

SMITH SLATED FOR BANK JOB TRIBUNE SAYS

Not Expecting to Seek Public Office Again, Defeated Candidate May Head New Bank—Will Take Trip.

NEW YORK, Nov. 8.—(AP)—Governor Alfred E. Smith does not expect ever to run for public office again, but is still undecided as to what his future business or professional activities will be.

The Herald Tribune says it is being rumored he is to be offered the chairmanship of the board of directors of a projected new \$25,000,000 Wall Street bank. The bank is being organized by Eugene H. Norton, vice-chairman of the board of the Baltimore trust company. The governor's term at Albany ends January 1 and he will be entitled to a pension of \$6,000 a year.

The names of William F. Kinnear, the governor's close friend, John J. Raskob, the Fisher brothers of Detroit, and members of the Detroit family are being mentioned as possible associates on the board of directors of the new bank, the Herald-Tribune says.

Although Raskob, last August, denied that he was interested in the bank, the Herald Tribune points out that his statement at that time, left open the possibility of future connection. Negotiations for the formation of the

bank, the paper says it has learned were withheld, pending the outcome of the election, but now may be expected within a few days.

The bank will have the largest capital funds with which any bank has ever been organized in the country.

The governor, in an interview said: "I certainly do not expect ever to run for public office again. I have had all I can stand of it. I have given a quarter of a century of probably the best years of my life to it. I will never lose my interest in public affairs, that is a sure thing, but as far as running for office again is concerned, that is out."

The governor was his usual buoyant self.

Pleasant Memories.

"I've nothing but pleasant memories," he said of the campaign. He smiled and continued: "There is one thing the figures indicate, and that is that no man in the country except one ever got more votes for the presidency than I did."

"Who was that, governor?"

"Herbert Hoover."

The governor and Mrs. Smith planned to go to Albany this afternoon to the executive mansion and the governor said he was going to plan a little trip; take a rest.

With the campaign over, the work of cleaning up the affairs of the national committee is to be started immediately. As soon as things are in shape, the national headquarters will be moved to Washington. Chairman John J. Raskob said that bills were still coming in, as well as contributions, and that although the exact financial status could not be known for several days, the apparent deficit was close to \$1,000,000.

He said the party's defeat was "nothing to be discouraged about" as the returns seemed to indicate that the party's minority had been decreased to only 18 per cent, a tremendous gain over the 25 per cent minority of the two previous campaigns.

He said that he would continue as chairman of the national committee for the full four-year term. There was curiosity in Wall Street today as to whether Raskob would return to General Motors. He gave his plans on the corporation's committees when he took charge of Smith's campaign.

LEGION MEMBERS PLAN ELABORATE ARMISTICE DAY

Members of Medford post No. 13 are making elaborate plans for their big Armistice day celebration next Monday, November 12. The day's program will start with the patriotic parade at 11 a. m., after which will follow the annual free "vambon chow" for all ex-servicemen. In the afternoon will be the big football game between Medford high and Ashland and numerous comic street stunts. The day will be fittingly concluded with the annual Armistice ball, to which everyone is cordially invited. Every world war veteran in Jackson county is urged to pay homage to his departed comrades by marching in the Armistice parade Monday morning at 11 a. m.

FAST MILLING IS EXPECTED FRIDAY IN ARMORY ARENA

Preparations are complete for the Medford boxing commission snoker tomorrow night at the armory, featuring Eddie Cartwright colored fighter of Portland and Los Angeles, against Bobby Vernon, the soldier fighter of Vancouver barracks, in the main event of 10 rounds. Vernon and Cartwright are both hard hitters and promise to stage a hard fought battle.

Jimmy Wolf, who will fight Frankie Wawack of Portland, in the semi-windup of six rounds, worked out last night and displayed he has the makings of more than an ordinary fighter. He has fought 18 years and has never been knocked out. Wawack also has a good record, winning the majority of his bouts.

A speedy bout is expected in the special event between Dick Foley and Poncho Villa of Manila. Foley displayed his speed in an exhibition last Friday and Villa is said to be equally as good.

The preliminary between Mickey Riley and Sibani Tomasco is also expected to be fast.

