

City and Rogue River Valley School-News of the Week

Junior High

Banking 100 per cent. Junior Hi Wins Game Gym Chassis & Uniform

(Reporter, Carol Dodge)

Last week five rooms banked 100 per cent. They were rooms 10, 2, 7, 3 and the Study hall. The average for the school was 97.5 per cent. We did improve somewhat out of the same. Our Junior High school team played Ashland Junior High Saturday, Oct. 26, at Ashland Junior High field. Our boys won by the large score of 42 to 9. The final score was never in doubt from the time the whistle blew. Some of the loyal supporters of the team went along to root for the boys. Those who attended were: Anna Edwards, Carol Dodge, Goldie Higdon, Anna Mae Faison, Deloris Holbrook and Wilda Hall. The girls of the Gym classes are now appearing in full uniform which makes their work easier and their movements unimpeded. There was an important G. A. A. meeting Thursday night after school. Last week we had six weeks tests. This week we see the results. The following pupils have made an average of 100 per cent for the six-week work. Out of the 1's we have Agatha Buchanan, Eva Peterson, Evelyn Herman, Dorothy Gore, Catherine Chaney. From the H's we have Dora Crawford, Betty Stennett, and Bill Prentice. Of the 1/2's we have Marie Val, Bernmark and Billy West.

Comings, Barbara Wall, Milla Greene. The first number on the program was a violin solo by Mr. Folkenberg, accompanied by Miss Church, which was greatly appreciated by everyone. He very graciously responded to ensure.

Charlotte Ludwig made the banking report for the week. October 26 has been set by the state of Oregon as Frances E. Willard Day. The governor's proclamation was read by Sybil Jean Young. The children of the school were urged to honor Frances E. Willard by their obedience to law and by the exercise of self-control. Following this reading, Rev. W. H. Eaton of the Baptist church was introduced to the student body. He paid a very fine tribute to the life and work of Miss Willard. Mr. A. J. Hanby presented to the school a beautiful banner, Adra Edwards, president of the student body, accepted it in the name of the school.

Rogue River Academy

Visitors from Eugene Grade Ships Entertainment Given

We are still glad to welcome other students into our midst, as several more have arrived this week, and still they are coming.

T. B. Westbrook, president of the Southern Oregon conference, and his wife, from Eugene, Oregon, were visitors at the school Tuesday. Mr. Westbrook occupied the chapel hour. We were all very much interested in his talk. He told of some of the trying circumstances in which people are many times placed, and the soldiers in times past have had to endure many hardships. He showed that if we are to become successful missionaries to the world, we must endure hardships as good soldiers. We were able to overcome very obstacles. We enjoy having these visitors come, and extend a hearty welcome to them to come again.

Mr. and Mrs. C. A. Rittenhouse were visitors at the academy on Tuesday afternoon.

To see that contented look on most of the faces, one would think we have no fear of the six weeks examinations, but we will see just what the result is next week when the keys are handed out. We hope to have a large number on the "Honor Roll."

A new kind of entertainment was given at the academy Saturday night, in which each was to wear, carry or act the name of some geographical place.

The members of the 6B English class have been gathering and writing the news of their school. The reporters for this week are as follows: Bonita Hammack, Marjory E. Art, Irene Alecock, Marjorie Archer, Margaret Mann, Catherine Erardt, Mollie Browns, Stanley Kuzeman. Last year in a try-out throughout the city schools Fire Chief Roy Lott awarded the price, which was a lovely silk flag, to Roosevelt school for the best showing in a fire drill. The school hopes to do as well or even better in that line this year.

They have been working on a very complete organization and the fire squad is as follows: Regulars—Hoseman, Leltoy Williams, nozzlemann, Clyde Van Orwick; room guards, Glenn Stewart and Herb Stearns. Alternates—Russell Ulrich, Kenneth Buchanan, Leonard Cathey, Doris Lipp. First Floor: Regulars—Hoseman, Fred Swift; nozzlemann, Oria Goble; fire extinguisher, Roy Coghill; city fire alarm, Kenneth Jennings, room guards, Peyton Newcomb, Dolph James.

Alternates—Nielsa Dewit, Henry Swift, Junior Kline. Pot of Fire Escape: Daryl Palmer, Marion Littrell.

The children were out of the school building in 45 seconds after the fire bell rang at 10:00 a. m. Wednesday. This was a good record.

Report cards were given out Wednesday noon following last week's tests. Some grades were exceeding poor; others were excellent.

A football game is planned with Lincoln school Saturday morning at the Jackson school field. It is expected to be a hard

fought one as the teams are about evenly matched. But we hope to win. Roosevelt girls got E—excellent in marching tactics. You may be sure Miss Allen was our trainer.

