

### INTEREST TAKEN ENDEAVOR WORK AT BUTTE FALLS

BUTTE FALLS, Nov. 15. (Special)—For a new Christian Endeavor, the type and character of the meetings have been exceptionally good. Last Sunday Lloyd Clark led on the topic "Fair Play." Discussion was offered freely and each one entered into the spirit of the meeting. A keen sense of individual responsibility is being developed and which is making for better and more interesting discussion.

Robert Roberts is the leader for next Sunday, but as yet his topic is unannounced.

Sunday school is keeping above the half-century mark. Last Sunday the attendance was recorded at 52. A record offering was taken of more than three dollars.

The Sunday school expects to have its new song books next Sunday. A play was given last week and the proceeds were given to the Sunday school to buy new song books. Hymns of Praise No. 14 were selected by the Sunday school and 199 copies were ordered.

Butte Falls Christian Endeavor. The presence of a real live bunch of young people is already being felt by the community in the Christian Endeavor society.

The Endeavors mean business, as they are conducting two meetings a week, one on Sunday evening and another Wednesday evening. In the short time they have been organized they have held one social function (which was a Halloween party) and have plans for a real progressive society. The present plans include a big "rinky dink" carnival for November 20 at the high school gym, the proceeds to go toward electric lights for the church, and a lawn and wire fence for the church yard.

Some of the Endeavors have already put some time on cleaning up the church yard. The boys plan on cutting the posts for the fence during one day of Thanksgiving vacation and the girls plan to carry a lunch to them at noon.

Further plans will be withheld till a future time.

The young men who were the members of the Boy Scout troop of last year have voted a change in their type of organization. At the last meeting of troop 18 of the Boy Scouts of America, called at the home of the Scoutmaster, it was voted to organize a Young Men's Christian association. The Scout treasury was voted to be made the treasury of the new organization. The officers elected for the "Y" organization were Leslie Casey, president, and Lloyd Clark, secretary and treasurer.

The purpose of the new organization was declared to be that of sponsoring Christian fellowship, Christian activities, Christian study and Christian worship.

The organization is now working in conjunction with the Christian Endeavor in sponsoring a big carnival. For some time a need has been felt for a higher standard of conduct for the young people of this community and it is the hope of this new organization to help set a worthy standard.
