

EDUCATOR WHO KNEW HOOVER TELLS HISTORY

Shy, Diffident Youth Known to Vice-President Oregon University—Os West and Charles McNary Played With Hoover.

EGGENSE, Ore., Nov. 7.—(AP)—"Bert" Hoover, a shy, diffident youth, yet one who placed civility above all virtues; a boy who had but few close friends, yet one who always stood as defender and helper of his fellowmen; a young man whose mind eternally was busy with solving problems, serious even in chess and checkers; this is the person known and loved long years ago in Salem, Ore., by Hurl Brown, Barber, vice-president of the University of Oregon, who was one of the first to congratulate the newly elected president.

To Mr. Larker, Herbert Hoover was known as "Bert," just as other playmates were known by their boyhood nicknames. Mr. Larker himself was "Buck," Oswald West, former governor of Oregon, was "Hutch," and Charles L. McNary, United States senator from Oregon, was "Charlie." This quartet played together in Salem back in the early '90s, and one of their staunch friends was "Ike" Patterson, now governor of this state, who ran a small grocery store.

It was not until today that Mr. Barber made known details of his intimate friendship for the newly elected president, for it was a friendship so highly regarded that he did not wish it to be exploited in any way during the campaign. It is a warm, human story that Mr. Barber tells, admiration for the qualities that brought the quiet "Bert" Hoover to the fore was early felt by "Buck." He recalls their first days together, when "Bert" said little, yet his reticence seemed to denote sterling qualities that drew the other boys to him. Hoover was at that time working for the Oregon Land company, while his friends, "Hutch," "Charlie" and "Buck," were in school.

The four boys went to parties together, played chess and checkers when "Bert" would give them odds, and they had the usual boyhood adventures in and around the little city of Salem. Mr. Barber recalls that it was at parties about this time that he and Mr. Hoover first saw and ate powdered sugar and tasted their first few cream. These commonplace foods were rare and delectable viands for the boys in those days.

Had Chivalry
It was at a party during this time that "Bert" Hoover showed signs of chivalry that has dominated his life, Mr. Barber relates. A young man who was present, who called upon him for a story told the old myth in which a young woman who asked of the gods that she be given eternal life, but forgot to ask for eternal youth. She grew older and older until finally there was nothing left but her voice. When the party was over "Bert," usually shy and diffident and set down given to quarreling, savagely attacked the story teller and severely chastised him, for what he deemed a reflection against womanhood. It was useless for the boys to try to explain to him that it was a myth, for he was firm in his contention that it was one that should not be told in "mixed company."

Then Mr. Barber tells how, years later, during the World War, just before America's entry, this same man, still shy and diffident, but driven against his sense of outraged chivalry, steered himself to approach the Kaiser of Germany. Hoover was at the time in charge of relief work in Belgium, and German soldiers he told the Kaiser, were looting food stores consigned to women and children refugees. An order to stop the robberies was demanded, which the Kaiser refused, declaring that "German soldiers would not do such things."

"Finally Hoover, driven to desperation, said sternly, 'all right, we'll shoot a few of your soldiers with the foot in their hands and bring them to you. Then you will have to believe it.'"

The Kaiser, livid with rage, then

A Substitute for Dieting

ARTICULAR people do frown on those who "pick and choose" at the table. A "diet" is often embarrassing and always a hardship. And nine times out of ten it is unnecessary. Try this simple experiment: see if that "indigestion" doesn't disappear from the very hour you first take Pape's Diapepsin. To restore good digestion just eliminate excess acid. A tablet of Pape's Diapepsin after eating or when pain is felt will instantly neutralize the acidity and banish all digestive trouble and pain. So, do buy a 60-cent package of "Pape's Diapepsin" today. This not only means instant relief, but by soothing, healing and strengthening your weak and disordered stomach a little "Pape's Diapepsin" keeps your digestive system healthy and helps to prevent various disorders. You may have decided that nothing could give you a "strong" stomach; just make the diapepsin test!

came back, and agreed to issue the order. This was witnessed by Ambassador Girard, who told the story to Mr. Barber.

Many other incidents of their boyhood together can be recalled by the university vice-president. Throughout all of them can be noted the qualities that made for success in later life. Many of them showed courage and civility and love of truth, faithfulness to friends, a willingness to help a fellow man in every way. "The United States has chosen wisely," declared Mr. Barber. Mr. Hoover will bring to his new position all the qualities that made for success in later life. He will bring in addition a vast experience in dealing with the problems of the world. He will bring a trained, scientific mind, and best of all he will have as a basis for his actions that chivalry and love of truth that stamped him as a leader from the first.

