

APPLE AND PEAR MOVEMENT GOOD PORTLAND MKT.

PORTLAND, Ore., Nov. 8.—(AP)—Although trading was not very snappy on local wholesale produce markets this morning, commodities were moving fairly well. Hoover's election was looked on with favor by the majority of the trade who predict that the marketing problem under his administration will receive careful attention and assistance.

Apples and pears were selling in good volume. Varieties and prices were unchanged.

Nothing of especial interest was noticeable on the wholesale vegetable market, supplies of all items being liberal and fairly active. No price changes were quoted.

Except for another advance of a cent in the quotation on standard extra eggs, there were no changes in the butter and egg list.

Receipts on country killed hogs and veal were fairly heavy and prices were correspondingly easy. Pork was especially drizzly and values were low at 12 1/2 to 13.

In the poultry division conditions were good, supplies of hens being light and demand fair. Turkeys were arriving in larger quantities, quotations on livestock ranging from 25c to 30c, depending on condition and maturity of the birds. Dressed turkeys were quoted from 35c to 38c for good stock, while scrawny and immature birds brought considerably less.

Wall Street Report

NEW YORK, Nov. 8.—(AP)—The "Hoover market" which got off to a flying start yesterday, continued to press forward today under an avalanche of buying in the copper, oil, motor, merchandising and food shares. Fears that a technical reaction would follow the initial celebration of the Hoover victory inspired profit taking in a number of issues, which drove real two to five points, but the general list pointed upward with gains ranging from one to 16 points.

The closing was strong. Several of the high priced shares performed rather sensationally in the late trading. Montgomery Ward led up 1/2 to 3/4 for an overnight gain of 23 points. Weight Aero climbed into the \$200 share class as it moved up 1 1/4 points. Coty did nearly as well with a gain of 1 1/2. Radio was up 5 1/2 points and Western Union and General Electric four points. Standard Oil of New Jersey reached its highest price since 1922 as it touched \$2 3/4. Buying was confident in many quarters despite the lifting of the call money rate to 6 1/2 per cent. Sales were more than 1,800,000 shares.

Develop Western Canada. EDMONTON, Nov. 8.—(AP)—Government to sell the Alberta province's northern railroad lines to the Canadian Pacific railway for approximately \$25,000,000 is being in Western Canada as forecasting more adequate development of "Canada's Last West."

Dutch Comedian Dead. SAN JOSE, Cal., Nov. 8.—(AP)—Charles Murphy, 35, general manager of the South Coast Gas company, and Peter Rogh, 38, employee, were killed when a tank of the Dutch comedian in America died at his home here. He began his career on the Bowery in New York in 1847.
