two remaining sets and the match.

In the face of Tilden's own furious assault the mechanical precision of LaCoste was as nothing, and Tilden ran out the set with three straight games.

Tilden played one of the most magnificent matches of his entire career in proving decisively that they do come back. His triumph at least in part atoned for the reverses suffered at the Frenchman's hands in the United States last year when LaCoste beat him in the Davis cup play and also in winning the American championship. LaCoste earlier this season handed Big Bill a beating in a five-set duel in the British championship which he won, but this proved to be Tilden's day.

Bill Gets Ovation. "It was the best tennis match I ever played in my life," said Tilden after his victory over LaCoste. "Tilden was unbeatable today—by me, at any rate," declared Hennessey. "This keeper, the Davis cup will be harder than our adventures appeared to think," he added, "but we players were never under any illusion as to the task ahead of us."

"I played the best game I know." When Tilden entered the court he received probably the most tremendous ovation ever accorded a tennis player in France. "Big Bill" appeared drawn and thin and wore a worried look while LaCoste was imperturbable as ever. Both showed they were very much in earnest by the hard, three drives they sent over the net in preliminary volleying practice.
