Belva Aiken of Medford and Mr. Miller of New York City. The proceeds from the drawing will be turned over to Hospital 77 in Portland in the near future. Going away gifts were presented to Mrs. Aiken and Mrs. Chaney by members of the unit. A \$10 prize was awarded to Mrs. Aiken at the state convention in St. Paul to be used to purchase a chair for the president.

Diaries to be used on convention trips were presented to Mesdames Chaney and Aiken.

An enjoyable group of numbers were rendered on the harmonica. One, a musical play commencing in the city of Medford in 1914—portraying scenes throughout the war and ending with the train pulling into Medford when the boys returned. It was very cleverly portrayed. Past presidents spoke of incidents during their administrations.

Mrs. Mitchell remembered customers during her term of office.

Mrs. Laura Gates Kerr spoke of relief work done when she was president.

Mrs. Geo. Gates happily remembered the "Circles" when she made \$100 in four days.

Mrs. Warren Taylor "not so happily" recollected the first booth at the Jackson county fair when it rained every day, consequently receipts were not so good.

After the meeting Mrs. Garlock, chairman, and her committee Mrs. McCready, Mrs. Dolger, Mrs. Ralph Jennings, Mrs. Heston, Mrs. Nichols and Mrs. Merrick, served refreshments to the unit members and the boys of Post No. 15. This was a happy climax.

located in Salem and that Reverend Howe has a splendid pastorate.

Andrew Scores As Popoff

Ed Andrews, the enny-punching Cadeau in "Sarl," the rascally sheriff of Nottingham in "Robin Hood," the whimsical Ko-Ko of "The Mikado," now appears as the laistering Colonel Popoff in "The Chocolate Soldier," which the Britt Opera company is presenting this week at the public auditorium.

Mr. Andrews, who is the most experienced light opera comedian in America, having created the role of Ko-Ko in "The Mikado," is enthusiastic in his praise of the present week's opera.

its present membership of 28, and to make the club a real factor in this community.

Miss Emily Neuhahl national executive secretary of New York City, is expected to arrive in Medford October 29 or 31, at which time a special reception in her honor will be given jointly by southern Oregon business and professional women's clubs, including Klamath Falls, Grants Pass, and Medford groups. Details for this event will be announced at the meeting next week.

Dixie Jubilee Quartet

If you like the old-time negro melodies, sung in the real old negro style, watch for the date, early in October, when the Dixie Jubilee quartet, real negroes, everyone of them, will sing in Medford.

The old plantation melodies sung by this versatile company, interspersed with popular, classical and a good sprinkling of humorous numbers, makes an intensely interesting and varied program. Of course the quartet work, with its perfect blend of voices, is what people look forward to more than anything else. But each singer is also a good soloist and those with a good tenor to lend variety.

The date will be announced as soon as possible for there is nothing more popular in the music line than a well-trained negro quartet such as this one.

Dancing Party

The Mamone dancing club will have their 4th dance of the fall season on Thursday evening, October 4th. Extensive plans have been made for these dances which are held the first and third Thursdays of each month. The hall has been redecorated and the floors sanded which will add to the pleasure of these affairs. Mr. C. M. Houston is chairman of the committee and will be assisted by E. J. Lenox, Aubrey Norris, Ed Nichols, Edna Isaacs, and Herb Gray.

and maintain our good faith with them. We never open on any occasion led to them."

General Lane possessed an iron will, absolute courage, fearless honesty, a keen intelligence and tireless energy. These were the qualities which, with soldierly ability of a high order, which won him renown in the Mexican war, where he enlisted in the ranks and attained the position of brevet major general. As territorial governor, delegate to congress and United States senator he made an invaluable contribution to the welfare and upbuilding of Oregon, and by his exceptional ability and integrity won for himself a national reputation as a statesman. With all the honors he achieved, he retained a genial, warm-hearted sympathy which made him the good friend of the humblest citizen. He was generous at the cost of his own interests. Every cent of his pay for service in the Rogue river was sent to destitute orphans who had lost their parents in Indian massacres. He worked zealously, loyally, and effectively for Oregon, and his descendants have carried on his high tradition of service to the state.

Senator James W. Nesmith, who delivered the funeral oration following General Lane's death in 1881 pronounced this tribute: "In his association with the world he was always the gallant, chivalrous, polite and modest gentleman. Those were inherent qualities which the rough path of the farmer, the rougher path of the frontiersman, the Indian fighter, the gold-buzzard, the politician and the politician of the general, or the hallmarks of the governor or the senator, could never change."

For his indomitable courage, his tireless devotion to the public good, his integrity and generosity, and his outstanding services as a statesman, Oregon owes the highest honor to the memory of the first territorial governor, General Joseph Lane.

L. L. PATTERSON, Governor.

Guests present were Miss Elizabeth Burr and mother Mrs. Burr, Mrs. Parker, Mrs. Judy, Mrs. H. A. Warner, Mrs. B. M. Kline and smallest in size but very important, Master Percy Marvin McKibben, a new arrival during the past few months, whose mother is a faithful worker in the class.

Mrs. Remington acted as president in place of Mrs. Chas. Wing, who was unable to attend.

After songs, and prayer by Mrs. DeWitt, Mrs. Norris gave a short talk on the trend of the political times. Mrs. Albert spoke of the five ways prayer could help, inspire and thrill one.

