

SALVATION ARMY BUDGET CAMPAIGN BEGINS AT ONCE

The Salvation Army advisory board of which C. C. Lemon is chairman, met last night at the Elks hall and discussed the budget for the ensuing year. A budget of \$5655 was decided upon with the estimated corps income at \$2190.

The intensive part of the campaign will be done by the local Army people, with Adjutant J. A. Buchanan and Captain Ellison in charge.

A report of work done in Medford from November, 1927, to November, 1928, shows the following: Persons given Christmas dinners 250, Persons given other meals 490, Garment's given during the year 1545, Pairs shoes given 220, Meetings held in hall 432, Attendance in hall 9280, Converts, senior 89, Classes held for young people 190, Converts, young people 76, Att. young people 4276, Persons interviewed and advised during the year 817, Persons found employment 72, Girls sent to our rescue home 10.

STARS TO SHOOT THURSDAY NIGHT SCIENTISTS SAY

CHICAGO, Nov. 8.—(P)—Next Thursday night there will be the most brilliant spectacle of shooting stars ever afforded this generation. It was predicted today by astronomers at the Yerkes observatory, Williams Bay, Wisconsin.

On that night the earth moves into the astral region of the Leonid meteors, believed to be the remnants of a comet. The Leonid group, it was explained by Prof. Edwin B. Frost, director of the observatory, whirrs around the sun in an orbit that crosses the earth's. Every November an interval of every 33 years the earth passes squarely through the center of the Leonid orbit.

OREGON PROPERTY VALUATION BASIS IS \$946,826,736

SALE—Ore., Nov. 8.—(P)—Oregon's assessed property valuations for 1928, on which will be based the tax levy for 1928, is \$946,826,736, according to a compilation of reports from county assessors made by the state tax commission.

This is a decrease of about \$7,100,000, as compared with last year when the valuations totaled \$953,926,736. The loss of \$8,108,869 in national bank assessments, due to a federal court decision, is responsible for the big decrease.

Only 14 of the 36 counties in the state show increases, which is an unusual condition. Reduction on farm lands and timber holdings, the latter due to cutting, is largely responsible for the decrease in up-state counties. In Multnomah county the loss of the bank stock valuation cut the increase to \$28,723. That county's valuation last year was \$326,301,269, and this year it is \$326,320,983. Counties showing increases are:

UNION COUNTY VOTES AGAINST COURTHOUSE

LA GRANDE, Ore., Nov. 8.—(P)—With Union county unofficial county complete, all county and district officers were re-elected with few close contests. A proposal for \$100,000 for a courthouse was voted down nearly four to one.

SUNDAY MOVIES VOTED IN EUGENE, CORVALLIS

EUGENE, Ore., Nov. 8.—(P)—Voters at Tuesday's election gave a majority of 1000 for a measure permitting theatres to be open on Sunday.

CORVALLIS, Ore., Nov. 8.—(P)—A measure permitting opening of motion picture theatres on Sundays was approved at the election Tuesday.

NEW POLICY AND WAVE ALLOCATION AT STATION KMED

With the new allocation which has been assigned to KMED, the Mail-Tribune-Village radio station by the radio commission going into effect November 11, an interesting new program and policy is being worked out by local interests for the coming year.

The new wave length has been tested out the past week and has proved to have unusually far reaching carrying power, with no interference from larger stations during its schedule. Harold La Font, radio commissioner for this district, has shown the station every consideration and has expressed his appreciation for the service given the surrounding district by its programs.

In addition to the wide advertising schedule through its interchange of programs with KOIL at Council Bluffs, Iowa, once a week, when Medford Chamber of Commerce activities and local civic publicity is broadcast from that station throughout the entire middle west and east KMED, through its association with the Mail-Tribune, has brought the residents of Rogue River valley all the big news events of the year.

THROUGH ASSOCIATION WITH THE MAIL-TRIBUNE...

With the world series broadcasts, local football broadcasts, the news and market reports, first reports and warning that save the valley thousands of dollars during the fruit season, as well as the daytime programs that are brought into local homes at a time when the larger stations are silent, KMED has come to fill a place in the community that cannot be duplicated.

The local station, with the new allocation going into effect on November 11, will be heard all over the western half of the United States with absolute clarity, according to local radio experts.

With this in mind, an effort will be made to get the proper amount and quality of advertising on the air that is expected to bring popular and beneficial interests into the valley.

grams, giving community talks would be presented in an interesting and artistic way to the outside major activities of the community world.

"Stop Worrying About Those Varicose Veins"

Simple Home Treatment Giving Amazing Results

Rub Gently and Upward Toward the Heart as Blood in Veins Flows That Way

GENERAL VIOLET RAY ANTI-KNOCK GASOLINE

GENERAL VIOLET RAY, the new million dollar motor fuel, is anti-knock. And, at the same time, the best gasoline on the market today for your automobile. Fill up today and let your engine decide!

A few years ago when General Gasoline was introduced to Pacific Coast motorists its apparent superiority won it instant popularity with drivers and dealers. Today the General Petroleum Corporation presents to the same motoring public that supported the original General so enthusiastically, a new product—GENERAL VIOLET RAY ANTI-KNOCK GASOLINE,* the result of years of experimentation and months of testing.

It is logical that General would never have undertaken this complete change to Violet Ray had it not been tried and tested... thoroughly established. But the time and money spent would have been of no consideration could we not positively

say to the motorist, "Here's a better gasoline than the old General—so much superior that we have given it a new name, a new design and the Violet color for your protection." Try it and have the assurance that science and money have united to make the finest gasoline for any car driven, under any circumstances—GENERAL VIOLET RAY ANTI-KNOCK GASOLINE.*

HEAR THE "GENERAL INDEPENDENTS" SING Tune in! Every Friday night at 8:00 over the National Broadcasting Company Network and hear this famous quartet together with a unique concert of four pianos. Request numbers may be turned in to any General Independent station. Send yours in!

*A new and greater motor fuel, worth a premium, but sold at the regular market price to introduce it. The product of a \$150,000,000 corporation.
