Do you enjoy your food?

IF you do not enjoy your food it is a true sign that you are losing your appetite. And when your appetite is "gone" it means you haven't the resistance to ward off disease. Loss of appetite is only a symptom. General weakness pervades the entire body. There is no desire to work or play.

Rich, red, blood builds and sustains

Your physician will tell you that lowered vitality is the result of an insufficient supply of red blood cells—those vitalizing elements in the blood that nourish and sustain the body.

When you get your red blood cells back up to normal, that sluggish, let-down feeling, loss of appetite, rheumatism, boils, pimples, and skin troubles disappear. You get hungry again; sleep soundly; solid flesh takes the place of that which was once flabby. You feel strong; and your nerves become steady.

ENDURING AS MOUNT BAKER

Put new CYCOL on trial in your motor; prove its *"endurance beyond belief"*

Stability The new Cycol will stand the hardest kind of usage. It is refined to meet the severest conditions of heat and pressure developed by the modern high compression engines, assuring you an unbroken oil film where heat, pressure and friction are greatest.

No Acids The new Cycol refining process eliminates the use of acids, though most refiners use them. While acids clear the "crude oil" they chemically change its structure and composition, thus seriously cutting its lubricating value.

Such oils break down under engine temperatures. They distill off and escape as vapor through the breather exhaust.

The new refining process of Cycol selects from the "crude" those elements of greatest lubricating value and stability in performance, rejecting those elements which readily break down under engine heat and cause excessive carbon deposits.

So Cycol gives a protective oil film on cylinder walls and moving parts, not vapor at the breather pipe

Less Carbon As to carbon, Cycol like all oils deposits some carbon. But it deposits less carbon than any other oil. The most exhaustive tests have proven that statement.

Even more important, the carbon that is deposited by Cycol is soft and easily removable. It is not hard or sticky and cannot scratch a cylinder.

Prove it yourself Cycol gives you the finest results you have ever known—more perfect lubrication, "endurance beyond belief" and the elimination of carbon troubles.

So fill your crank case with Cycol. You can identify it by the new transparent green-gold color. Sold wherever the Associated Gasoline and Cycol Motor Oil signs are shown. ASSOCIATED OIL COMPANY, *Refiners of*

THIRD ATTEMPT MADE TO WRECK RAILWAY TRAIN

PORTLAND, Ore., Nov. 15.—(AP) An attempt to wreck Union Pacific passenger train No. 12, running between Portland and Spokane was made early today at Irrigon, Ore. Six or eight ties were piled on the track at a switch at Irrigon.

The engine ran into the obstruction, the wheels climbing over one of the ties. Engineer Thomas M. Denny had spied the pile and had slowed up the train.

Union Pacific officials said this was the third attempt this year to wreck trains on the same line. In March spikes were pulled from the rails at two points, near Castle, and near Sonny.

A standing reward of $10,000 is offered for apprehension of those responsible.

PENDLETON, Ore., Nov. 15.—(AP) Six tramps were arrested by Special Agent Ed Wood of the Union Pacific after an attempt to wreck the Portland-Spokane mail train at Irrigon early today failed.

PIPE ORGAN FEATURE OF GROCETERIA HOUR

The Gates and Lydiard Groceteria hour of pipe organ music, was initiated over KMED, the Mail Tribune-Virgin radio station from 10 to 11 this morning, and called forth a hearty response from music lovers all over the valley.

Having purchased the complete library of Jesse Crawford's pipe organ selections, as recorded by the Victor company, the local firm will feature this hour of pipe organ music, every Thursday at the same hour. The growing popularity of the pipe organ, and its wealth of interpretations, has prompted the establishment of this weekly program by the owners of the Groceteria, who feel confident that their efforts will continue to meet the ravishing palates this morning. The Thursday hour is to be a request hour.

S. P. WILL OPERATE THREE NEW STAGES

Having purchased three new stages from the Yellow Cab company of Chicago, which are said by Al S. Rosenbaum, general agent for the Southern Pacific here, to be of the latest design, the railroad company will put them on the Klamath Falls-Medford schedule in the immediate future.

Designed for both comfort and safety, the new stages, which are constructed in 16 sections, will replace the old ones now being used on the highway. Announcement of their arrival and the definite time they will begin operation between the two southern Oregon points will be made later.

Russian Baritone.

Alexander Akimoff, the Russian baritone, is a laureate of the Petrograd Imperial Conservatory, will appear in Funchon and Marco's "River" idea at Hunt's Cravterian Sunday. While a student he was among the few chosen to sing at the 50th anniversary of the world-famed conservatory. He also sang at the Petrograd opera, and later, after his graduation with the diploma of "Privileged Artist," he became a permanent member of the company.

Akimoff sings in six languages, and has received high praise from American critics for his pure English diction.

STATE OF OREGON, COUNTY OF JACKSON, ss.

We, the undersigned, County Budget committee for Jackson County, Oregon, do hereby certify that the above is a true, fair and complete estimate of the probable expenses of said county for the ensuing year and probable receipts from sources other than direct taxation upon real and personal property in its jurisdiction during the ensuing year, and an estimate of the probable unappropriated or unexpended balance in the various funds as of the last day of the current year.

We further certify that the estimate of expenses of the various institutions of the county, of the amount required for public enterprises, roads, bridges, etc., and all other expenses of the county as therein set out, is just and is based upon a careful study of the expenses of the county during the past three years, and a thorough examination of its probable needs during the year for which such estimate is made. That each and every item therein is believed to be necessary for the proper transaction of the business of the county, the protection of its property and interests and to be for the public welfare. That every expense estimated is in accordance with law, and is a legitimate charge against the county.

Dated at Medford, Oregon, this 13th day of November, 1928.
