Wall Street Report

NEW YORK, July 28.—(AP)—A further substantial recovery in prices took place in today's stock market. Buying orders were distributed over a fairly broad list, but centered largely in the high-priced industrial specialties, motors farm implements, steels and public utilities. The gains ran from 1 to 6 points.

Bullish enthusiasm was created by the relative ease of call money in the face of approaching month-end settlements. Favorable earnings reports and the optimistic tenor of the weekly mercantile reviews also helped to stimulate buying.

Montgomery Ward regained its old position as a market leader by climbing nearly 6 points to a new high record at 176¾. Commercial Solvents jumped 5½ points. Hudson Motors 4¾, and Radio, Eastman Kodak, Case Threshing, Electric Auto Lite, Lambert and International Telephone advanced 2 to nearly 4 points.

The closing was strong. Total sales aggregated 1,000,000 shares.

WINDOW WORKER TOPPLES TO DOOM

PORTLAND, Ore., July 28.—(AP)—A. W. Anderson, window cleaner, fell three stories from the Merchants' Trust building to the sidewalk today. He was in critical condition when rushed to a hospital. Anderson was believed to have fallen while he had his life belt disconnected as he was changing from one window to another.

PARIS, July 28.—(AP)—Burglars made a heavy haul during the night at the Paris residence of Mrs. W. K. Vanderbilt of New York, who is now on a cruising trip in her yacht.

GAS DEALERS FIX PRICE FOR WAR

PORTLAND, Ore., July 28.—(AP)—A large number of leading independent gasoline dealers in Portland today announced that a uniform price of 19 cents had been agreed upon.

This is the second step in a gasoline war which began when a number of smaller independent dealers cut the price to 19 cents.

The fixed retail price of gasoline is 21½ cents. The big companies, who wholesale the gas to independent dealers and who themselves have service stations, were sticking by the standard price of 21½ cents at their retail stations, but were continuing to sell wholesale to the independent dealers.

SAN FRANCISCO — Supporters of the iron canyon dam project near Red Bluff asked the San Francisco board of supervisors to contribute $1000 toward an $80,000 fund for preliminary expenses. The supervisors' welfare committee promised to investigate the legality of such a donation.
