ONE, TWO THREE—AND GO!

And be ready to jump quick! Just for today we can offer a pear orchard which has fair crop maturing and on eighteen acres there stand as fine a lot of Bartlett trees as grow anywhere, in full bearing. Crop included, we can make you a bargain price on this holding, which will paralyze you if you have a nervous system.

A GENTLE SLOPE AND BUT LITTLE FROST AT ANY TIME. And the very best of pear soil. Water under Medford ditch system, with "Flood Water Right" paid up, reducing annual cost. This is one of our famous tracts, but death intervened and owners are strangers to the possibilities of our pear orchards. Quick action is absolutely necessary.