Mrs. McCollum read the minutes of the last meeting and called the roll.

Letters were read from members of the class who had been ill or absent. Mrs. Peterson wrote from Hoquiam, telling how she missed the fellowship of the members of the class, and of the copious rains where she now lives. Mrs. Bally reported profitable prayer services being held.

Mrs. J. H. Leggett spoke of work done in the home department, also gave treasurer reports.

A \$5.00 donation from Mrs. Edna Isaacs was added to the treasury fund.

It was announced that the Dixie Jubilee quartet, under the auspices of the Woman's association would hold a concert at the church October 10.

After the business meeting was concluded Mesdames Hodskins and Scott sang "Time in the Garden." They were accompanied at the organ by Mrs. Simpkins.

The feature of the afternoon, which everyone present thoroughly enjoyed, was a talk by Mrs. Elizabeth Burr telling of her trip across the ocean and her extensive travels in the various countries of Europe from which she just recently returned.

She studied on a first class boat with the personally conducted "Temple Tours" and was well taken care of in every way, good food, personal comforts and plenty of entertainment. She told of many nice times on the boat and some very funny experiences elsewhere.

In England, she said they served tea in the afternoon, even in the shops and places of business—English business men or women will stop anything they are doing when it comes time for tea. They are a nation of tea drinkers, but don't forget it's "black" tea and not so alluring to all Americans. She told of stopping at an open air cafe in Paris, and a lady who she met on the boat, to enjoy the novelty of having refreshments out on the side walk, and that the waiter after a swift arrangement of the two announced well understood English "tea, coffee or lemonade."

She remarked of the great numbers of people in Europe who rode bicycles, literally crowds on wheels taking the air.

She was impressed by the short distances from place to place. The longest trip being a ride of twelve hours from southern France to Paris.

There were sixteen in the group who were in and they sailed from New York June 22nd, reaching the United States again August 28th, after a wonderful two months' among the wonders of the European countries.

Rally day will be observed by the Baptist Sunday school next Sunday morning. An appropriate program arranged by the committee will be presented during the morning worship hour, featuring Captain LeRoy Hall, former pastor of the church in a rally day address. Promotion of pupils from one department to another will also feature the morning program. Here's a cordial invitation.

And a kindly greeting too, sent by our own dear Sunday school.

And 'twas surely meant for you. Won't you come next Sunday morning?

Come and bring a friend along; Come and let us help each other in our lesson and our song. If perchance you've been a member, Here's a welcome back to you! If you haven't, come and join us. You'll be kindly welcome, too. Let us rally come our standard, Let us watch and fight and pray; Fall in line, our ranks recruiting, We'll look for you on Rally day.

which was formed in 1924 with Mrs. Myron Root as president. Since that time the membership has doubled and trebled itself as new associations have been established.

The present county officers are Mrs. Newton C. Chaney, president; Mrs. Norma Heesler, assistant vice-president; Mrs. Frank Sandberg, Jacksonville, secretary; Mrs. John Greb, Eagle Point, treasurer. The advisory board consists of the county educators, who give ungrudgingly of time and thought in every way.

The dues of the council have been increased this year so as to more effectively carry on the organization work from one cent per capita to five. Associations in membership and those seeking membership are requested to send all dues to Mrs. John Greb as soon as possible so as to aid in this work.

The fall meeting will take place in November, exact date and time to be announced later. Delegates will be elected to this gathering in October, as in the past, one for the president, and secretary and one for every fifty in congress membership. Making plans at this regular session in October to have a complete representation at the council so as to profit by the reports of the work all over the county.

A banquet at the Hotel Medford Tuesday evening at 6:59 o'clock will officially open the fall and winter season for the Medford Business and Professional Women's club which has been more or less inactive during the summer months except for several picnics and swimming parties to keep the group together.

D. A. R.'S Unveils Marker

The following message from Governor Patterson was read by Mrs. J. H. Cochran, past president of the local chapter, D. A. R., at the unveiling of a marker near Table Rock last Thursday:

"Since I cannot be among those who assemble to observe the 75th anniversary of the signing of the Declaration of Independence, I want to take this means of expressing a debt of gratitude to the fearless warrior and able statesman whose portrait hangs on the wall of my office in the state capitol."

"To General Lane belongs great credit for the successful council which brought about a peace between the white men and the Indians which the Rogue River tribes, proper, faithfully observed. His bravery in walking unarmed into the midst of seven hundred warriors in full regalia, won a savage admiration from the Indians, who knew, from experience, that his word could be trusted. When, during the council, rumor came that white men had broken faith by murdering an Indian, it was General Lane's cool headed courage which saved the day and averted a massacre. In his own words he summarized the policy which made him so successful in his dealings with the Indians: 'We did not act at all times ready to fight them, but to faithfully keep

and maintain our good faith with them. We never open on any occasion led to them."

General Lane possessed an iron will, absolute courage, fearless honesty, a keen intelligence and tireless energy. These were the qualities which, with soldierly ability of a high order, which won him renown in the Mexican war, where he enlisted in the ranks and attained the position of brevet major general. As territorial governor, delegate to congress and United States senator he made an invaluable contribution to the welfare and upbuilding of Oregon, and by his exceptional ability and integrity won for himself a national reputation as a statesman.
