

## WELCOME *Legionnaires*

and Members of the Women's  
Auxiliary!

**M**EDFORD considers it an honor and privilege to play hosts to members of the **AMERICAN LEGION** and **WOMEN'S AUXILIARY** this week. We hope that your stay in this city will be thoroughly enjoyable. While you are here, you should see the Rogue River Valley's famous orchards, visit the Owen Oregon Lumber Company's big mill, drive to Crater Lake National Park and swim and fish in beautiful Diamond Lake. Lithia Park, at Ashland, and the Oregon Caves, near Grants Pass, should not be overlooked and a trip to Klamath Falls and the Klamath Lakes would prove delightful. Medford is in the heart of Southern Oregon's vacation paradise—We know you'll like our country, and we hope you'll be equally as pleased with our hospitality.