Sixth grade girls got a new volley ball court. Now every morning they are to be seen playing volley ball instead of basketball.

A teeth inspection was given to grades 4, 5, 6 by Dr. C. E. Goldsberry and Mrs. Josephine Jones. Many were found to be in splendid condition.

Our school is going to have a Halloween Frolic Friday, November 2, 1923. A gay time is in store for all who go. The frolic begins at the Roosevelt school at seven-thirty. There are to be plays, stunts, bob ponds, and even ghosts and goblins. We hope there will be a large crowd as we are working hard to make it a success.

The building had an average of 72.4 per cent. Mrs. Maxwell's 1B, 1A had the highest average of 95.7 per cent. The building had an average of 97.9 per cent. Miss Morgan's 4A class had the highest average of 98.9 per cent.

Torch Honor Society Party. Girls League Party. Faculty Cashier Appointed.

The Torch Honor society of the high school will hold a party in the high school gym, Friday, Nov. 2. Committees have been appointed and one of the main features of the evening will be the initiation of the new members, of which there are six sophomores and one junior.

A meeting was called, at which old members turned in their pins and received the next in order, which consists of one more bar, excepting seniors, who turn in the two bars and receive the gold torch pin, which becomes a permanent possession of the student if the required number of points are earned by the end of the year. Freshmen are not allowed to belong to this society, due to the fact that they have not accumulated enough points. The new members are Robert Spalding, Fred Colvin, Mildred Walker, Irene Broadwell, Helen Williams, Barbara Drury, sophomores, and Laura Drury, junior.

The initiation ceremony of the Freshman girls at the Girls League gymnasium, Friday evening, October 26, was very impressive. After the officers of the league, who were seated on the stage, told different aims and characteristics of girls who belong to the Girls League, the freshmen girls, robed in sheets, filed up the steps to the platform, and received their pins of the Girls League creed.

The annual initiation followed, which girls had to walk on a tumbling mat, make sounds like

baritone yells and animal and boys school yells. One of the main features of the initiations was that of the new teachers, Miss Ruth Able, Miss Carol Ramsey, and Miss Tobey were engaged in a pleasing contest, of which Miss Able was victor.

Mrs. Kammann hypnotized two of the freshmen girls, who played the piano, the other danced a jig. Music was furnished for the dance by Louise Oenbrugger and Beulah Gore, violinists, and Margaret Oenbrugger at the piano. A large orthophonic also furnished some of the music.

Delightful refreshments of iced and doughnuts were served by the committee.

Bill Morgan has been appointed faculty cashier by the bank president, Billy Courroy.

As soon as grades can be obtained for this six weeks, the H. K. C. A. club will be reorganized.

Judge Thomas an Expensive Luxury

During the five or a fraction years of his incumbency, eleven outside judges from nearly every part of the State of Oregon have been called into Jackson and Josephine Counties to do the work Judge Thomas was paid to do. In addition to paying the salary of Judge Thomas, you have been required to pay mileage and expenses for these various judges, some of whom have been called into this district several times. A list of these judges follows:

Name of Judge	County	Sat for Judge Thomas
A. L. Leavitt	Klamath	Beginning November 21, 1923
A. L. Leavitt	Klamath	Beginning February 19, 1924

Geo. R. Bagley	Washington	Beginning April 10, 1926
J. W. Hamilton	Douglas	Beginning August 4, 1926
Walter Evans	Multnomah	Beginning November 29, 1926
James Alger Fee	Umatilla	August 15 to August 20, 1927
Orlando M. Corkins	Lake	September 16 to October 6, 1927

Orlando M. Corkins	Lake	June 11 to June 15, 1928

Arlie Walker	Yamhill	August 5 to August 9, 1928
Arlie Walker	Yamhill	October 1 to October 4, 1928

It will be observed that during the past year and the present year six outside judges have either held terms of court or tried cases in this district. Two of these judges were here during a time when Judge Thomas was convalescing from an operation, viz. Judge Fee and Judge Corkins. The other four were brought here because Judge Thomas elected to disqualify himself in certain cases that were brought before him.

An examination of the Circuit Court Journal for the THIRTY-SIX years preceding Judge Thomas' election shows that during all that time not more than four outside judges were called into the district at the expense of the taxpayers.