WASHINGTON TEAM TO BEAR DOWN ON SPAULDING SQUAD

PORTLAND, Ore., Nov. 8.—(AP)—Portland is expected to advance their standing in the conference percentage column at the expense of the University of California at Los Angeles, the Washington state football team is pitted to clash all its fury on the Bruins from the south in their game at the Portland Multinational stadium Saturday. Coach Babe Hollingbery spent this week tuning the team to fast speed and he intends to use everything in his march toward the top of the conference ladder.

While he has not indicated what brand of ball his team will use Saturday, Coach Hollingbery will probably direct his heavy hitters to wear down the lighter Californians in straight football. The Cougars have an abundance of power which forms a destructive weapon. The W. S. C. defense has been polished to ward off the anticipated aerial game of the Bruins and to force them to less open work.

Coach Bill Spaulding with a squad of 25 men, left Los Angeles last night for Portland.

D'HAVILAND PLANE STOLEN BY THREE IN REDWOOD CITY

REDWOOD CITY, Cal., Nov. 8.—(AP)—A four-passenger DeHaviland biplane with only one hour's gasoline supply in its tanks was stolen from the Redwood City airport today, field officials reported to the police. The plane was owned by Donald Tompkins, San Francisco flier, who said persons who held a mortgage on it might have taken the ship.

Three men drove to the field today, sawed off a chain padlocked around the propeller and took the plane aloft, without waiting to start the motor. They abandoned their automobile.

The plane headed toward Los Angeles. All airports within the estimated cruising distance of the plane with its limited supply of gasoline were notified to watch for it.

CUBS TRADE FIVE MEN FOR HORNSBY AND GIVE MONEY

CHICAGO, Nov. 8.—(AP)—Rogers Hornsby, the transient star of National league baseball, will next be seen in a Chicago Cub uniform.

Five players and a large sum of money, perhaps the largest amount ever involved in a baseball deal, will go to the Boston Braves in exchange for the "20-20," who has worn the uniform of three clubs in the past three years.

The long rumored deal, which gave the Cubs the National league's leading hitter, was completed last night in a telephone conversation between President W. L. Veech of the Chicago club and Judge Emil E. Fuchs, president of the Braves.

President Veech refused to divulge the exact sum of money involved, but intimated it was between \$150,000 and \$200,000. The highest price previously paid for a player was \$127,000, given by the New York Yankees to the Boston Red Sox for Babe Ruth in 1920.

True to President Veech's statement that the Cub team would not be wrecked to get Hornsby, only two regulars were included in the transaction. One was Freddie Maguire, who was moved to plunk position for Hornsby at second base, and the other was Pops Jones, veteran southpaw.

The other three players were Louis Leggett, rookie catcher recalled from the Cubs farm at Reading, Pa.; Harry Seibold, a recruit hurler who starred with the leading club last season, and Bruce Cunningham, a pitcher acquired from Los Angeles.

It is probable the Cubs will take over Hornsby's Boston contract which calls for an annual salary of approximately \$49,000.

Hornsby made his major league debut in 1915, coming up from the Dallas, Texas, club for a reported \$200.

In 1922 he set a league batting record of .424. He wound up the past season with an average of .387 and only twice since he joined the majors has he finished below the .300 mark.

BEARS FAVORITES AGAINST HUSKIES SEATTLE TUSSLE

SEATTLE, Nov. 8.—(AP)—The Golden Bears arriving here tonight from the University of California are declared favorites to take their annual gridiron battle from the University of Washington.

The final Washington scrimmage today called for more drill on offense, but centered on defensive practice against plays that the Californians are expected to unleash against the already badly battered Huskies. The northwesterners have spent the better part of the week playing against a superb variety, trained in the ways of the Golden Bear.

Both the Huskies and the southerners are to take a light workout in the stadium Friday afternoon. This is the only practice scheduled for California here.

The Washington line was almost unscathed as it has been since the University of Oregon started the Husky on his down hill path. Coach Knott Dugshaw expected to send a stronger team against California than the one that fell before Oregon and Oregon State, but his followers had little faith in Washington's ability to hold the Golden Bear.

BERKELEY, Cal., Nov. 8.—(AP)—Two members of the University of California football team, Coach "Nip" Price, were bound for Seattle, the strong hold of Washington's Huskies, today to clash with the northerners Saturday in a conference encounter.

All of the Bears are in fairly good condition, but it is doubtful if Benny Lon, sensational half-back will be able to play.

Lon was badly shaken up in the Oregon game last week, and it is likely that Coach Price will keep him out of the Husky encounter to save him for the big
