TERRIFIC HEAT KILLS SCORE IN MIDDLE WEST

CHICAGO, Ill., Aug. 4.—(AP)—A two-day torrid spell that took 20 lives has been partially broken in the middle west by violent thunder storms.

The relief was more damaging than the heat in the vicinity of Benton Harbor and St. Joseph, Mich., where high winds that accompanied yesterday's late afternoon storm unroofed some buildings and felled trees and poles.

A temperature of 94 degrees, the highest of the year in Chicago, was recorded at 4 p. m. yesterday, to be followed within a few minutes by a downpour which had washed the mercury down into the upper 60's early today.

Drownings and heat prostrations accounted for most of the deaths in Chicago. There was one death by lightning during last night's thunder storm.

The heat was general throughout the entire midwest, Ohio, Missouri, Indiana and Michigan reporting temperatures in the 90's. Most of the resort sections, filled with vacationists hunting surcease from the torridity, had their share of heat, except in northern Michigan, Wisconsin and Minnesota, where temperatures were moderate.

DEMOCRATS FORM ANTI SMITH CLUB

RALEIGH, N. C., Aug. 4.—(AP)—An organization opposed to Governor Smith was formed here last night by a group of Wake county democrats. The meeting was attended by the Rev. C. A. Upchurch, state superintendent of the Anti-Saloon league and by the Rev. J. Powel Tucker, D.D., pastor of the First Baptist church who delivered an attack upon the Catholic church and upon newspaper editors who criticize the clergy for political activity.

ROCKET CAR AGAIN COMES TO GRIEF

HANOVER, Germany, Aug. 4.—(AP)—Another of Fritz VanOpel's rocket cars has come to grief.

The car Rak IV, was making its first test on a railroad track from Burgwedel to Celle and was derailed at the same spot where the Rak II. left the rails on June 23. One rocket exploded the wrong way and the Rak IV. was wrecked. There were no casualties. Further tests were postponed indefinitely.

AL SMITH CAN'T SWIM AT CONEY

NEW YORK, Aug. 4.—(AP) There was a time when Governor Alfred E. Smith could bathe at Coney Island with the rest of the sweltering millions, but that day is no more.

The governor and a party of friends sought to take a dip in the surf at the famous resort yesterday, but before he could get knee deep in the water he found himself the center of a frenzied mob clamoring to shake his hand or get a close view of the democratic presidential nominee.

STANFORD UNIVERSITY, Cal., Aug. 4.—(AP)—With preparation of his acceptance address finally behind him, Herbert Hoover, republican presidential candidate, was ready today to give his full attention to matters of party organization and strategy. Early next week he will begin a series of conferences with party leaders concerning these questions. Among these will be Chairman Work, of the republican national committee, who will bring first-hand reports on the progress of the building of a nation-wide machine for the coming campaign, upon his arrival here for the notification ceremonies one week from today.

Underinsured Is Not Insured

Of course, a small amount of insurance is better than no insurance, but a dwelling insured for only half its value cannot be replaced with the claim money in case of destruction by fire.

Has your insurance coverage been increased in proportion to the increase in the valuation of your property?

If not, let us go over the matter with you and provide full protection on the most advantageous basis.

DENVER DOCTOR HELD A FORGER OF WIFE'S WILL

DENVER, Colo., Aug. 4.—(AP)—Accused of forging a will under which he was made beneficiary of his divorced wife's estate approximating $1,000,000, Dr. W. G. Fordham, physician and chemist of Denver, was arrested in Hot Springs, Ark., today on the advice of Denver authorities.

Prosecuting authorities alleged that Dr. Fordham had written the will shortly after the death of Mrs. Fordham in Hot Springs on July 7, 1927, and specified that he should be the sole heir of the estate. The will was probated in Hot Springs, Ark., where most of the property involved is located.

Pressing their investigation on the strength of a story told by Eldridge Price, wealthy Texas oil man, who claims a part of the property in the estate, authorities said several other persons besides Dr. Fordham would be named defendants. These included the attorney who drew the will, officials said.

Price, who recently was arrested in Denver on a charge of defrauding Mrs. F. A. Montgomery of Memphis, Tenn., of $20,000, said his arrest was part of a conspiracy to keep him from telling what he knew about the will.

Dr. Fordham recently was successful in litigation at Hot Springs through which he recovered from Price a large amount of property owned by his former wife. He charged Price obtained the property through fraud.

HOT SPRINGS, Ark., Aug. 4.—(AP)—Emphatic denial through his attorneys of charges that he forged his divorced wife's will to become beneficiary to an estate of approximately $1,000, was made today by Dr. W. G. Fordham, prominent Denver, Colo., physician and chemist, following his arrest here on a felony warrant telegraphed by the chief of police of Denver. He was released under bond of $1000 for his appearance next Saturday before Municipal Judge Y. S. Ledgerwood.

The charge, Dr. Fordham's statement said, appeared to have been instigated by Eldridge Price, Texas oil man, who recently lost possession of the Potash Sulphur Springs property, six miles from this city, in litigation brought by the physician to set aside the contract of Mrs." Fordham, who died at the state hospital for nervous diseases July 7, 1927, made with Price.

DAYTON, Ohio, Aug. 4.—(AP)—E. H. Turner, reported to have been killed in an automobile accident near Colorado Springs, started from here with several friends for his Colorado ranch last week. He is an attorney here.
