

OLD PIONEER OF ASHLAND DROPS DEAD IN ORCHARD

ASHLAND, Sept. 28.—William H. Pentec, 74-year-old pioneer resident of Ashland, dropped dead at his home on Tuesday, September 25, 1928. Mr. Pentec had gone out to work in his orchard in the morning and was apparently in good health. When he failed to return at the usual time, searchers found him lying dead beneath an apple tree. Mr. Pentec is survived by his widow. For 37 years the pair have resided in Ashland and have made a large circle of friends. Funeral services were held at 2 o'clock on Thursday, Sept. 27th from Stock's Undertaking Parlor and burial was made in Mountain View cemetery.

Miss Ruth Shouley, who has been spending her vacation with her parents, Mr. and Mrs. B. M. Shouley on Helman street, returned to Pasadena, Calif., on Wednesday. Miss Shouley is employed at the Huntington Library at Pasadena.

Enrollment at the Southern Oregon Normal school reached the 260 mark on Thursday afternoon. The growth of the school is most satisfactory, particularly so since some of the schools of the state report a drop in attendance. A large percent of the students have enrolled for the regular normal course of teachers training and there will be a large class of junior college students. A surprisingly large number have been in attendance in other colleges or normals of Oregon and the neighboring states.

E. C. Hollnagel has gathered a herd of 85 cows which he will ship soon to California. Mrs. George Eubanks entertained at nine o'clock breakfast on Tuesday at her home on Wimer Heights, honoring her house guest, Mrs. Frank Hasty and her friends, Mrs. Ada Horton Sisker and Miss Ethel Duggell who are visiting in Ashland. Mrs. J. M. Wagner was also an invited guest.

Professor W. W. Wells, of the Southern Oregon Normal school, and William Tucker are planning a climb to the summit of Mt. Shasta during the week-end. Lorraine Spang and Beth Joy left Ashland on Wednesday for Salem where they will represent Jackson county in the state demonstration contests. Their project is the same one which they demonstrated at the county fair, the preparation of a meal from products which they had canned.

Mrs. H. L. Carter and her mother, Mrs. Anna Grubb, on Mountain avenue, returned on Saturday from a trip to California where they spent two weeks with relatives. They visited in Long Beach with Mrs. Grubb's sister, spent some time at Turlock with their son and brother, Charlie Grubb, and his family. Several days were also spent visiting at Sacramento with the Morse family. Mrs. Morse is

a daughter of Mrs. Grubb and a sister of Mrs. Carter. Mrs. Rose Powell left early in the week for Eugene in company with her son, Lester Beck, who will enter the University of Oregon. Mrs. Powell plans to visit the state fair at Salem before she returns to Ashland.

Miss Thelma Perogal left late last week for Eugene where she will enter the state university for her senior year. Jack Enders, son of Mr. and Mrs. H. G. Enders, will spend the winter in Ashland with his parents and will attend school here. For the past two years Jack has attended school at the Beasley Military academy near Portland and has spent his summers with home folks in Ashland.

Mrs. George Kramer returned Tuesday from a trip into the northern part of the state where she visited relatives. Paul and Lawrence Wagner, sons of Mr. and Mrs. E. D. Wagner of Granite street, have gone to Eugene where they will attend the state university.

REESE CREEK RIPLETS

F. Princehouse and family have recently moved to Hood River. Mrs. A. C. Knadler has been on the sick bed the past week. Orris Johnson has been out of school since Monday with a cold.

The Eagle Point Irrigation District has a small crew at work on schedule 2, near Derby station, sloping a piece of ground at a point known as the sticky slide.

Mr. and Mrs. H. Watkins visited Mr. and Mrs. C. L. Cummins one day this week.

The Reese Creek P. T. A. met last Friday. The P. T. A. hopes to make this year's work in great success. Its first efforts will be to try and get every parent as a member. It was decided to give a Halloween entertainment on Oct. 25th in honor of the fathers of this community. So, fathers, just bear this in mind and remember a lively and enjoyable evening awaits you.

The next P. T. A. meeting meets at Reese Creek school, Oct. 19 at 2:30. All are requested to attend. J. A. Woods has been leveling and planting clover this week.

Last Sunday the lesson was on the "Right Use of Christian Liberty," taken from 1 Cor. 8:1-13. The first epistle to the Corinthian church deals thruout with matters that vitally concern the church. In the first part of the epistle the church is viewed as the temple of God, while in the latter part she is viewed as the body of Christ. But throughout, the church is looked at as in the world, surrounded by influences that are evil and adverse. All the forces of evil are against the church; and are seeking to corrupt her. The absolute sufficiency to preserve the church against all evil, is the knowledge of Christ in His blessed goodness and to walk with Him, who said: Be ye not of the world. Next Sunday's lesson is a review. The golden text is, "Christ liveth in me." Gal. 2:20.

EAGLE PT. SENDS FIRST YOUTH TO ENTER COLLEGE

EAGLE POINT, Sept. 27.—William Miller, who graduated at our high school last spring, left for Corvallis Sunday morning to enter college there. Billy is the first of our young people to go away to college, but we hope that his example will start a regular precedent.

