## GILL ELECTED HI-Y LEADER HIGH SCHOOL

HARRY GILL was elected president of the reorganized HI-Y club of the high school at their first meeting held last night in the school auditorium. Charles Thomas was elected, vice-president; Charles Clay, secretary and Jack Hughes, treasurer.

The club, which has been inactive since 1924, was reorganized by Bill Morgan, student body president, who belonged to the HI-Y organization at Franklin school in Portland before he moved to Medford. The present membership of only seven boys will be increased to one of 25 students during the year, the qualifications of candidates being, passing grades in all subjects, and a proper attitude toward student affairs and activities.

Arrangements will be made later with one of the local churches to hold weekly banquet meetings in the church hall, where the round table discussions of school problems and activities will take place.

Faculty advisers of the organization are Principal B. H. Conkle and Ralph Bailey, debate coach. The seven charter members of the reorganized club include Bill Morgan, Harry Gill, Charles Thomas, Jack Hughes, Charles Clay, Al Starck and Robert Mason.

## BISHOP CANNON TERMS AL SMITH AS 'TRICKSTER'

MEMPHIS, Tenn., Oct. 5.—(AP)—Governor Alfred E. Smith was termed a "political trickster" for seeking election under a "secret" name in the south and as a "rascal" in the east, last night by Bishop James M. Cannon, Jr., who delivered one of a series of addresses in opposition to the Democratic nominee.

Referring to a charge of bigotry which he said had been made against him by John J. Raskol, national Democratic chairman, the speaker said: "No avowed Roman Catholic knight of St. Gregory and champion of the pope can make that charge against me with impunity."

The speaker said he had not sought to raise the religious question, but added that a person will find there is dynamic in such charges as made against him.

Bishop Cannon admitted prohibition enforcement had encouraged "rogues," but asserted that the dry law had outwaged a once legitimate business and had "played the stamp of a criminal upon every one caught."

## World Series Holds Paramount Interest Among the Japanese

## WORKS HARD IN THE FIELD Relies Upon Lydia E. Pinkham's Vegetable Compound

Rankin, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound as a tonic before and after my first child was born 24 years ago. Then when my second child came, and I felt weak and run-down, I took it again. I am still taking it and I am feeling better. My mother used it for her self when I was small and always got good results. She still takes it. I do all kinds of heavy work, including my household, and I also help in the field. I recommend the Vegetable Compound and I am willing to answer any letters." Mrs. Mrs. CURRY, Route 2, Rankin, Illinois.
