COOL DAYS SLOW UP PRICES ON PORTLAND MART

PORTLAND, Ore., July 30.—(AP) Cooler weather tended to slow up trading on local wholesale markets here this morning and prices, especially on perishable fruits, were easy.

Tomatoes from The Dalles were in better supply and sold around $1.25 for 20-pound boxes.

Most vegetables and greenstuffs were unchanged in price and demand was generally slow. Cob corn was bringing $1.25 to $1.50 per sack of six dozen, with demand fairly good.

Watermelons were selling slowly, due to cooler weather. Dealers were asking from 2¾ to 3c per pound; cantaloupes brought from $2 to $2.50 per crate.

Deciduous fruits were plentiful and cheap. Apricots averaged around 75c per lug, the bulk of offerings being The Dalles and Yakima stock. California Elberta peaches sold mostly from 75c to 90c, while local offering were cheaper, due to poorer quality. Local yellow Transparent apples brought from 90c to $1.25 per 20-pound box, while California Gravensteins fetched $2.75 to $3 per standard box.

Berries were in limited supply, loganberries bringing $1.25; blackberries $1.50 and what few raspberries there were, $2 per crate.

Cherries were about cleaned up with only a few small lots offered.

Potatoes and dry onions were steady.

Country dressed meats met with slightly better demand this morning and the outlook is for better trade during the coming week.

Poultry prices were steady.

Butter and eggs were unchanged.

Wall Street Report

NEW YORK, July 30.—(AP)—An upward price tendency characterized the opening of today's stock market. Chrysler and International Nickel each advanced 1¾ points, and Radio, Wright, General Electric and Atchison advanced a point or so.

New buying power was attracted to the market by the fact that stocks had definitely broken out of the July trading area on the upside. The recent ease of call money in the face of heavy month end settlements also had a bullish effect on sentiment.

Buying orders were distributed over a broad list, but were most effective in the merchandising, airplane, drug and public utility issues. Montgomery-Ward and Atlantic refining moved into new high ground. Wright Aero ran up 4½ points, and Curtiss, Johns Manville, Eastman Kodak, International Nickel, International Telephone and General Motors extended their initial gains to 2 or more points before the end of the first half hour. American Smelting was one of the few soft spots.

CHINESE EXECUTE 'RED' PLOTTERS

CANTON, China, July 30.—(AP)—Seventeen persons have been executed in what the government describes as a new and extensive communist plot for an uprising.

The business community today feared a renewal of riots similar to those of December, 1927, and the early part of 1928.

Government troops throughout Kwangtung province were said to be in a sullen mood. Their ranks contain thousands of communists who might be involved in an uprising.

The announcement by the government of the discovery of the plot came after weeks of tranquility during which the Kwangsi province group controlling the Canton government had succeeded in establishing order. One hundred and forty-nine communists, including nine girls were arrested.

A DRESSY BANDIT ROBS A GARAGE

PORTLAND, Ore., July 30.—(AP)—John Callahan, attendant at the Hertz garage was held up and robbed of $60 in currency today by a youthful, well-dressed bandit who displayed no weapon but kept his right hand in his coat pocket as though he carried a revolver there.

Callahan was locked in a wash room, he told officers, while the bandit ransacked the office cash register, removing the money. The attendant later released himself.
