INITIATE DRIVE FOR BOY SCOUTS AT ROTARY MEET

With their budget set for \$2500 this year, \$1000 of which will go to George Case and surrounding districts, and the remainder to Medford, the Center Lake Council of Boy Scouts initiated their annual drive today through the Rotary club at today's meeting of that organization.

The Rotary club, under the direction of William Allen, past president, has abandoned the responsibility of raising the required funds and started at today's meeting by collecting \$34. M. N. Hogan, president of the local council, announced that \$650 of the quota has already been raised by pledges from local business men.

Divided into teams of five, the Rotary club members started an initiative following their meeting with recent books and lists of local subscribers, and hope to have the drive completed by tomorrow night. They will meet tomorrow noon at Hotel Medford for a report of the organized drive.

Entertainment for the meeting today was furnished by the high school boys quartet, accompanied by the piano by Miss Estelle Larkin, superintendent of music at the local high school.

LOCAL MERCHANTS GIVE DOLLAR DAY IN NEAR FUTURE

Within the next few days a community drive will be practically all of the merchants of Medford cooperating will be featured. It was decided at a meeting of 39 business men at the Hotel Medford last evening. The drive will be announced as soon as the committee completes plans for the event.

The drive will be practically announced in favoring the practice of rotating business to register at the local police station and secure a permit before operating in the city.

A special dollar day was discussed at the meeting, the suggestion being made that every merchant should display as many dollar products as possible in the store and windows on that day. This will probably take place later this fall. The display will also include products manufactured in Oregon and on the Pacific coast.

George Mason of Jacksonville was a speaker last night. He told of the making industry in this valley and told about its possibilities.