Eleanor Throckmorton, who has been out of school this week on account of illness, is much better at the present time. She was threatened with pneumonia. Mrs. Howlett was favored the last of last week with a visit from her two brothers of Portland and their families. The party consisted of Albert W. Cooke and wife and J. H. Cooke and daughter Lucille. From here they went to Klamath Falls to visit Mrs. Howlett's daughter, and from there they returned to Portland by way of the McKenzie pass.

The familiar figure of Charley Sherman is again seen on our streets. He has just returned from his annual sojourn of some weeks in Los Angeles. Miss Ruth Holmes of Carmel, Cal., who has been visiting her father and mother on Oregon creek, was the guest of Mr. and Mrs. S. B. Holmes last Saturday evening. Other guests on the same occasion were Mr. and Mrs. John Moffatt of Medford and the Eagle Point brothers and sisters of Mrs. Holmes.

Doubtless impelled by the near approach of the closing season of that popular attraction, more of our people than usual visited Crater Lake last Sunday. Among those who went in one party were Mr. and Mrs. Merritt Brown, Mr. and Mrs. S. B. Holmes and Miss Bart. Mr. and Mrs. W. C. Clements and Mr. and Mrs. C. F. Davies.

The first meeting of the P. T. A. for the new year was held last Friday afternoon. Mrs. Chaney, the county president, gave an address, outlining the work and purpose of the association, and plans were made for the work of the coming year. It was decided to allow the health unit to have one-half hour of each meeting to present the work of that organization. The teachers of the school offered to give a portion of their time on Saturdays to those children who wish to carry on some club work, such as sewing, manual training or other activities. This association voted to concentrate in this work to the extent of furnishing the necessary financial support. Enrollment of members for the coming year was called for and there was a generous response. It is felt that the outlook for the P. T. A., of which Mrs. Grub is

president, never was better. After the work of heading out the season a lunch was served, midday of the logs that have been dammed across the hostesses for the afternoon.

SARDINE CREEK IS SADDENED BY DEATH

SARDINE CREEK, Sept. 28.—The heartfelt sympathy of our community goes out to Mrs. J. E. Fione. In the loss of her only brother, Harry Bozett of San Francisco, who passed away at his home here Sunday, September 16, Mr. Bozett came here about two months ago in hopes of benefiting his health, but to no avail. Mrs. Fione and sister, Mrs. Clara Johnson of Portland, who was also with him to the end, and his wife, accompanied the body to Portland for cremation, and the ashes were taken to San Francisco for interment.

Mr. and Mrs. J. T. Smith and daughters, Ethel and Doris, motored to Eugene last Friday where Miss Ethel entered U. of O. for the coming year. The Smiths also visited Salem, Corvallis and other northern points, returning Sunday evening.

Mr. and Mrs. P. L. Wait left Monday morning for a few days' business and pleasure trip to Portland, and may visit the state fair in Salem as they return. The poultry farm is being fully cared for during their absence by Roland Steile of Rogue River.

Mrs. George Smith and Mrs. John Smith, who have been camping for some time where their husbands have been engaged in road work, have returned to their homes here.

The logging trucks are rushing

BUSINESS WOMEN TO MEET TUESDAY

Business and professional women of this city will hold their first meeting of this season Tuesday evening, September 2, at the Hotel Medford, with a dinner at 6:45, to be followed by an interesting program, according to plans formulated by the executive committee of the club, which met last evening at the home of Miss Mildred Knight, secretary.

Each member of the Business and Professional Women's club is requested to bring as a guest Tuesday some person who is eligible for admittance in the group, and is interested in its activities. Reservations may be made by calling Mrs. Joseph Lemay, at 464, before 10 o'clock Tuesday morning.

Miss Elizabeth Burr, assistant superintendent of Jackson county schools, and chairman of the program committee for the club, is arranging the schedule for winter meetings, some of which will be announced at the first fall meeting.

Plans are under way to increase the size of the organization from its present membership of 28, and to make the club a real factor in this community.

Miss Emily Knudsen, national executive secretary, of New York City, is expected to arrive in Medford either October 30 or 31, at which time a special reception in her honor will be given jointly

Wild Coupe Crashes Groceteria Window

A Ford coupe, belonging to Cash Wood, and driven by his son, age 21, broke loose this noon and crashed into the Central avenue window of the Economy Groceteria, demolishing a large plate glass window, and damaging a window display of shoes.

Young Wood left his car parked on Central avenue, across the street, with the magnets turned on. A Cadillac car, parked behind it, while moving out, bumped the Ford, causing the engine to start. The Ford circled across the street, ran between two other parked autos, and into the window.

A number of customers in the store, ran for cover, with the crash, and there was considerable excitement. The damage is estimated at \$200.

The thrill of western grandeur is matched by the delight in HILLS BROS Coffee

HILLS BROS. gave the West its reputation for fine coffee. And this reputation is due to a wonderful aroma and flavor that no other coffee has or can have.

It's the way Hills Bros. Coffee is roasted that makes it so good—and different! Every coffee berry is roasted evenly by Hills Bros.' exclusive, continuous process—a few pounds at a time. No bulk-roasting method could ever be as exact.

Ask for Hills Bros. Coffee by name and look for the Arab on the can. Hills Bros. always pack their coffee in vacuum.
