

NEW SCHOOL IS DEDICATED AS A MEMORIAL

\$75,000 School House at Bath, Michigan, Opened As Result of Most Horrible Crime in State's History—Senator Couzens Is Lauded.

BATH, Mich., Aug. 18.—(AP)—Bath bid today for a little space in the papers; not for the screaming black headlines which a year ago told the world that 44 lives, mostly of small children, had been lost in the dynamiting of a school-house; it asked only for a few inches of type, back among the advertisements, maybe, to tell the world the sequel to that other tragic event.

Bath today dedicated its new \$75,000 school, the James Couzens Agricultural school which has risen to replace the building destroyed by Andrew Kehoe's dynamite. Kehoe planned and executed what has been called the most horrible crime in Michigan history because he had brooded long and unhapily over the cost of the consolidated school. There will be no heading over expense this time. The generosity of United States Senator James Couzens and others has taken care of that.

When Kehoe dynamited the building, killing himself with 43 others, he all but wrecked the village financially. Bath, with its children dead in nearly every home, faced in its personal sorrow the material task of building a new school before the old one was paid for. Senator Couzens then offered to finance a new building, and offers of help came also from other quarters.

So today Bath took over the James Couzens Agricultural school. There are two bronze tablets, one on each side of the school entrance. One tells of the generosity of Senator Couzens and others; the second expresses gratitude for the sympathy extended the parents of the children affected by the tragedy.

In the foyer of the building is the bronze figure of a little girl with a kitten under her arm. It is Bath's memorial to the victims of the blast; it symbolizes, too, the reassertion of Bath's unbroken spirit. School children in all parts of the state contributed the pennies, nickels and dimes that purchased it.

At one side of the statue is to be placed a third bronze tablet. It will bear the names of the children who were killed.

NOW WIFE SAYS FLYING HUSBAND HAS THREE WIVES

SAN FRANCISCO, Aug. 18.—(AP)—Memory of a third Mrs. Harry W. Lyon looms today in the affairs of the navigator hero of the Southern Cross.

Mrs. Emma Meier Lyon, who received an annulment yesterday of her marriage to the navigator, confirmed her former husband's statement that his first wife was dead.

"Of course his first wife is dead," she declared in response to Lyon, who is now in the east.

"But by that he doesn't mean Jane Lyon, now in Maine, as he wants the world to believe."

"She is only his second wife. I was his third."

"I knew his first wife. She was Lucy Mower of Salt Lake City. They married in Hedwood City and were divorced later. I knew they had been married, but he never told me of his second wife."

The Noted Dead

NEW YORK, Aug. 18.—(AP)—Maude Granger, noted actress who on her retirement two years ago had founded out a career of 55 years on the stage, died yesterday at the age of 77.

Mrs. Granger, whose real name was Anna Heinsbard, was born in Middletown, Conn.

She made her debut in "A Woman's Heart," in the Old Union Square theatre. She played in such old time successes as "The Two Orphans," "The Planter's Wife," "Broken Hearts" and "My Partner."

