Wall Street Report

NEW YORK, Nov. 17.—(AP) Front-end trading in stocks continued in today's brief session of the market, which assumed record-breaking proportions. The main price movement was still upward but the advance lost some of its violence, and a number of issues fell back under an enormous volume of week-end profit-taking. The ticker again fell hopelessly behind the market.

Trade was again a spectacular feature, opening 2 1/2 points higher at 290, advancing to 301, breaking to 293 and then rallying to a new high record at 293. Montgomery Ward also sold around the record high established yesterday. At least two score issues moved into new high ground, the list including Anaconda, Copper, De Beers in South Africa, General Motors, North American Copper and National Belfus Among the score or so issues to sell 2 to 4 points above yesterday's final quotations were May Department Stores, Sloss Sheffels Steel, Midland Steel Products, Gen'l. Railway Signal, American Telephone, Park and Thford, International Telephone, and American Steel Foundries.

Pullman, Sears Roebuck, Commonwealth Power, Greene Cananda Copper, Mexican Republic, Victor Talking Machine, and National Supply all sold down 2 to nearly 3 points.

The close was irregular. Total sales approximated 3,000,000 shares.
