Dependability, Satisfaction and Honest Value

The new Buick is the new Style

It you want beauty-if you want luxury. if you want up-to-the-minute smartnessthere's only one choice ... the choice of

New Chrysler - designed high-compression engine, using any grade gasoline.

New smoothness and quietness of opera-tion at every speed.

New performance bril-liancy, flashing getaway, astonishing power

Unequaled for Value . . . in the field

of low-priced sixes

and your well that head was flying up over the pap of the forces car-trying flast kettle with him. While he stood wondering an Indian came along and scened to be tooking for somethum. "M-Carle, do you know where my herring kettle is?" It ought to be right here." Being ignorant of the Indian ways he very in-nocently told the whole story-himmediately the Indian demand-ed that he pay for the kettle. Of course he protested. But the he dam assured him that that was they way, and if he don't pay he would get the whole trabe af-ter him.

he would get the whole these ac-ter him. There exemped to be no escape, and as he turned oxeh the noney he thought be heard something snicker. He looked up, and there on top of a tree was the mosquito swinging that kettle and laughing fit to tell.

America ... the new BUICK with Masterpiece Bodies by Fisher

From one end of the country to anotherin New York, in Miami, in Chicago, in Los Angeles and all towns between-overwhelming praise for the distinctive beauty of the Silver Anniversary Buick with new Masterpiece Bodies by Fisher!

All agree that here is a new style-a new mode—an entirely different and original interpretation of motor car beauty, fore-casting the trend of smart body-design for months to come.

And all are voicing their approval in steadily mounting demand-a demand several times greater than the demand for any other automobile that makes even the slightest bid for comparison with this new Buick!

Thrilling new lines-graceful contours-gently rounded steel panels at sides and hood, the most expensive steel panel work employed on any automobile in the worldlend matchless charm and beauty to the Buick silhouette.

Vivid new colors-smartly-contrasting chrome-plated headlamps and cowl-lamps -striking new radiator, fender and bumper design-impart added dash and distinction.

And wonderful new interiors-with new adjustable front seats and full-width rear seats - new velvet mohair upholstery-and the most attractive hardware and fitmentsall combine to form ensembles of rare and distinguished artistry. It's the new stylethe new mode-in motor cars!