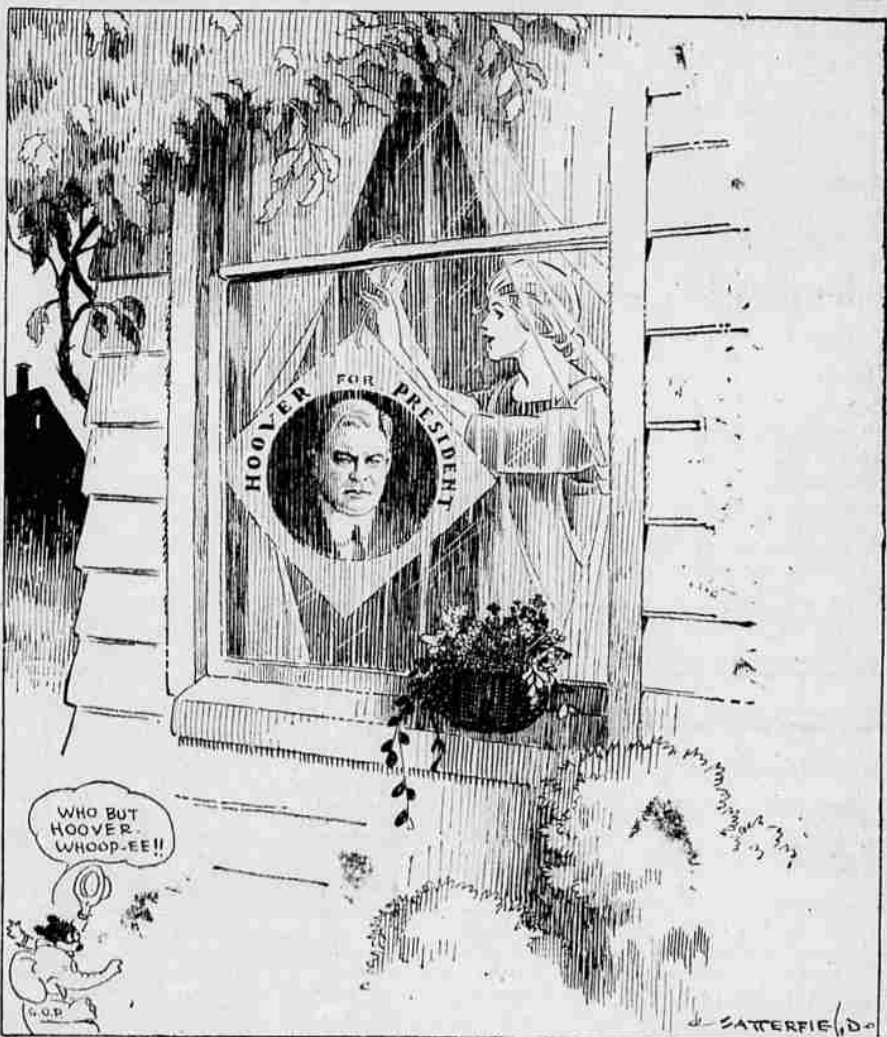

TACOMA, Wash., Aug. 18.—(AP)—William R. Rust, 78, prominent Tacoma capitalist and a leading citizen of the city for the past 35 years, died suddenly last night following an operation.

Mr. Rust came to Tacoma in 1890 after gaining success in mining operations in Colorado, and purchased a controlling interest in the Tacoma smelter. He developed this plant into one of the great industries of the west and in 1905 sold it to the Guggenheim interests.

Let Him Have It

BENZLAU, German, Aug. 18.—(AP)—Another what-if record: Edward Kemp of Ben' in claims a new world mark of 82 hours continuous piano playing.

JUDGE FLAYS DRY SALEM FRAT LOSES RICH HUSBAND OF LAW VIOLATIONS CASE TO GET TAX AS CRIME CAUSE FREE EXEMPTION

PHILADELPHIA, Aug. 18.—(AP)—Two men and two women were taken into custody by police last night in connection with the recent deaths at the hands of gangsters of Hugh McLoon, cafe proprietor, and Manuel O'Leary, suspended racketeer.

Samuel Feldman, captured by police after an automobile chase, and Francis Peterson, arrested at an apartment house, were charged with the two killings.

Jennie Brooks and Grace Williams, apprehended at the same apartment house where Peterson was found, were held as suspicious characters.

In the apartment occupied by the Brooks woman, police said they found two shotguns of the same type used in the murder of McLoon and also bullets of the same caliber as those which entered his body.

Judge Edwin O. Lewis has ordered the grand jury to make a sweeping investigation into the crime situation in Philadelphia.

"There are two things which offer the greatest menace to our government and our civilization of the United States," he told the jury. "One of them is the widespread and thoughtless flouting of the prohibition law.

"The other is gang warfare, manifesting itself in organized bands, who violate the customs laws by smuggling rum and who murder their rivals in trade. And then the organized criminals who practice highway robbery, pay-racket holdups, bank holdups, and whose conduct, whose boldness, whose desperate ruthlessness ought to have aroused indignation in every home in Philadelphia, Chicago and New York long ago."

Slapping of Hip Pockets Nets 18 Arrests in N. Y.

