# VIOLET RAY

## ANTI-KNOCK GASOLINE

LOOK for the Violet color! It is the guarantee that you are getting genuine General Violet Ray—the new Million Dollar motor fuel. Here, at last, is a greater gasoline ... greater even than the original General, admittedly the finest motor fuel on the Pacific Coast. You can get it from 3000 General Independent Dealers and from 5000 pumps. In every town from Canada down!

Years of research lie behind General Violet Ray. Violet Ray should sell at a premium, but to introduce it to the Pacific Coast it is being offered at the regular market price.

General Violet Ray is *vitalized*—made without the addition of compounds. *It is a high compression anti-knock gasoline, free from sulphur and acids. Carbon eliminating. Quick starting. Perfectly balanced. VITALIZED!*

Remember that the Violet color is protection against substitutes. Look for it. Fill your tank with Violet Ray today and prove its amazing qualities to yourself.

*Hear the "General Independents" sing*

*This famous quartet broadcasts every Friday night at 8:00 over the National Broadcasting Company Network. Tune in. Here's keen harmony and an unusual 4-piano concert. They will also gladly play request numbers. Just send them in or leave them at any General Independent Station.*