HOOVER, SHIPSTEAD, CHRISTIANSON LEAD MINNESOTA ELECTION

ST. LOUIS, Nov. 7.—(AP)—Herbert Hoover carried Missouri by a wide margin and apparently secured the Republican nomination for United States senator and governor along to victory with him. With three-fourths of the state's vote tabulated today, the Republican presidential nominee's lead over Governor Alfred E. Smith stood at 56,848, with indications it would easily exceed 100,000. Hoover piled up an overwhelming lead of 108,230 votes out-state and Smith failed to get the lead in St. Louis his supporters expected, the New York governor leading by only 11,882 votes with 572 of the 640 St. Louis precincts in.

GOVERNOR HUNT LOSES ARIZONA

PHOENIX, Ariz., Nov. 7.—(AP)—Governor George W. P. Hunt, six times chief executive of Arizona, and a Democratic candidate for a seventh term, conceded the election of John C. Phillips, Republican, today when he was notified that 329 complete and incomplete precincts of the state's 462 gave the Republican nominee a majority of nearly 2,000 votes.

Countering these Republican majorities, United States Senator Henry P. Ashurst and Congressman Lewis W. Douglas, both Democrats, had leads over their opponents. "He's elected," was the governor's declaration when he inquired as to details of precinct returns and heard that with partial returns from three-fourths of the state's precincts, his opponent had an advantage that reached into four figures.

HEAVIEST MAIL CARRIED BY PAT

SAN FRANCISCO, Cal., Nov. 7.—The Pacific Air Transport, Inc., announced today that the heaviest load of mail it had ever carried north was taken from here on its plane that left at 5 p. m. With Ralph Belden as pilot the plane carried 210 1/2 pounds of mail. The largest previous amount was 165 pounds. Much of today's mail was news pictures of Herbert Hoover, president-elect.

Chinese General Has Many Wives and None Nag

MUKDEN, Nov. 7.—(AP)—Nagging wives have no place in the domestic circle of General Chang Tsung Chuan, whose life partners number some 28 or more. The general, outlawed by the Nanjing government as a rebel, made his final gamble for power near the eastern end of the domestic circle. He held out for weeks against the overwhelming nationalists led by General Pai Shunghai. He was accompanied near the front by wife No. 1 and some of his other wives who traveled by special train. Foreigners and Chinese disagreed as to the number of wives claimed by General Chang, who as a young man was a gang leader in Harbin, where he learned to speak Russian. The Chinese say the general has about 37 wives—Americans and other foreigners understand the "ret. & int." totals but 28 or 30. The general himself doesn't say, and no one dares to ask him.

STAMP APPROVAL REPUBLICANS IN WASHINGTON VOTE

SEATTLE, Nov. 7.—(AP)—Washington voters placed an emphatic stamp of approval on the great majority of Republican candidates in the general election yesterday. Senator C. E. Dill, candidate to succeed himself in the upper house of congress and Sam B. Hill, representative in congress from the fifth district were the only Democratic candidates for major offices, who apparently had weathered the storm of Republican ballots.

The state returned an overwhelming plurality for Hoover, while with the exception of Senator Dill and Representative Hill, the remainder of the Republican congressional ticket was successful. Congressman Albert Johnson, John F. Miller, Lindley H. Hadley and John W. Sumner were all returned to office by substantial majorities. The Republicans swept their state ticket into office without difficulty, the only contest of moment being between Governor Roland H. Hartley, who was seeking reelection and Scott Bullitt, Democratic nominee. Bullitt conceded his opponent's election early last night. A constitutional amendment providing for the classification of property for taxation purposes met with approval on the basis of incomplete returns.

HOOVER'S MARGIN MOUNTS IN PENN

ST. PAUL, Nov. 7.—(AP)—With Herbert Hoover, Senator Henrik Shipstead, farmer labor and Governor Theodore Christianson, Republican, successful in Minnesota's election Tuesday, interest turned to the outcome of congressional contests in five of the state's 10 districts. Five of the state's congressmen won their contests on the basis of early returns, while in other races the incumbents were leading.

Those elected are Cline in the second; Anderson, third; Newton, fifth; Kautson, sixth and Kvale, seventh.

Hoover, Shipstead and Christianson continued to swell their totals as state returns were tabulated. In 985 precincts of the state's 3732 Hoover had 171,877 against 126,665 for Smith. In the senatorial contest Shipstead had 129,956 against 61,257 for Arthur E. Nelson, Republican, when 645 precincts had reported. Republican candidates for minor state offices were uniformly successful.

