FLAMES DESTROY BARN AND FEED AT REESE CREEK

REESE CREEK, Oct. 19, (Spe-
cial)—Reese Creek has started a
new health record of eating some
kind of mush cereal for breakfast,
hoping to make the cows and kids
fatter and healthier.

There was a wreck up at the
Rockie Inn hotel Monday night. It
is reported that the big Jackson
County Creamery truck ran into a
Ford touring car, injuring two
women.

Daddies' night will be celebrated
Friday evening, October 26, at the
school house. Every daddy is
urged to come and have a good
time. There will be chess plays,
sketch dances and fortune telling.

A barn owned by Mr. Tom Pullen
and Lewis Robertson burned last
Saturday night between 10 and 11
o'clock. The fire could be seen
very plainly from Eagle Point.
Many thought it was the W. Shorn
service station. The barn had only
been built a few years. There was
about eighteen tons of hay burned,
besides a large amount of chicken
feed. Mr. Pullen had just set in his
winter supply of straw for some
two hundred chickens, as well as
his winter apples and wood, all of
which was stored in the barn. Mr.
Pullen and family had retired for
the night and were awakened by
Mrs. Lewis Robertson, who had dis-
covered the fire on the roof. It is
thought that the fire was caused
by spontaneous combustion. It
burned so rapidly that it was with-
in a few minutes that the chicken
house was saved from the flames.

The lesson for next Sunday is
found in II Corinthians, 5:1-9: 24,
7: 15. The title, "Christian Stev-
ardship." Golden text, "This they
did, first gave their themselves to
the Lord." II Corinthians, 8:5. The
Rev. John Still will preach after
Sunday school. The Rev. A. L.
Wilson of Roseburg preached at
Reese Creek in the morning and at
Brownboro in the evening on Oc-
tober 14. He is the Sunday school

missionary for the Baptist church.
Many will recall the special revival
services he held at Reese Creek two
years ago.

Charles Pettibrew was successful
in bagging three pheasants last
Monday, the first day of the open
season.

Mrs. Charles L. Cummings called
on Mr. and Mrs. J. W. Watkins of
Medford Monday.

Mrs. Walter England and Miss
Dorothy Christian, the primary
teacher, motored to Brownboro
after the services at Reese Creek to
attend Sunday school and church
there in the afternoon.

Grandma Robertson had quite a
surprise when her two grandsons,
Lloyd Peters and brother, arrived
from their home in Kansas the
other day.

Quite a number from Reese
Creek attended Sunday school and
church at Brownboro October 14.

Big Change in Face Powder

A good face powder must do
more than merely remove shine.
It should stay on longer, prevent
the pores from getting larger,
spread smoothly, and leave a
peachy look on the complexion. A
new French Face Powder called
MERODE-GLO does these things.
MERODE-GLO is truly wonderful.
You will simply love it. Health's
