night. So far as can be ascertained nothing very special in the way of holidays for that night has so far been planned, beyond the fact that after the long vacation the "brothers" will be glad to resume again.

Since the beginning of the summer vacation period, as always during that time the activities of the lodge are at low ebb, practically all, as the lodge only meets the first Thursday night of every month to transact necessary business.

However from now on the Elks activities will be in full swing until next summer's vacation, with interesting lodge sessions every Thursday night.
