

EAGLE POINT P.-T. A. TO MEET WEDNESDAY, OCT. SEVENTEENTH

Wednesday, October 17, instead of this Friday, is the date for the next meeting of the Eagle Point Parents and Teachers' association.

The first meeting, held September 21, proved very interesting, with a splendid talk by Mrs. Chaney and a reception for the new teachers and mothers.

At this meeting the question of how much of school work should be done at home by the boys and girls was brought up. At the next meeting these subjects will be taken up in detail.

Mrs. Glover, county health nurse and Mrs. Conkle, county club leader, will be present to help us with these plans.

Another splendid thing for this year is the county fair and work, which will be given at every other meeting, beginning October 17.

A number of school children have been suggested and the interest shown by the 20 members which signed up at the first meeting gives promise of a very progressive year for the Eagle Point P. T. A.

Those interested in the welfare of school children are invited to come to the next meeting, Wednesday, October 17, at 2 o'clock in the school building.

BERRYDALE-HOWARD IRRIGATION DISTRICT ELECTION OCT. 20TH

A special election for the establishment of the Berrydale-Howard Irrigation district has been set for October 20 by the county court. A petition of the required number of residents of both those sections requesting such an election, was submitted to the county clerk two weeks ago.

Candidates nominated for the new water board, in case it is formed, will be placed upon the ballot and will be elected simultaneously with the new trustees. They are: Dr. Charles T. Swensen, George Hilton, J. E. Mrs. R. M. Ryan, Frank Croucher and Samuel Dickson.

JAMES OWENS HEADS BUDGET COMMITTEE, ESTIMATES SCANNED

James Owens was elected chairman and Ralph Billings secretary of the county budget committee at the first meeting of that body held in the court house last night. The second meeting was held for next Monday night at 9:30.

Copies of the budget covering this year's departmental work presented to the committee, and the estimated expenditures were gone over tentatively. The county clerk's office, besides preparing their own individual budget of expenses, was required to prepare estimates for the county court, the circuit court, the justice court and juvenile court.

After a week of study on the estimates presented by the various departments, the work of cutting down and readjustment of expenditures will begin by the committee at the next meeting.
