TROJAN MENTOR IS UNSATISFIED WITH TEAM WORK

LOS ANGELES, Oct. 2—(AP)—Varsity football practice at the University of Southern California won't be in the nature of a pleasant outing this week. A trifle nettled by his team's ragged showing against the Utah Aggies last Saturday, Coach Howard Jones of the Trojan varsity indicated by yesterday's session with his men that he thinks the only way to stave off defeat at the hands of Oregon State next Saturday is to make his squad work like the Trojans of old.

The Utah game, which turned into the expected Trojan victory, gave followers an inkling of what Jones' lineup will be when his team goes into action next Saturday. The line is pretty well settled on, the backfield four probably will include Don Williams, quarterback, Thomas and Edelson, halfbacks and Russ Saunders fullback. Saunders and Edelson were switched around this fall from their last season berths and seemed a bit formal in their new positions last Saturday.

[illegible], tackle, who appeared in his first varsity game Saturday may be benched for the rest of the season in favor of Frank Anthony, a letterman and Jess E. Shaw, a husky up-and-coming star from last year's frosh squad. Anthony and Shaw took most of the first string work last night. Captain Jesse Hibbs, all-American tackle in 1927 was shifted to end in several of the new plays which Jones gave his charges last evening. There is a possibility that Hibbs will displace Lowry McCaslin, letterman end against Oregon State in the conference opener. Franny Tappaan should keep his end position. Boren and Galloway appear best at guard and Barragar at center.

WARNER PREPARES FOR OREGON GAME

PALO ALTO, Cal., Oct. 2—(AP)—With a squad numbering 43 men—the result of the last and final cut of the season made yesterday—Coach Pop Warner of the Cardinals reverted today to a practice in football fundamentals. Clipping, blocking and tackling was on the program, these three being the glaring deficiencies in Stanford's play against the Olympic club last Saturday. One of three regulars that made up the Cardinal injured squad returned to the field yesterday. He was Lud Frentrup, halfback, whose bad ankle had kept him on crutches for more than a week. He will start in the opening conference game of the season against the University of Oregon Saturday.

Post, a guard, was still nursing a back injury, and Preston, end, who broke his wrist in the Olympic game, is out for three weeks.

HOOVER'S STAND PLEASES AUTHOR

NEW YORK, Oct. 2—(AP)—The women's national committee for Hoover announced yesterday that Mrs. Mary Roberts Rinehart, the novelist, in a statement endorsing Herbert Hoover's record as a humanitarian, said most of the women of the country are going to vote for Hoover because of his stand on prohibition.

"To uncounted numbers of them," the statement said, "Hoover's rally call for food conservation represented their sole chance to participate in the war. His stand on prohibition appeals to them, for the majority of the women of this country are dry and intend to remain so."

COAST WELTERS IN TEN ROUND BOUT

Above are shown Jackie Fields, new welterweight sensation of the coast, and Jack Thompson, his colored opponent, who was all but knocked out last night before a record crowd in San Francisco. Thompson a few weeks ago defeated Joe Dundee in a non-title match in New York, so Fields' victory places him as the coming American welterweight champion.

JACKIE FIELDS SENSATIONAL IN 10-ROUND BOUT

By Russell J. Newland, Associated Press Sports Writer

SAN FRANCISCO, Oct. 2—(AP)—A smiling, clean cut youth of 21 who beat a man who beat a champion is the newest ring sensation to come out of the west.

That youth is Jackie Fields, the [illegible] puncher from Los Angeles, and the ten round beating that he gave young Jack Thompson, [illegible] contender for the welterweight title, last night, will not soon be forgotten here.

Before a record breaking indoor crowd at the state armory, Fields pounded the Oakland negro conqueror of Joe Dundee, in a non-title fight and matched for the title in New York, November 14, the worst battering in his career.

When the tenth round was over Thompson was barely able to stagger to his corner. Only by covering up in the last three rounds did he save himself from a knockout.

Fields, weighing 144½ pounds to 144 pounds for Thompson, punished his dusky opponent with a wilting body attack and short lefts and rights to the face to win seven rounds. Thompson's rallies in the sixth and seventh rounds gave him those sessions while the fifth was even.

A disastrous first round, when he was on the receiving end of jolting rights and lefts to the jaw, had Thompson groggy at the start.

It made eleven straight victories for Fields, five of them by knockouts. When the pair went into the ring last night, Fields was a [illegible] to seven favorite.

The bout drew a crowd of about 13,000 persons with gate receipts of $[illegible].

SCHISSLER TEAM TO BE POLISHED FOR NEXT GAME

CORVALLIS, Ore., Oct. 2—(AP)—Convinced that his team has plenty of power but lacks polish, Paul Schissler, Oregon State college coach, began Monday a three-day intensive training in preparation for the test against the Trojans of Southern California at Los Angeles next Saturday.

Though not satisfied with the [illegible] victory over the California Aggies Saturday, Schissler felt that the early season showing was about normal.

Charts of the game revealed that the southerners only once had possession of the ball in Oregon State territory, and then attained second string men.

Yesterday Schissler held skull practice and dummy scrimmage against Trojan formations reported by scouts. Heavy scrimmage today will precede departure for Los Angeles Wednesday.

They are Stanley Dail, Antone Newell, George Krull and [illegible]. They are believed by their parents to be traveling together in search of adventure.

Judge Advocates "Cyclone Cellars" for Married Folks

DENVER, Colo., Oct. 2—(AP)—Establishment of houses of "bounds cellars" which would give dissatisfied couples a "chance to change their minds instead of their mates," was urged by Judge Ben Lindsey here as a means to combat divorces.

"The aim of the institutions would be to furnish a place where married couples might find refuge in times of domestic strife," he said in addressing the congregation of the Trinity Methodist Episcopal church.

"Many divorces, the majority of them in fact, could be averted if the principals were given the proper chance. The house of human cellars would give them that chance."

BUCHAREST, Rumania, Oct. 2—(AP)—Princess Ileana seemed to show a decided preference for West Point in contrast to Annapolis when she visited the United States. But she is a navigation officer and is to take examinations. She has been berated "first helmsman of the fleet."

CIVIL STRIFE IN ALBANIA; HANG PLOTTERS

BELGRADE, Jugo Slavia, Oct. 2—(AP)—The newspaper Politika said that it had been warned from Durazzo, Albania, that 11 conspirators against King Zogu were summarily hanged in the market place at Durazzo yesterday. This was done on the new king's order within 24 hours of the discovery of a plot.

Two hundred citizens, suspected of being implicated, were imprisoned. Martial law was proclaimed.

After serving as president of Albania since February, 1925, Ahmed Bey Zogu became king on September 1 when the constitution was revised changing the country from a republic to a monarchy.

Before he became a king there had been echoes of dissatisfaction with Zogu's rule. Albanian police in July arrested and executed three men for plotting to assassinate him, charging that they planned to shoot him from ambush. A time bomb was also discovered about the same time in Zogu's villa at Durazzo.