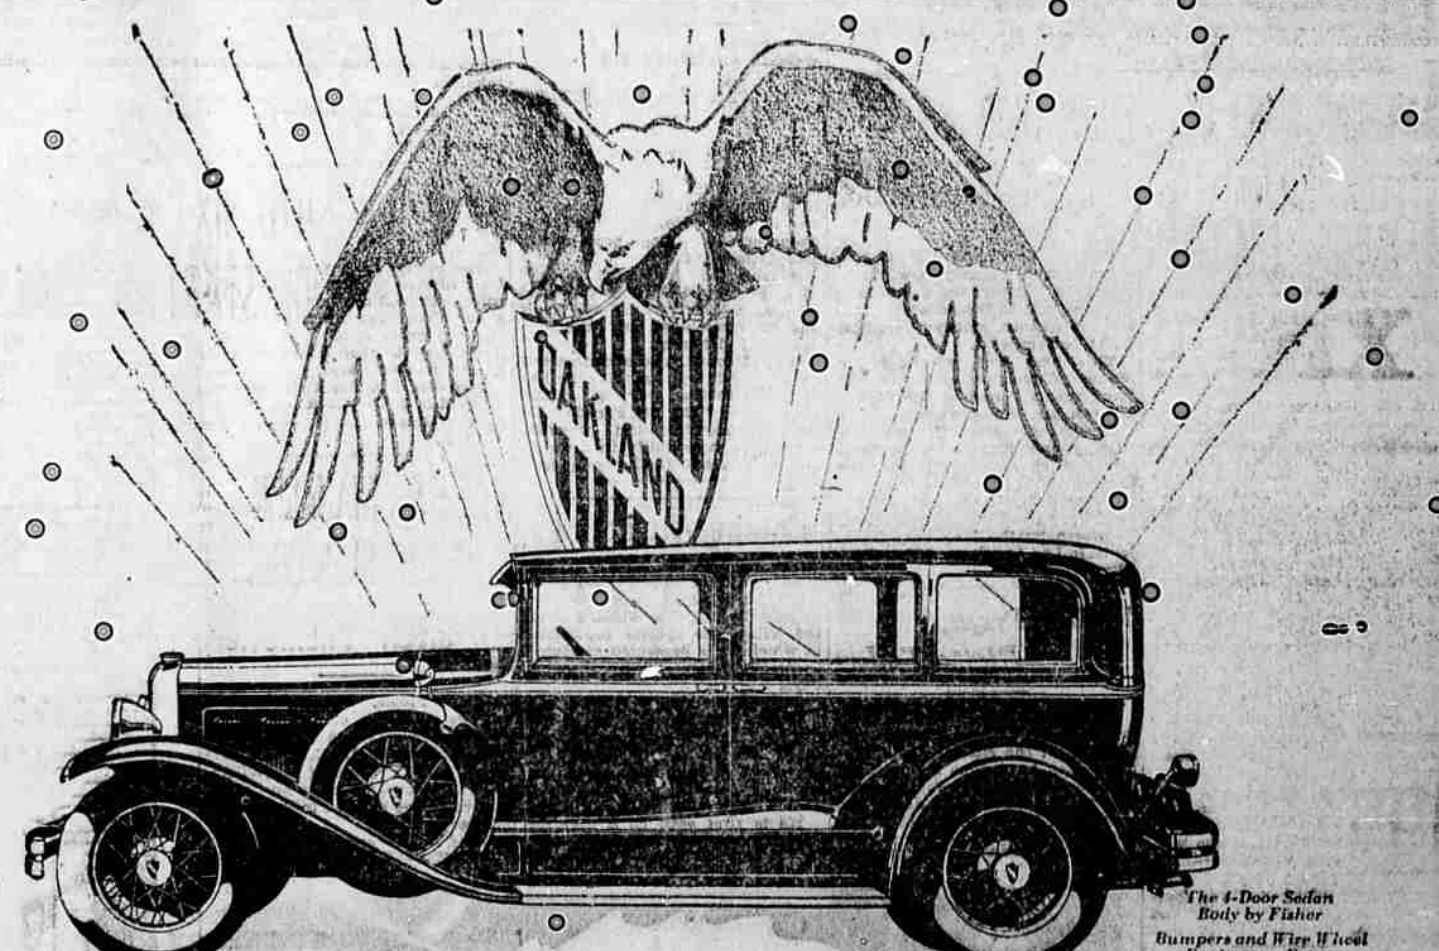

The records further show that Judge Leavitt was brought into the district at five different times; Judge Evans at three different times; Judge Corkins at six different times; Judge Walker at three different times, and the other judges named, once each.

WHO PAYS?

This situation has not only resulted in a heavy cost to the taxpayers, but has occasioned great inconvenience, delay and expense to litigants who have been compelled to transact important business requiring prompt or immediate attention through the mails with these various other judges.

We ask you to help us elect a competent judge, capable of handling the business of the district without this unnecessary and great additional burden to the taxpayers. BETTER GOVERNMENT LEAGUE.