NEW YORK, Aug. 18.—(AP)—Hip pocket slapping by customs agents at the French line pier resulted in 18 visitors to the liner Le de France being taken into custody last night with liquor.

Most of the 18 had fines at the pier to avoid publicity, said William S. Conroy, chief of customs inspection, who added that the liquor found was not domestic moonshine.

Four thousand male visitors—many socially prominent—were "slapped" as they left the vessel. A dress suit was no badge of immunity.

TORNADO SWEEPS ALGERIA COAST SCORES KILLED

PARIS, Aug. 18.—(AP)—An Alger dispatch to Le Temps Parisien today said 15 persons had died and 50 had been injured in a hurricane accompanied by a tidal wave and earthshocks which devastated the coast of Algeria, principally between Dougie and Jijel. The property damage was described as "immense."

As waves were down the full force of the disaster has not been told yet. It is known, however, that a dredger towed by a steamer foundered near Dougie. Five of the crew of seven were drowned.

At Jijel a number of houses collapsed or were unroofed. Eight to ten persons were killed and 150 injured. Trees were uprooted.

Aid is being rushed to the district but the roads have been obstructed, making approach difficult. Food, tents and other supplies are on their way with a detachment of 50 military engineers.

NANSEN BELIEVES AMUNDSEN DEAD

OSLO, Norway, Aug. 18.—(AP)—The newspaper Thienis today quoted Dr. Fridtjof Nansen, Arctic explorer, as saying that in his opinion Roald Amundsen, who flew north to aid in the Italia rescue work, was not alive.

"In any case," he added, "the chances of his being alive are very small."

GRANTS PASS WANTS NEW WATER SYSTEM

SALEM, Ore., Aug. 18.—(AP)—The city of Grants Pass has sent a resolution to the public service commission urging that the commission hold a hearing on the city's complaint against the Rogue River Water company. The city alleges that the company's equipment and facilities are inadequate.

RAILROADS SAY OREGON TONNAGE NOT SUFFICIENT

PORTLAND, Ore., Aug. 18.—(AP)—Figures offered to the inter-state commerce commission as to tonnage likely to be handled by a cross-state railroad were questioned today by H. E. Lounsbury, general freight agent for the Union Pacific railway.

Mr. Lounsbury took exception to estimates which had been made by Hal Wiggins, rate expert for the state public service commission in statistics offered in support of the state commission's petition for the proposed railroad.

Mr. Lounsbury offered figures which he said were taken from reports on actual tonnage in two years. Wiggins, he declared, had used a report compiled of six alternate months, multiplied by two. He said this could not be accurate but was merely an estimate.

Mr. Lounsbury's report showed a decrease in shipment of bonded and was asked by Examiner John D. Rogers if that meant that coal production was on the decrease. Mr. Lounsbury said that was not necessarily true but it did mean that it was impossible to estimate the amount of tonnage which would be available for the proposed cross-state railroad, as production varied.

He added that many of the farmers were dissatisfied with the production of that crop. When cross questioned he admitted that there were also many who were quite satisfied.

In showing the livestock carried by the various lines, Mr. Lounsbury said many carloads passed through Oregon to different northwestern markets such as Tacoma and Seattle. By citing these reports he attempted to disprove statements by witnesses produced by the public service commission, indicating the northwest market was oversupplied and that this country needed an outlet to eastern and southern markets.

The hearing adjourned at noon, to reopen Monday morning with the railroads continuing their case.

KELLOGG GIVEN A RAW SEND-OFF BY U. S. RADICALS

NEW YORK, Aug. 18.—(AP)—Just before the French liner Ile de France, with Secretary of State Kellogg aboard, sailed early today, a delegation of members of the Anti-Imperialist league staged a demonstration at the pier protesting the treaty he plans to sign in Paris.

One speaker leaped upon an improvised platform and began a violent harangue against the signing of the treaty. This was a signal for the others to unfurl banners with these legends:

"Hands Off China," "Hands Off Nicaragua," "Withdraw United States Troops from Latin America" and "Independence for Porto Rico and the Philippines." The banners were seized by French line policemen who ejected the distributors. There were no arrests.

