Profits Are Not Considered The Stock MUST Be Sold!

### This Tells the Story

MR. L. T. FERGUSON  
 Having purchased the Shields stock of Dry Goods, Hosiery, Underwear and Ladies' Wearing Apparel in your city, my first thought was to secure a desirable location in Medford for an up-to-date Ladies' Shop for future operation.

As to the present stock, I wish to dispose of everything it contains, just as soon as possible without consideration of Profit or Loss. Move it at any cost and without delay. Use your own judgment as to what it will bring. Also am sending you direct from manufacturers, by fast express Ten Thousand Dollars worth of Coats and Dresses, a very fortunate purchase for spot cash at way under regular price. Include these in your sale. This new merchandise should prove a real attraction to the people of your vicinity. The prices you can afford to sell them for means a saving of many dollars.

Good luck and get busy.
