

RED CROSS DRIVE FOR TABLE ROCK FINISHED QUICKLY

TABLE ROCK, Ore., Nov. 22.—(Special)—The Red cross membership drive was completed here Wednesday afternoon, with some 25 paying the annual membership fee.

Mrs. S. M. Tuttle and Mrs. Chas. Dunlap were in charge of the drive and report a prompt response, making it possible to complete the work in little more than half a day.

Hundreds of fat turkeys from this and surrounding markets have gone to market this week. Many of these birds are going with the Farm Bureau shipment to the New York market, which is being tried out for the first time by southern Oregon turkey growers.

Among the Sunday visitors here last Sunday were Mr. and Mrs. J. M. Dodds and children and Miss Eva Nealon of Medford. Doris Richardson of Heall Lane and Mr. and Mrs. L. Smith of Ashland.

Miss Alice Seabrook of the Ashland Normal spent the week end with home folks here.

Joe West of the Acate section is doing some work this week at the Harry Nealon ranch.

The work of putting in the grain crop and cultivating the alfalfa on the Morris ranch is progressing nicely, so reports W. R. Morris.

Several more fox pens are being constructed on the Dunlap and Hamilton ranch which, with those already in use, will take care of more than 20 foxes.

Lester Hamilton, local manager of the fox business, expects to go north in a few days to procure several pairs of high-grade breeding foxes.

Mel Atkins and Alfred Milneki are working on a wood contract in the Sams Valley district.

The next meeting of the Table Rock Community club will be held Friday night, November 30. Besides the business of arranging for the annual Christmas tree celebration at this meeting, a good program is being arranged, which will be the main feature of the evening.

Mr. and Mrs. Stanley Lydard and children, who have been visiting friends and relatives in the valley for the past week, returned Saturday to their home near Stanwix.

It is reported that Frankley bought a small tract of land near Medford while here.

Harry Nealon has the contract of pulling out the apple trees at the Table Rock orchard.

Hay growers in this section are receiving many inquiries about hay, but it seems that most of the surplus hay has been disposed of something very unusual so early in the season.

Charles Wilson and Alvin Hamilton who returned Tuesday from a hunting trip in Klamath county, report very little game in the region they visited.

To help relieve the milk shortage in Medford, most of the dairy men in this district are sending in their whole milk.

Fall and winter is a good time to get spring grain cleaned so that early spring planting will not be delayed. It has been found that large, round, plump and unbroken kernels are most likely to produce strong plants when planted in cold soil. Less care is necessary when seed is planted under conditions more favorable to prompt germination, says the experiment station.

When making desserts or salads with gelatine, if they are wanted in haste place mold containing them in a bowl with broken ice mixed with some coarse salt.

PRESBYTERIANS TO HAVE BAZAAR IN JACKSONVILLE

JACKSONVILLE, Ore., Nov. 22.—(Special)—The ladies of the Presbyterian Guild will hold their annual bazaar and food sale, Saturday, Dec. 8th in the Library rooms at the U. S. hotel. A large supply of good wholesome food and many beautiful as well as useful articles will be on display at that time.

Mr. John Dugan and son Owen from Klamath county spent Saturday night at the home of Mrs. Dugan's brother, Chris Dugan.

Mrs. Henry Miller was shopping in Medford on Saturday.

Mr. and Mrs. W. A. Childers and daughter, Maxine, were visitors at the home of Mr. and Mrs. Leonard McKee on the Applegate Sunday.

Mrs. Arthur Madden and daughter, Mrs. Arton Barnatt and Mrs. Art Tomner of Ashland and Mrs. Tom Roseberry of Medford were visitors at the H. G. Miller home Tuesday afternoon.

Miss Eva Glenn, who has been visiting at the home of her uncle Ray Stevenson, and family for the past week returned Saturday to Klamath Falls where she is working. Miss Glenn had her tonsils removed while here.

Work is being done on the large reservoir at Jacksonville. The city has leased the large gas shovel belonging to the county and they plan on taking about 4,000 yards of gravel out of the reservoir. Fred Fick has the job of hauling the dirt away.

Mrs. Fred Butcher and Mrs. Apple Bowman were Medford visitors Monday afternoon.

Mrs. John Knight sang two solos for the Valley Radio church over KMEB Sunday evening. The selections were "Open the Gates of the Temple" and "The Lord is My Shepherd." Miss Ruth Severance accompanied her on the piano. This was very much enjoyed by those listening in from Jacksonville.

Mrs. Albert Kaiser from Denver, Colo., arrived here Thursday evening for a visit with her sister, Mrs. L. T. Wilson.

Mr. and Mrs. Oscar Lewis, Mrs. Harold Crump, Mrs. Chris Rosean, Mrs. Ethel Olson and daughter, Violet all of Jacksonville, and Mrs. Nettie Thompson of Medford attended the Christian Science lecture in Ashland Friday evening.

Mrs. Will Eaton is here from her home in Coquille, visiting friends and taking treatments at the Rogue River sanitarium.

Mrs. Wilbur Cameron and Miss Hilda Lyons left Tuesday for a visit with her sister, Mrs. Owen Oeden, at Salem.