SECY. WILBUR FOR HOOVER STRONG

PORT ANGELES, Wash., Aug. 18.—(AP)—A word of praise for Herbert Hoover, republican presidential nominee, was delivered by Curt D. Wilbur, secretary of the navy, here today before leaving with the Pacific fleet for California ports. Secretary Wilbur left San Francisco aboard the battleship New Mexico which has been maneuvering with the Pacific fleet on Puget Sound waters the last two months.

All units of the fleet except those stationed at the Puget Sound navy yard at Bremerton departed for the south this week.

"I am one hundred per cent for Herbert Hoover for president," declared Secretary Wilbur. "The reason is that I firmly believe he can do most for the development of the Pacific coast and the entire United States."

CORVALLIS LEGION TO PUT ON AIR CIRCUS

CORVALLIS, Ore., Aug. 18.—(AP)—An air circus has been scheduled by the American Legion post for Corvallis for Sept. 29-30. Plans for the circus were made at a special meeting of the post on the new airport north of the city.

Legion members and others are engaging nightly in the task of getting the field in shape for use by all types of planes.

Fifteen committees will assist E. Paul Walters, general aviation chairman, in the work of organizing the circus. A prominent feature will be an air race from Portland to Corvallis on the first day which also marks the opening of the football season, with a game between Oregon State college and the California Aztecs.

Sports LOS A. WOMAN RETAINS TITLE WESTERN GOLF

INDIAN HILL CLUB, CHICAGO, Aug. 18.—(AP)—Mrs. Harry Pressler of Los Angeles today won the women's western golf championship for the second year in a row by defeating Virginia Wilson, Chicago, 7 and 6 in the 36-hole finals.

CHICAGO, Aug. 18.—(AP)—Mrs. Harry Pressler of Los Angeles victoriously clinched her second successive western golf championship by going into the home stretch of the 36-hole finals, 5 up, on Virginia Wilson of Chicago, after having been as much as 4 down early in the 36-hole match.

INDIAN HILL CLUB, CHICAGO, Aug. 18.—(AP)—Scoring 4-37-79, Mrs. Harry Pressler of Los Angeles today gained a scant lead of one up over Virginia Wilson of Chicago in the first 18 holes of the finals for the women's western golf championship.

Mrs. Pressler had to score 3 under par on the second nine to gain the slight advantage as the Chicago girl started the match with a scorching game that gave her a 4 up lead at the end of the fifth hole. Then Miss Wilson's putter fumbled and she was not so good after missing a three-footer at the sixth hole for a birdie, the ball hopping out of the cup after being in the container.

The defending champion then unleashed a game worthy of a man and scored eight pars and four birdies in the last 13 holes.

Miss Wilson had scored the first 9 in par 41 with three birdies, while her opponent took 42 with an out of bounds. The Chicagoan finally picked up on the ninth as she was stymied for a five, while Mrs. Pressler barely missed sinking a 12-foot putt for a deuce.

But this brilliant display of golf was not so much better than Miss Wilson's, as the latter, except for the eighth, ninth and 11th, played four under par and tallied 41-41-82.

Mrs. Pressler's only poor 4 in the woods portion from the second to the fifth holes, where she said mosquitoes bothered her so much she lost three strokes. She pulled out of bounds on the third and then sliced to the woods.

250,000 PEOPLE SEE BRITISH ACE WIN AUTO RACE

RELFAST, Ireland, Aug. 18.—(AP)—Kevin Don, noted British automobile racer, won the Royal Automobile club's international tourist trophy car race over a 410 course here today.

Leon Cushman of Great Britain in an Avlys car was second. Don, who drove a Le Francis car, carried a horse shoe, a black cat and a four-leaf clover for luck. His average speed was 64.06 miles per hour.

The race was marked by a number of accidents and withdrawals in which several cars were wrecked and one man injured. He was W. U. Dykes of Great Britain, who crashed at Newtonards and was taken unconscious to a hospital.

