Saves You Money

## One Small Cost

We buy our fruits and vegetables direct from the grower and sell direct to the consumer, thereby eliminating several extra costs of handling—When you compare Santfords prices with the price you have been paying you will easily see how Santfords direct buying and selling saves you money.

## Klamath Potatoes

These are the best quality potatoes Klamath produces—every sack guaranteed sound as represented—Our prices are as low as the grower can produce them at his ranch, for this reason we feel sure they will go no lower and recommend laying in a supply for winter.

Although new desks were only recently installed, the number of students at the Independence school near Phoenix is growing so rapidly that more desks must be installed before the week of next. The school has two rooms and 47 pupils and for its size is believed to have the biggest number of students in the county. Other rural schools have also been showing growth and some have shown a slight decline, according to the county school superintendent's office. A census of the county school population is to be taken this month.

Grading having been completed and the construction of concrete curbs having been finished, the paving of Portland avenue is scheduled to begin next Monday by the L. O. Herald Construction company. Three or four weeks will probably be necessary to complete the paving of the half-mile street, after which paving operations will be begun on North Holly, Almond, Spencer and Arroyo streets, all of which will be covered with black-top asphalt. Due to litigation, the paving of Park avenue, originally slated to be included in the present group, may not be done this year.
