### MEETING HELD IN DRIVE FOR PIPES CITIZENS' TICKET

Business men and citizens gathered at the Hotel Medford last night, and arranged plans for a drive for the election of A. W. Pipes, heavy property holder, for mayor, and the remainder of the citizens' ticket with Moss L. Alford for recorder, Herbert Berman for treasurer, and P. M. Kershaw, Dick McElhose, J. O. Gray and E. M. Wilson for councilmen.

Mr. Pipes addressed the gathering, which numbered over 150 representative citizens, and assured them that he was pledged to an economical and progressive administration.

Other speakers of the evening were Mayor O. O. Alenderfer, who told the meeting that Mr. Pipes should be backed by a progressive council. John H. Carlin informed the gathering that during 10 years of business administration, the bonded indebtedness of Medford had been cut from half a million dollars to \$31,000.

Mr. Pipes, in his remarks, urged as needs to be innovated during the coming administration, a new lighting system, more recreational parks, and additional through streets to handle the rapidly growing traffic and business. These, he declared, should be inaugurated "with an ever-watchful eye upon economy."

The sincerity of the Pipes address met with an enthusiastic response from the audience, and he was cheered and applauded for five minutes at the conclusion of his address.

N. M. Hogan, chairman of the Citizens' committee, introduced the speakers at the meeting.

### CITY OF MEDFORD RECEIVES CHECK FROM COUNTY TAX

The city of Medford received a check yesterday from Jackson county for \$6931.54, in payment of one-half of the amount levied by the county, under the general road tax, under the provisions of an act passed by the last session of the legislature. The sum relieves the financial strain on the city, to levy within its budget for street work, etc., according to City Attorney Carlin.

The matter of the payment has been in controversy for three or four years.

A meeting of the street committee will be held Monday evening, and the money apportioned among the four wards of the city. It is the intention to utilize the fund in repaving sidewalks, drains, establishing grades and the installation of catch-drains before the rains come.

All of the incorporated towns of the county, with the exception of Ashland, which provides its own road tax, received rebates, checks for same being mailed on Thursday morning, by the county treasurer.

### TAX PAYMENT RUSH AT SHERIFF'S OFFICE

This was another busy day in the tax collecting department of the sheriff's office, with a rush of citizens to make their final payments. Two of the heaviest tax payments were made yesterday, checks being received from the Southern Pacific railroad for \$57,121.55, and from the California-Oregon Power company for \$31,341.35, for their final payments.

The final day for last-half tax payments is Monday.

### BROADCAST GAMES REST OF SEASON

At a meeting of the Student's council of the high school this morning, a vote was taken and it was decided to broadcast all future football games, from Van Seoye field, over KMEM. Talks in favor of broadcasting were made by W. E. Gates and Paul D. McDonald. The student body was assured that any deficit, in receipts, would be covered by the school board, through the grandstand fund.

The broadcasting was opposed by Coach Callison and Principal Conkle upon the grounds that it cut down attendance.

The Corvallis game tomorrow will be broadcasted.

### Evangelistic Service at Christian Church

Tonight is the time. The hour is 7:30. The Christian church is the place. The event is the evangelistic meeting.

There will be a fine song service consisting of congregational singing and special numbers.

The theme for discussion by the pastor, Carmen E. Mell, is "The Voice of Authority." Mr. Mell has a wonderful message on this subject that will prove interesting as well as instructive.

Spend an hour this evening very profitably by attending this religious service.

There will be no Saturday service but the meetings will be continued Sunday and thru the week.

### TRADING QUIETER FOR MOST LINES PORTLAND TODAY

PORTLAND, Ore., Nov. 2.—(AP) Trading was quiet in most lines on local wholesale produce markets today. A few commodities including apples, cranberries, citrus fruits, lettuce and onions aroused some interest and moved fairly well.

Apples continued to move in large quantities but receipts were heavy and prices were a shade easier if anything although quotations to the trade were unchanged on the various grades and varieties. Pears moved slowly with plenty of good varieties available at steady prices. Grapes were also drab. Supplies of table varieties being generous and of average good quality. Quotations were unchanged.

The onion market was somewhat firmer with quotations ranging from \$2.75 to \$4.50 on best grades of Oregon Yellow Danvers while Yakima stock was offered all the way from \$3.25 to \$4.00 per sack.

Potatoes were weak with supplies and receipts heavy and demand slow. Deschutes grade were selling mostly around \$1.25 to \$1.40 per sack while Yakimas averaged a trifle less. Sweet potatoes were unchanged.

Except for an advance of a cent in the quotation on cube first butter, there were no changes in the butter and egg list.

Trading in country dressed meat and poultry was quiet and prices were unchanged. Growing activity was reported in the turkey division but inquiry was almost entirely for fancy stock. Plenty of immature and scrawny birds were to be had but demand for that class of stock was small and prices easy.

### Wall Street Report

NEW YORK, Nov. 2.—(AP) The stock market closed irregular. Resumption of constructive activity in many groups followed the reduction in call loans to 7 per cent with the oil, chain store and motor accessory shares in largest demand. Shell-Union, Marland and Mid-Continent Petroleum followed steadily into new high territory. Chrysler rallied 3 points from its lowest figure when the list began to reveal striking buying power again, but some other leaders continued to show a wavering tendency. Sales approximated 3,600,000.

### ELECTION RESULTS TO BE GIVEN OUT BY MAIL TRIBUNE

Returns of the election next Tuesday, national, state, county, and city, will be broadcasted over station KMEM and megaphoned and bulletined by the Mail Tribune, starting at four o'clock Tuesday afternoon, when the first returns will be flashed over the wires of the Associated Press, from the New England states. Towns on Cape Cod, Massachusetts, with voting machines, report early. The reports will be supplied from mid-afternoon to one o'clock in the morning, and besides the figures, there will be statements from party leaders, and the victor and the vanquished.

As the polls do not close in this county until eight o'clock, and the count is proverbially slow, returns on the local contests will not be available until after 10 o'clock.

A loud speaker will be installed on North Fir street for the street crowd.

### SAMS VALLEY

Sams Valley Grange meets Saturday with the basket dinner at noon, and every member should attend.

Luther East and Paul Schulz returned Monday night from a

months stay in the Wenatchee valley, where they were employed in the big apple harvest of that section.

John West, who left nine weeks ago for Idaho, seeking a better place than Oregon, came home Tuesday evening, convinced there is no such place to be found.

### THE TRUTH ABOUT BRAN AND CONSTIPATION

Thousands of people eat bran regularly for the healthful roughage it provides. It is a splendid practice. But be sure you are really getting all the roughage you need when you eat bran. Doctors say it takes 100% bran to relieve constipation. Part-bran products, at best, can only accomplish part-way results. That is why they fail!

Kellogg's ALL-BRAN is 100% bran. It furnishes roughage in effective quantities and in the most effective form; cooked and krumbled. Just two table-spoonsful daily—chronic cases, with every meal—are guaranteed to relieve constipation.

You'll like the flavor and crispness of ALL-BRAN. Serve with milk or cream. Delicious with fruits or honey added. Mix with other cereals. Sprinkle into soups. Use in cooking. Sold by all grocers. Served everywhere. Made by Kellogg in Battle Creek.
