

**BUSINESS WOMEN
TO TAKE COURSE
PHYSICAL CLASS**

More than 25 local business women have signed up for the adult physical education class to be conducted by Miss Maud Barriger, local high school physical education instructor, beginning Monday, November 11. These classes, which will be held from seven to eight o'clock every Monday night during the months of November and December, are open to business women of the city, housewives and others who wish recreational activity.

General health exercises, reducing exercises, volley ball, basket ball, club dancing and folk dancing will be some of the features of the course. These will be interspersed with health and diet talks, given by Miss Barriger. Those wishing to take advantage of the opportunity offered by the local instructor, are asked to get in touch with Miss Barriger before November 11, as the class will necessarily be limited to a workable size.

**JACKSONVILLE GIRL
IS RATED PERFECT
AMONG O. S. C. WOMEN**

Miss Louise Weiss of Jacksonville and graduate last June of the local high school, has been rated the most perfect example of physical development and neatness in dress among the entire women student body at O. S. C. this year.

The physical examination at the college was conducted by Dr. Warner, acting director of the Marion county health demonstration unit at Salem. Mr. Warner spent a week in the Jacksonville schools last year giving a series of health talks.

**SECOND HALF TAX
DUE NOVEMBER 5**

Taxes must be paid on or before November 5 for the second half, announced Sheriff Ralph Jennings today, as taxes become delinquent following that date, with the penalty fixed at one per cent per month of 12 per cent per year. Payments for the second half of 1927 have been coming in satisfactorily so far, and at the present time has the office rushed. The big rush comes during the payment of the first half, causing the second half payments to be less, as many taxpayers pay the full amount in the spring.

**WASHINGTON BOY
HELD FOR THEFT**

Accused of stealing an automobile in Seattle, Wash., from Robert Foster, Lee Cannon, 18 years of age, of Seattle, was arrested in Medford last night by Deputy Sheriff Paul Jennings and is now being held in the county jail awaiting developments. It is probable that the youth will be turned over to federal authorities on a violation of the Dyer act, covering the transportation of stolen automobiles across state boundaries. Cannon confessed to the theft this forenoon, according to officers.

Brisbane's Today

(Continued From Page One)

glory that they declare, are like the men living in Plato's cave, their backs to the light, knowing only shadows on the walls.

Mr. Raskob says that Pennsylvania is CERTAINLY going Democratic.

Republicans say the Solid South is CERTAINLY smashed. Governor Smith, now travelling through it, in the last few days of the campaign, may change conditions. His last-minute trip indicates that his managers are worried about the South.

In the United States 45,000,000 have registered. This total number is greater by 14,000,000 than the number that voted in 1924.

It is expected that the vote this year will be increased by more than 6,000,000, or almost the total of the Democratic vote in 1924. Somebody apparently is interested.

Fathers and mothers of young girls should be interested in the fact that, among all crimes, the greatest increase has been in crimes against women.

There can be no doubt that increase in such vicious and dangerous crime is stimulated by the modern women's fashions, skirts short and tight, etc.

They may not be immodest, but they are in some cases DANGEROUS.

Notice.
No hunting will be permitted for the balance of this year on any of Brophy & Co's land, formerly known as the River canal Co ground.

The Owl's 36th Anniversary

SALE

**Thursday, Friday and Saturday
November 1, 2, 3**

THIS is merely a partial list of the merchandise included in the Owl's 36th Anniversary Sale—an annual event of first importance. You will notice that this is a characteristic Owl sale: a wide variety of items, all of them standard in quality; and big reductions in the price of each article.
