Wall Street Report

NEW YORK, Sept. 21.—(AP)—The stock market resumed its upward price movement today after an early period of irregularity. Lowering of the call money rate from the renewal rate of 8 per cent to 7½ coupled with bankers intimations of easier rates next week, helped to revive bullish enthusiasm which had been dampened by the stiff money rates of the past few days.

Airplane shares fell back sharply in the early trading. Wright dropping 9 points and Curtiss 5 3-4 but both rebounded briskly in the early afternoon.

General Motors again was the market leader, climbing more than 4 points to a new 1928 high record at 216½ on a tremendous turnover. Murray Corporation ran up nearly 5 points to 83 3-4. Electric Auto Lite extended its gain to 111½; and Kelsey-Hayes wheel to 44 7-8, all new high records.