Mr. and Mrs. Gene Cantrall of Medford were Sunday guests of Grandma Cantrall at Amy's Place.

Mr. and Mrs. F. L. Thompson and son Howard of Smith River passed through our city Sunday en route to Klamath Falls. They were guests at Amy's Place while here.

Mr. and Mrs. Elmer Applegate of Klamath Falls are visiting Mr. Applegate's sister, Mrs. Charley Chitwood and family. They are en route to Palo Alto, Calif. where Mr. Applegate has work at Stanford University.

Mr. Floyd Carter was a dinner guest of Mr. and Mrs. George Maxwell Sunday.

Mrs. Frank Saulsberry and son John M. were Medford visitors Sunday afternoon.

Roy Nelson of Klamath Falls and Miss Emily Johnson were married at the United Presbyterian church in Portland Sunday morning. Miss McDroom will be

SCHOOL PROGRAM IN THANKSGIVING ON WAGNER CREEK

WAGNER CREEK, Ore., Nov. 22.—(Special)—The president of the 4-2-11 Teacher Association announced that the next meeting will be held on the afternoon of Friday, the 30th. A Thanksgiving program will be given by the school children on that day and all parents and others interested in the school work are urged to attend this meeting.

George Matheson is almost ready to start logging on his timber tract located above where the old Gleim and McGrew sawmill stood. He will log with a caterpillar tractor and bumper.

All of the turkey raisers in this locality are now getting their turkeys ready for market. Mr. Louis Baker and Jimmy Norman both of California are butchering for a number of people in this district. They are experienced turkey butchers and dress approximately one hundred each, daily.

Mrs. H. T. Slagle and children called on Mrs. H. E. Purves last Wednesday.

A shipment of gypsum fertilizer arrived in Talent last Wednesday and a number of residents in this locality were busy hauling it to their farms.

J. L. Briner and C. E. Green of Dorris, Calif. called on Mr. and Mrs. G. A. Briner one day of last week.

Mrs. C. A. Knighen of Talent called on her brother, Mr. and Mrs. M. T. Barklow and family last Tuesday.

Leon Lockwood is driving tractor for Mr. Matheson this winter.

G. A. Kerby has been hauling wood to Ashland the past month and reported the market being good for wood sales.

Miss Margaret Lockwood left last week for Riverside, California where she will work this winter.

The residents of this district will be glad to know that Mr. and Mrs. Frank Snook and family formerly of this creek are located at Postonville, California.

Mrs. Lloyd Walsh of the Astor district is making an extended visit with her parents, Mr. and Mrs. T. W. Combs.

Mr. and Mrs. Beouka and family who occupied the Wadsworth house, moved to Phoenix, Ariz.

Mr. and Mrs. Everett Boone and children of Talent called at the home of Mrs. L. E. Bradley on Friday of last week.

Mr. and Mrs. Pennington and family of Phoenix recently moved into the house on the Wadsworth for the winter.

There was a school meeting held at the home of the clerk, Mrs. H. S. Lynch last Monday evening. They completed all business that came up and also made out their budget.

Some highly exciting scenes are embodied in "A Woman Against The World", at the State tonight. Swift planes, motor cars and a racing train are included in a race made by a girl reporter as portrayed by George Gale to save the life of the young society man, Harrison Ford, in the death house.

One of the swiftest planes on the west coast was used for the scene, and Lee Moran, who was a passenger was near death when the plane in making a landing came near overturning.

E. S. Severance has purchased the lots on the corner of California and Fifth streets formerly owned by Mr. Mensor, who now lives in San Francisco.

Mr. and Mrs. Vivian Beach spent Sunday afternoon at the O. V. Meyers' home at Medford.

Mrs. Clarence Hamilton of Euch spent the week-end with her sister, Mrs. Arthur Lewis, at Jacksonville.

Ora Phillips, wife and baby and Emmitt Phillips, returned here Sunday from Klamath Falls, where they had spent a week with Mrs. Phillips' parents. They spent Saturday night at the Tom Dunnington home here, leaving Sunday for their home at Squaw Lake.

Mr. and Mrs. Arthur Lewis and son, Carol, spent Sunday with Mr. Lewis' sister, Mrs. Nettie Thompson at Medford.

The members of the Christian Endeavor society enjoyed a happy pull at the church Friday evening.

Mr. and Mrs. Archie Rutherford of Medford were visitors at the home of Mrs. Ethel Olson Tuesday evening.

Potatoes that are misshapen, have serious mechanical injury, or otherwise unfit for U. S. No. 1, may advantageously be fed to cattle or pigs. Many Oregon growers fed their waste potatoes last year, reports the experiment station, and with the potato market in bad condition it is desirable that as far as possible culls be fed again.

To brown pies and tarts, use a small pastry brush and brush them with milk before putting them in the oven. To glaze pies, brush them with the white of an egg if you wish them to be a shiny brown. Bread wrapped in a cloth absorbs moisture and imparts an unpleasant taste.

Poor development and low egg production can often be traced to a mineral deficiency in the feed.