J. M. Anderson of the United States had a slight crash half way around the track, but continued. Baron D'Erlander retired from the race with a disabled car; E. Maclure, British entrant, skidded into a bank and withdrew; J. D. Barnes, another British entrant, crashed rounding a turn and was slightly injured, while J. Martin's French car overturned but the driver was not hurt.

R. C. Gallon of Great Britain was the leader at the half way mark, doing 205 miles in 2 hours, 30 minutes, 20 seconds.

The crowd which lined the 13-mile course was estimated at 250,000.

Viscount Curzon withdrew on the sixteenth lap because of a broken gasoline pipe. He was in third place at the time and appeared to have a good chance of winning.

MARSHFIELD TO PLAY MERCHANTS HERE SEPT. FIRST

The Marshfield team will play the Medford Merchants here Saturday and Sunday, September 1 and 2. Stanger Court Hall closing the deal yesterday. The Marshfield team is a semi-professional aggregation, and four of its members are ex-Coast league players. The Coos Bay team is playing independent ball and practicing three times weekly.

The local team was unable to secure any games with the Willamette valley league teams, as they wanted an outlandish financial guarantee. This is probably due to the neat trimming handed the Salem team, during the Legion convention.

The Marshfield games will close the season, after which the team will be disbanded for this year. Manager Hall has played all but three of his games scheduled for this city, and gave the fans twice as many games as promised. Manager Hall also kept harmony on the team, and has put baseball on a strong foundation for next year.

DERBY WINNER IS LAST AT SARATOGA

SARATOGA SPRINGS, N. Y., Aug. 18.—(AP)—Petee Wrack won the \$30,000 Traverser stake today. Victorian was second and Sun Edwin third. The race was expected to be a toss between Belg Count, Kentucky derby winner, and Victorian, winner of the Belmont stakes.

Petee Wrack paid 8 to 1, while Victorian was 1 to 4 and Sun Edwin out. The time was 2:08. Belgian count was last. Only four horses ran.

Are you watching the Portland market? We are making up a carload for Friday, the 17th. Let us know today how many you have ready to go.

JOHNNY DOEG IS TENNIS WINNER OVER WILLIAMS

FOREST HILLS, Aug. 18.—(AP)—Overcoming a 3 to 0 lead, western players in the annual east vs. west tennis matches today fought their way to even terms and with the six singles matches played, the sections stood with three victories apiece. Three doubles matches remained to decide the issue.

In the match which evened the series John Doeg of Santa Monica, Calif., 19-year-old youth with a furious service defeated Richard N. Williams of Philadelphia, a veteran Davis cup captain, 6-3, 9-7. The other western singles victories were won by George Lott and Herrington, while Bill Ayl-lotte, Watson Washburn and Dr. George King won their matches for the east.

The sensational work of Doeg and Lott changed the aspect of the contest and gave the west an even chance for its first series victory since 1925.

Lott made shorter work of John van Ryan of Princeton than Doeg did of Williams.

The big factor in Doeg's triumph was his service at which Williams often could do nothing more than smile admiringly as it whizzed past.

MRS. HUNDY WINS AGAIN AFTER 14 YEARS REST

RYE, N. Y., Aug. 18.—(AP)—Mrs. May Sutton Hundy of Santa Monica, Cal., winner of the American women's championship in 1904, and the Wimbledon title in 1905, clinched her comeback today by winning the eastern turf court championship from Mrs. Charlotte Hosmer Chapin, Springfield, Mass., third in the national ranking. The scores were 6-6, 7-5, 6-4.

HOOVER AN ORATOR

Those accompanying Hoover will have six hours for an inspection of the great gorge through which the Colorado glee plunges, but the nominee himself will remain at the hotel discussing the political outlook in Arizona, as he has inspected the canyon several times.

Since the administration of this state is democratic, state officials did not join the candidate to accompany him across his borders.

In New Mexico Hoover will be joined by Senator Bronson M. Cutting and other republican leaders for a general discussion of the political outlook there.

With Williams and the Grand Canyon as his only stops, the republican standard bearer was to make no public address in Arizona and he has announced that he will make none in New Mexico as he goes through that state on Sunday. He has eschewed political talks on the Sabbath.
