John E. Smith, foreman of the county road construction work, in charge of a crew of 30 men working on the Lake of the Woods road, laying out a grade on Murphy hill in the vicinity of the Wade Wallis ranch, according to County Commissioner Victor Bursell, who was in Ashland a short time today. Within the next day or two a large steam shovel will be put on the job, and a second shovel may be put on the job within the next week, he said. Work will progress rapidly with the two shovels and a large force of men on the job. Bursell said, and grading work should be completed within a short time, he said. Rock has already been crushed and rock crushing equipment moved out. It will require probably ten days to place the crushed rock on the road after the grading is finished, he said. The government crew has done considerable work on the road this summer, in camp near the old Spencer ranch.—Ashland Tidings.

Before you contract for a new roof, let us give you an estimate. Just phone 108, Woods Lumber Co., E. Main and Genesee. 161*
