## WEED TO MAKE A SPECIAL EFFORT TO BEAT LOCALS

Lefty Colledge of Oakland, Cal., a likely pitching prospect for the Oakland team of the Coast League next season, will do the twirling for Weed in the fourth game of the championship series with the Medford Merchants next Sunday at the fairgrounds. The locals have seven left-handed batters and they do not rely on the twists and curves of Colledge, but are desirous of getting revenue upon Colledge for the 5 to 2 defeat he handed them on his first appearance.

Cliff Best, also left-handed, will do the pitching for the locals, and the game ought to be a battle of left-handers. Best is in good form, and in his last appearance struck out 14 of the heavy-hitting Salem team.

## GIANTS ARE ONLY FOUR AND ONE-HALF GAMES FROM TOP

(By William J. Chipman, Associated Press Sports Writer)  
The Cardinals must remain favorites for the National League pennant so long as they play a steady game and keep their games close column in better shape than the Giants. Cardinal pitching again had an off day at the Polo grounds yesterday when Willie Sherdel and Harold Hald took a beating which netted the home team a 10-6 victory and two out of three on the series, one game of which was postponed to September 21, an otherwise open date.

The success of the Giant arms reduced the margin of the Cardinals to four and one-half games, with a difference of only two games in the lost column.

After posing as contenders, or semi-contenders, through two-thirds of the season, the Robins have finally assumed their normal position, with every assistance from the thoughtful Pirates.

Ray Kremer surprised himself with a neat game yesterday as the Blue-jackets fought through to their third one-run decision in Brooklyn in two days, and their fifth straight in the east. The score was 4 to 3.

At Philadelphia, in the intense disgust of Joseph Vincent McCarthy and his fellow Cubs, the Phillies were blinding up their fourth straight against St. McCarthy's ex-contenders.

The Baker boys pulled out in the last of the ninth, 4 to 3.

The Reds ran their string of losses to eight straight by permitting the Braves to win both games of a double header at Boston yesterday, 6 to 3 and 12 to 1.

The American League teams were engaged in travel, or in exhibition engagements.

## BRITISH DUKE FISHES ROGUE

Nobility in disguise has been fishing in the Rogue this week, Charles Howard Nelson, known as Duke De Kawa-ge of London, England, from his baronet and expert angler, requested several times to conceal his identity, but the news finally leaked out yesterday.

Wallace Williams, local hunter, trader and trapper, who accompanied the Englishman on several of his fishing expeditions in the valley within the week, claims that the duke knows his fish.

Last year Duke De Kawa-ge spent four days fishing in the Rogue and escaped without being recognized as an important personage. He claims to have fished the world and fished in many streams, but maintains that the Rogue has a fascination all its own.

## U. S. A. SWIMMERS WIN 3 PLACES IN BACKSTROKE RACE

AMSTERDAM, Aug. 9. — (AP) — George Kojac of New York, member of the United States team, won the 100-meter backstroke swimming championship today in the Olympic water sports. Walter Lauffer of Chicago was second.

The Americans made it 1-2-3 as Paul Wyatt of Uniontown, Pa., finished third. Kojac's time was one minute, eight and one-fifth seconds, a new world's record.

Kojac and Lauffer, racing in adjacent lanes, numbers 1 and 2, lashed out like Dutch windmills in a race, pulling away from the opposition in the first 50 meters and both finishing at a speed remarkable for backstroke swimmers.

Wyatt, their teammate, after staying a few feet behind tripe of Japan, almost jumped out of the water in a great finish which enabled him to snatch third place away from the Oriental athlete. The times of the first three finishers were 1:08.1, 1:19, and 1:21.

In a consolation upset, Albert Zentli of Argentina won the 100-meter free style championship. Andrew Charlton of Australia was second. Arm Borg of Sweden, third, and the Americans, Clarence Coombe, Austin Clapp and Ray Ruddy, fourth, fifth and sixth, in that order.

The American team won the women's 100-meter relay with Britain second and Holland third. By winning the relay final, the four members from the United States retained the championship, as the title was won in 1924 by an American team, headed by Gertrude Ederle.

The Yankee girls' victory was won in the new Olympic record time of 4:17.3-5, which is 11 1-2 seconds faster than the former mark set by the United States team four years ago.

AMSTERDAM, Aug. 9. — (AP) — The United States won the first elimination heat of the 200-meter relay in the Olympic swimming today. Japan was second, Sweden third and Argentina fourth and last. The first two teams finishing in each heat qualify for the final.

## GENE TUNNEY & FIANCEE ENJOY FOG PROTECTION

SOUTH BRISTOL, Me., Aug. 9. — Gene Tunney today apparently was content to remain in the seclusion of the Lander estate on July 22nd, with photographers and newspapermen who awaited the appearance of the retired heavyweight champion and his fiancée, Miss Josephine Lander, were foreshadowed on the mainland.

While it was established that Tunney was within halting distance of the press cameras, since his arrival at the 20-acre island he has been lost to view and efforts of outsiders to land on the shores of his retreat have been rebuffed to bulky fishermen acting as guards.

With fog hanging over the coast line, it was considered possible that Tunney could evade watercraft eyes if he should wish to leave the island. Mr. and Mrs. Frederick Kevine, uncle and aunt of Miss Lander, reside on H-Island, adjacent to John's Island. H-Island, easily reached by the Lander motorboats, is connected to the mainland by a small bridge.

## BON STEIN WINS AMATEUR TITLE

ABERDEEN, Wash., Aug. 9. — (AP) — Bon Stein of Seattle, Washington amateur champion, broke the course record with 66, four under par, to take medalist honors in the Washington state amateur event from Tom McHugh, British Columbia amateur titleholder, in an 18-hole play-off yesterday. Stein's perfect golf brought him through six strokes ahead of the Canadian, and clipped a stroke from the competitive record of 67, set twice by Walter Burser, Seattle professional, in winning the state open title this week.

Stein and McHugh tied at 71, a stroke ahead of Joe Hughes of Wenatchee.

# WALLACE BEERY in Blindfold test of leading cigarettes . . . says no brand can "double" for OLD GOLD

WALLACE BEERY

"You have heard of some actors that can't be 'doubled' in the movies. Well, Old Gold is like that. No other brand can 'double' its fine flavor and smoothness—even in the dark. That's why I picked it in the blindfold test. And that's why—from now on—Old Gold and I are going to be 'Partners in Crime.'"

Why you can pick them . . . Three types of leaves grow on the tobacco plant . . . coarse impurities, irritating to the throat . . . withered ground-leaves, without taste or aroma . . . and the heart-leaves, rich in cool and fragrant smoking qualities. Only the heart-leaves are used in Old Golds.

## How the test was made . . .

This test was conducted by the representative of a leading Eastern university and a disinterested witness selected by them. Mr. Beery was asked to smoke each of the four leading brands, while blindfolded, clearing his taste with coffee between smokes. Only one question was asked: "Which one do you like best?" He chose Old Gold.

## Do you enjoy your food?

If you do not enjoy your food it is a true sign that you are losing your appetite. And when your appetite is "gone" it means you haven't the resistance to ward off disease. Loss of appetite is only a symptom. General weakness pervades the entire body. There is no desire to work or play.

Rich, red, blood builds and sustains  
Your physician will tell you that lowered vitality is the result of an insufficient supply of red blood cells—those vitalizing elements in the blood that nourish and sustain the body.

When you get your red blood cells back up to normal, that sluggish, let-down feeling, loss of appetite, rheumatism, boils, pimples, and skin troubles disappear. You get hungry again; sleep soundly; solid flesh takes the place of that which was once flabby. You feel strong; and your nerves become steady.