FLORIDA DEMOCRATS CONCEDE SMITH LOST

JACKSONVILLE, Fla., Nov. 7.—(AP)—With Herbert Hoover leading Governor Alfred E. Smith by 106,239 votes to 76,747 on the basis of final returns from 807 of the 1253 precincts in Florida, the state Democratic committee conceded victory to the Republican nominee.

PROHI SECRETARY SEES HOOVER WIN AS DRY VICTORY

WESTERVILLE, Ohio, Nov. 7.—(AP)—Dr. Ernest H. Cherrington, general secretary of the world league against alcoholism, in a formal statement today, declared the election of Herbert Hoover as president "in some respects marks the greatest prohibition victory ever achieved."

Hoover's victory, Dr. Cherrington claimed, indicates that the American people are desirous of keeping prohibition in the constitution and laws of the United States. He said that the victory for prohibition is shown not only in the election of Hoover through winning a sufficient number of electoral votes, but "what is even more to the point, by the heavy popular vote he received in states where his vote was not strong enough to give him electoral votes."

It was the belief of the dry leader that election of Hoover will have a decided effect on the prohibition and temperance movement in some other nations. "Had the result been otherwise," he declared, "the rest of the nations, which are looking to America for leadership, would have been persuaded that the United States was tired of prohibition and the vote would have shown that to the majority of the American people, prohibition was unjustifiable. Education was held by Dr. Cherrington to be the chief future work of the temperance forces."

MASSACHUSETTS FALLS IN SMITH VICTORY COLUMN

BOSTON, Nov. 7.—(AP)—Governor Alfred E. Smith won the state of Massachusetts by a plurality of more than 22,000 over Herbert Hoover.

With 50 precincts missing out of 1695 Smith's total vote was 765,885; Hoover's was 743,459. The Democratic candidate's victory was insured by a wide margin in the city of Boston, where he polled 186,651 votes to 66,423 for Hoover.

Senator David I. Walsh was re-elected over H. Loring Young by a plurality of more than 120,000. Figures from the same number of precincts showed a total for Walsh of 789,975 and for Young of 666,749.

NORTH DAKOTA HAS REPUBLICAN SWEEP

FARGO, N. D., Nov. 7.—(AP)—Republican candidates for national and state offices apparently swept North Dakota in Tuesday's election on the basis of returns from 285 out of 317 precincts in the state.

Scattering returns from the western part of the state apparently failed to show the Smith sentiment which the Democratic managers had predicted. Early figures from 658 precincts today gave Hoover 66,727 and Smith 29,683.

Election of George F. Shafer, Republican, as governor was indicated.

ATHLETIC CLUB OPENS TONIGHT IN NATATORIUM

The Medford Athletic club, sponsored by Jack Wood, will be opened for business tonight in the Natatorium building, where new equipment was being installed today. The club was primarily organized to provide a gymnasium for local business men, with a small monthly dues for each member.

Athletic instruction is in charge of Tommy Ryan, an experienced hand in this line. At tonight's opening a number of fighters who are to take part in next Friday's smoker, including Jimmy Weir, who will fight Frankie Warnock in the semi-windup, will work out at 7:30, and the public is invited to attend. Hassan Mohammed, the Terrible Turk, who plans to wrestle here soon, will also fight.

Weir will work out with Ben Deyson of Seattle, who will also be on Friday's card. Weir has the distinction of having fought 18 years without being knocked out. Last year he fought 192 fights and won most of his encounters. Bobby Vernon and Eddie Cartwright, who will fight in the main event Friday, are expected to arrive tomorrow and probably also will work out in the new gymnasium. Cartwright is a colored boy and Vernon a soldier from the Vancouver barracks near Portland. He appeared here last Friday.

FOOTBALL SPECIAL MEETS WITH FAVOR

Considerable enthusiasm has been expressed by local football fans over the possibility of running a special Southern Pacific excursion train to the Dalles November 17 for the Medford-Dalles game, to be held in the latter city November 19.

The train, if a sufficient number of local citizens sign up, will leave Medford about 2:30 Saturday night, so that business men, who must keep their stores open until nine o'clock, will be able to take advantage of the offer. The train will arrive in Portland Sunday morning, and spend the day there, leaving for The Dalles Sunday night, and arriving in that city Monday forenoon. If ten or more local citizens make the trip the round trip ticket will average approximately \$15, according to A. S. Rosenbaum, district manager.
