

TURKEYS RECEIVED POLICE ROUNDUP TO NOON MONDAY BY FARM BUREAU

Of interest to Southern Oregon turkey growers is the announcement today by the Farm Bureau Cooperative Exchange, through Clay Parker, manager, that turkeys will be accepted there for shipment to the New York market by until noon Monday instead of noon Saturday, giving valley growers extra time in bringing in the birds to the exchange. However, turkey growers are urged to bring in as many as possible on Saturday to facilitate the outward shipments.

The cash price paid on delivery here is equal to the latest turkey quotations from the Portland markets. While the birds are plentiful in the valley, they are not arriving as rapidly as they might, due to the inability to get the turkeys ready, caused to a great extent by the scarcity of pickers.

ROSEBURG, Ore., Nov. 15.—(AP)—The Thanksgiving turkey pool of the Douglas County Turkey Growers' association was sold last night to J. P. Commission, company of Omaha, Nebraska, for shipment to New York by express. The prices were: Young toms, 29 1/2c; hens, 28 1/2c; number 2 grade, 29 1/2c; old toms 31 1/2c. The price is one and one-half cent better on young toms and one-half cent better on hens than the bids received two weeks ago, when all proposals were rejected by the growers.

The purchasers will receive the turkeys at Roseburg, Drain, Yoncalla and Eugene next Monday. It is estimated that there will be from 8000 to 10,000 birds in the pool.

CHICAGO KILLERS

CHICAGO, Nov. 15.—(AP)—Three murders were solved and four accused slayers were under arrest today after a night of action by Chicago police.

Three of the alleged killers were cornered and captured within 15 minutes after they were blamed for slaying a druggist during a holdup. They admitted the crime, police said, and also confessed killing a spectator during a similar holdup last Sunday.

The trio of negroes shot it out with police when cornered in their flat, but surrendered after their ammunition was exhausted. Their victim was Peter Lucas, druggist.

Wall Street Report

NEW YORK, Nov. 15.—(AP) The ability of the stock market to absorb the tremendous profit-taking sales without a serious setback caused new enthusiasm among the bulls, and old favorites like the coppers began to stride upward at a fast pace in the final hour. Andes and Kennecott broke into new high ground for the year. A. M. Byers and Westinghouse Electric extended their gains 6 and 9 points respectively, the latter crossing 127, the highest high in its history. General Motors, which had been heavy, showed some recuperative power. Benefield Steel swept across 74 with little effort.

Flinny Frocks Healthy
PHILADELPHIA, Nov. 15.—(AP) The scanty clothing finds favor with Dr. T. H. A. Stitve. He says it is making them healthier, but the fact of scanty diet is something else again. Slim nations he told the Philadelphia tuberculosis conference, are tending to increase tuberculosis.

Their own graveyard was covered by lava 200 feet deep. The poor couple grieved because this baby could not be buried there and wondered how those already

buried could get out through the lava. Divine Mercy and the Angel Gabriel, fortunately, will attend to that.

New York will undertake seriously "to curb grafting in future." You read that and feel like saying with Job: "Canst thou draw out leviathan with hook? Or his tongue with a

cord which thou testest down? "Canst thou put one hook into his nose? Or bore his paw through with a thorn?"

The modern leviathan is graft, as powerful as old leviathan or beneath of Job's day. "His bones are as strong as pieces of brass, his bones are like bars of iron." Graft will last until the public takes a serious interest in it. The public is too busy now.

"Fifty-fifty" in Chicago's gun-man-citizen encounters Tuesday. A private citizen killed one gunman. A policeman shot and killed another.

Gunmen killed Charles Emmert and Matt Luck, both in drug stores. When gunmen kill each other, Chicago does not object violently. But killing too many private citizens may cause annoyance.

The Washington P. T. A. will meet tomorrow at 3 o'clock.
