Quick Marmalade Biscuits

[A tested recipe from Holliger]

Made with pure-cracking Crisco, they are especially delicious and attractive.

3 cups flour
2 teaspoons baking powder
1 teaspoon salt
1/2 cup milk
1/2 cup Crisco
1/2 cup marmalade

Sift together three times flour, baking powder and salt. Work in Crisco with the tips of fingers. Add milk. Roll 1/4 inch thick, cut in small rounds, brush one-half of them with melted Crisco and place another round on top. Brush with milk. Bake in well-greased pans in a hot oven (450° F.) 15 minutes. Remove from oven and immediately lift the top of each biscuit and put a teaspoon of orange marmalade in the center of each. Replace top and serve while hot. Makes 22 to 25 biscuits.
